Round Up Time

1

Couldn't quite do it in their first season in the top flight but I'd bet on **Southland City** ruling the roost this coming season. Only real challengers I feel are **Tartan Terrors**, who will be looking to improve on last season's disappointments. The manager will have to wheel and deal though cos the squad is very thin. Both **Hopkins Utd** and promoted **Xanadu** are going to be forces this season I feel.

Going down, well the old men of **Jondal** have it all to do and though they have a bit of spare cash I think it is going to be a season of struggle ahead. Can't see much good happening for **Amec ODL** either

2

Pipped on goal difference for the top last time out I can't see much stopping **Stalingrad** from gaining promotion this campaign. Both **PSV Gessle & Central Select** could challenge but will have to improve some to rival Stalingrad.

Whose at the bottom. Well, **Norwich Boys** look to have it all to do, but they do have cash to spend so might pull out. **Royal Arsenal** and relegated **Salamanders** are in the same boat but without the cash to spend. Hard season ahead for them

3

Something of a division where equality is the name of the game. If I had to plump for anybody I would go for the two **Clifton** sides, but don't put your money on anybody in this division of equality.

At the bottom well **TV Gold** would seem to have it all to do and both **Bel Fiersta & Black Mamba** will have to look to their laurels, but as I said very close form top to bottom here and acumen could turn anybodies season around if it appears!!

4

Probably a stronger division than the third to be honest. Watch out for **Ammon-Ra**. They might have the edge and are the richest club in the league so spent wisely manager BARNESLEY can lift his team towards the heights. Quite close behind them I feel with **Kings park Rovers & London Utd** looking to be the pick of the bunch - just - but going to be close at the top behind the RA boys I feel.

relegated **St Eilistra** are going to continue to struggle I think, unless Dave the man works his magic quickly. Wouldn't be surprised to see **Haggis Rivers** at the bottom but they do have some cash to spend to save their bacon .

MANAGERIAL CHAIRS

DIVISION THREE

Rohan Spurs are now **Khmer Rouge**

Hollybush FC are now **Inter Fauna**

THE REPRESENTATIVE LEAGUE

Manager Laurence Symonds was obviously too busy with his wedding plans to concentrate, so a relegation gets him the sack. The league looked for a man who knew what he was doing to replace him, but settled for **Adrian Williamson** to resurrect their fortunes!

THE AWARDS

Manager of the Year - This award was won by **Laurence Symonds** of **Dunlaoghaire**, great return from the doldrums

Most improved Team - This was won by **Jondal Palace**, proving the pundits wrong. Clifton legends an him close in the poll though.

The Performance of the Year - went to **Xanadu** League Cup & Second division champs, can't ask for more.

Fair Play Awards - was won by **Alainza Lima & Dunlaoghaire**, well done, clean boys totally, 0 DPSS between them.

GMS Award - goes to the **Lawton** of **Tartan Terrors**, not a home goal conceded in the league.

* SLEEPY JOE B is an ageing superstar once top of his craft but now on his way down and prone to gaffes, but on his day he sure can trump the rest. Can you get something out of him for one season

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that has been deducted from your account. On the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERSCOUT for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOMETHING TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

POSTALCHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLETURNFEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUMPAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your turnsheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
