

LEAGUE CUP FINAL

WE GO AGAIN

PSV LOFTUS 1 - 1 BURNHAM DOWN

Yes, it's replay time in the League Cup Final as underdogs PSV Loftus manage to scrape a draw when it was nearly all Burnham Down here and Cranners men had to fight for their lives, batten down the hatches, park the bus etc etc. The four all rounders in the Burnham midfield controlled it throughout; how can anyone live with the 57 levels of DAVOS LECHERIOU; let alone the others. HURGARDZ headed against the bar in the opening 10 minutes and TAFFY shot wide with an open goal in sight before half time came. Loftus were grateful for the break no doubt, time to regroup, and hope that the manager had something up his sleeve. He didn't; just words of encouragement to dig in and sneak a goal. However, that goal came initially from TAFFY, a long dipping drive that caught KIYAN unaware. Surely that was it the fans thought, but very quickly Loftus responded, and BERKESSY decided to let one go from 25-yards. Straight in the top corner it went. That was that, replay it is, Cranners needs to find something different here otherwise the Kiwi King will be crowned champ once again!

BLACKPOOL FIGHTING; ZELDATREE SINKING!

Colly is on the march now as his **Blackpool** pulled off an excellent 3 - 1 home win over Steadders **FC Amazonas**. Amazingly Colly's boys only got to the ground 10 minutes before kick-off; Colly had got the driver lost along the promenade with his map reading skills but nevertheless they did the business once they got on the field. The marking of JEORGIE BAST was just the ticket and the visitors were never in it here. Great result for Colly Wobble and whilst all that was happening Cranners did him a huge favour as Zeldatree were being soundly beaten by PSV Loftus. Two goals in the first five minutes settled this one before HAMMERFEST left his marking duties to add a third late on.

Ferenghi could not keep up the chase at the top though as Double Spunky Bak-Door Rob 'DONE HIM' 1 - 0. TAKEDA got the winner just into the 2nd half, man marking all over the place here made it a stop start game and a late red for all-rounder NOG will not please Snoozy Tommo at all. Great result for **Vino**, fans were happy for a change, but too little too late I reckon. **Abbey Road** smashed **New Elvet** 4 - 0; super strong attack; all over the visitors, but

with **Blackpool** winning they are still in the dogfight. At the moment, given current form, it could well be **Zeldatree** falling through the trap door. Interesting for sure!

MATRON VANISHED, BUT TOOTING DO BUSINESS

Strange goings on with the **Dynamo Tooting** hierarchy this week as reserve team coach Hepp Catt led the team out in sunshine to take on Fingers **Lancs Villans** in a derby match up. There were rumours that Matron had been locked in a friend's spare bedroom, or worse still his basement, but these were unfounded, and we know the actual truth was that he had found some new friends, ones that actually do like him and they had absconded to Gypsy Hill before rolling (yes actually rolling) onto the Bermondsey beer mile. 48hrs he had been gone for, longer than any Fingers sponsored silence no doubt but he said he would be available for a half time team talk if it were required; though he didn't believe so, stating 'it's only Fingers and I ain't never been his bitch'. Well, 25 minutes in and the Villans were up 2 - 1, with LEYLANDII dropping back when required to

KICKABOUT NEWS

snuff out any scares. As half time approached, Hepp Catt told his dutch assistant Jung Tripp to get Matron on the phone for half time. The dressing room waited; Matron answered, "guys we need an extra 10.5% improvement here and we'll win it. Ok, yeah four more pints of Baller please guv, oh sorry chaps, just getting my next order in. Anyway, 10.5% you caaaants and the spoils are ours, see ya next week, maybe, when I recover" - the team went out, VITESSE, ZATOPEK and WALES all grabbed a goal to win the game 2 - 4. What a manager! Inspired words! Great team player! Pah?..keep your new friends?

Elsewhere, the northern Monkey that is KP got bitched, yep Fingers snuffed him out, 1 - 0 to the **Devils**. KP extremely hurt; should have stuck to 3-5-2 I reckon. 4-4-2 what is that? You don't see 4-4-2 and KP in the same paragraph usually. Oh well, 3 points dropped to the mid-table Devils and Seamy, ready to pounce for 3rd spot and make the run in very tasty. The **Galway** Pouncer as he's known in his neck of the woods, prowling the roads from Spiddal to Barna, looking for new talent to improve his side. As long as they have two legs, can kick a ball, drink 9 Guinness in 2 hours and munch as many oysters as you can throw at them, they're recruited, and his magic stick (oooh I say) will do the rest!! 5 - 1 away winners at **Two Rivers**, super strong in attack. They are up to 3rd, they're flying now; can he keep 'em there?

RUNAWAY LEADERS BOTH BEATEN

Ok, so **Boleyn Boys** went down to **Newport Pagnell**, not so much of a shock given Newport are 3rd, but I'll come onto that game as I focus on a real surprise result at **Real Remmigel** where the leaders were beaten by strugglers **RYL Arsenal**. An easy 3 points was the word around the ground before kick-off, a young lad called Grimbob Tightshorts said "it'll be 5 or 6 nil, watch this space". So, we watched and within 11 minutes it was 2 - 0. But not to the home side, they were stunned. Every time Remmigel push forward they were countered by the 4-3-3 formation of the visitors and both DRAGANSKI and HERNAN just

had to be in the right place at the right time to score; DE FENDA breaking the offside trap with ease on both occasions. Half time, regroup, tactical change, shorts change, a tighter pair, with stripes this time and before you knew it, it was 1 - 2. TRUMPESKU slotting into an open goal after dummying the keeper. Twenty minutes later and CRUZ CAMPO levelled it; plenty of time now to secure the win. However, almost immediately all the good work was undone when SVERGE headed in a 3rd for RYL. Miller's men couldn't respond again and they suffer their first defeat of the season.

So, there was a chance for the Bad **Boleyn Boys** but **Newport Pagnell** were a much tougher test and with man marking, zonal marking and offside traps all over, it was never a sublime footballing affair here. Newport went 4-4-2, Boleyn Diamond, zonal and PD - a little negative from Bad Dad I must say, is he losing his nerve, has his bottle gone or is he past it! - or has he spent too much time in bed over the last few months and his brain has switched off? Neither side got on top for long periods, chances were long shots mostly and the only goal was deflected, as READIE headed in off GARDNER's shoulder midway through the 1st half. The travelling fans weren't happy at the end, disappointment across their faces and some said they may go to Loftus Road instead for proper entertainment.

EXPO EIGHT ENDS CHASE

Up until this week it was just **Sporting Porto** chasing down a promotion slot with all others having faded away and with a visit to **Brighton Expo**, it was going to be tough. However, with old keeper GORAM in goal, who is now about as useful as a chocolate teapot, you expected goals to rain in; and they did! Youngsters RUIZ and FIGO and VASCO DAGAMA also played, fans a little dismayed at the team sheet and demanding their money back from the bookmakers. The goals came in periodically throughout the first half before they hit a further 5 in the last twenty minutes to wrap up an 8 - 0 win. **Huddersfield** keep up the title chase though, a 1 - 0 home win over **Glenfabba** where BILLING popped home a simple

header. Man marking of CLAMBAKE and VOLVO making the key difference here given the absence of VOLENDAM through injury.

So, with the beating of Sporting Porto, **Lowfields FC** sealed what looks like 3rd place now after a late DOTTIR goal gave them all three points against **Real Scorb**. It should have been more given the shot count but one more win from the last three game will send Jack's boys up after a good season.

UP FOR THE CUP

Semi Final Replay

Snoozy Tommo sent the Ferenghi fans home delirious as they saw of Berry Brow Utd 2 - 0 at the 2nd attempt. Both sides attempted man marking which sort of worked, 50/50; but Tommo's boys were motivated and created more chances because of that. NAGUS got them both, the first just before half time, nodding home from short range before rifling a 20-yarder in on 70 minutes to seal their place in the final.

BOWLING ALONG

Semi-Final Replays

It's a another final for Spuddy and his Wandsworth hooligans as they rout FC Groovus 4 - 0. Groovus left themselves a little too weak at the back in a somewhat unfamiliar SW-2-4-3 line up and MURPHYS was quickest out of the blocks, bagging a brace in the opening 15 minutes. Not too long after PUKKI added a third and half time was as pleasant as they come for the 1st Divisioners, the manager swinging from the rafters, hairy back on show, tinnie in hand, singing, 'we luv you brewdog we do'. BALTIK added a late pen and that was that. Favourites for the final no doubt.

0 - 0 between Newark and Vino but something of a game of four half's. Newark dominated the first 90 minutes, they didn't create loads but Vino offered no threat. Switch to extra time and the Vino boys found their spunk and could have won it late on when TAKEDA headed the ball against the post with a clear sight at goal. The dreaded penalties ensued, and ATTWOOD was the hero, saving from BONAVENTURA and LINZ. KP into the final, bring on the Spud man he roared - meowww.

TROPHY TRAILS

3rd round highlights

Big match between the two power sides of the 3rd and its Real Remmigel who come out on top despite the shot count being significantly in Bad Dad's favour. Boleyn just couldn't get an equaliser after ORZIL gave Cooncilla's boys the lead early on and despite all that huffing and puffing they succumbed to a very late sucker punch when ALI OOPS headed home on 90 minutes. When the press asked Mr Miller if he felt lucky, we had more excuses than Boris and Rishi could give over lockdown rule breaking. "We had an injury to MAO SI TUNG", "the caterers delivered fizzy French water rather than still", blah blah blah, didn't answer any question directly though; a proper politician (but I do luv him xxx) ***** A feisty derby affair saw Red Castle win 3 - 0 against Southport Kews; yellow cards, red cards and injuries a plenty. Despite the win Cranners will not be happy; with captain WONG, sidelined again, but not before his super hattrick earned the spoils here. ***** 4th division affair saw Womble Town and Glenfabba FC play out a 0 - 0 draw; very little goalmouth action here I'm afraid, two matching diamond formations. Glenfabba go through though, 4 - 2 on pens as AB WALTERS and ARSHAVIN balloon their efforts into row z. ***** Matron sets his side out on the front foot (with significant motivation also) on their visit to Newport Pagnell but the 3rd division side are just too good for Dynamo Tooting and seal a comfortable 2 - 0 win. Back to the ward Matron and get a bed back to refresh yourself!

TROPHY Semi-final draw (Neutral Ground Folks!)

Real Remmigel v Red Castle

Newport Pagnell v Glenfabba FC

GOLDEN BOOT

It's JIGILO JENSON of **Burnham** all the way here as he's miles ahead of anyone else in the division. Too many scared managers playing weakened side I reckon ?? Elsewhere, Div 2 is wide open, **Boleyn** should grab it in Div 3 with

KICKABOUT NEWS

the two leading contenders, who also have a side bet on it I hear, whilst MENDEYEV of **Womble Town** in Div 4 leads the way but don't count out ZLATAN at **Brighton Expo**; still in with a shout here.

MEANEST DEFENCES

Burnham Down, Ajax, Newport Pagnell and Huddersfield FC lead the way; but none of these are signed and sealed just yet so watch this space as this is where some of these teams start becoming a little negative as they try to protect what they might get.

AUCTION

Remember the transfer deadline
comes into operation at the end
of session thirteen ie NOW

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

KICKABOUT BITS

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

KA MUSINGS & MEANDERINGS

As there are a number of leagues that will be starting a new season in the next three or four months perhaps it is time to point out the cardinal sin that often happens with a new season. That is discovering an app in your first game of the season AS A SUB and then trying to play him in the subsequent matches (this refers to teampick teams by the way). In effect if you discover somebody as a sub he doesn't actually exist and you HAVE to discover him in the normal fashion the first time you play him. If you don't get this right you incur wrong formations and NL fees, which will NOT be refunded so get it right

Shock win for the **Wellington** at **Disraeli** ends the home sides run as champions and gives the title to the **Ramsey** who have been in the wilderness for a long time. Stars come out in the Ramsey at the end of this season. Best season ever for the **Wellington** I think

Raleigh can do no better then draw with **Shakespeare** so the ex champs go back to the secocnd divison again

Winner takes all match sees the **Churchill** save themselves form disastrous relegation and send the **Montgomery**.

Draw at **Jackson** Wins the title for the **Nelson** who will hope to do better then their last promotion.
