## ROUND-UP TIME

Yep the **Stars** have dimmed at end of season after leading all the way, it is almost certain that **Primrose** are back at the top and they are doing it in a commanding fashion, five goal hauls all the way this session including a drubbing of fading **Shropshire** in the league cup final replay. Deserved triumph for Petie whose side have got stronger as the season progressed and unstoppable. I will make a prediction though. Next season is not going to be anywhere near as good for the boys from the **hill**.

Third spot battle now looks to have been decided with **Radford** in the chair.

At the bottom **Requiem & Wessex** both get a win so all to play for though with a home game against relegated **Newsome** to come would not be surprised if Hugo's Heroes don't escape at the expense of the Luton Luddite.

Still not decided in the second division. **Welsh Wizards** have a mare and look almost out of it **Les Ferdie** leap into the top three as long time leaders fail to score a point. Still three points covering four teams though with a game to go. **Wizards v Ferdie** might decide it and see both teams miss out if they don't win this clash.

At the bottom two wins for **Brecon** and they look almost safe. Relegation looks to me as if it might be decided on goal difference between Seamy & **Dynamo Test** who look in freefall now

**Jersey** are up in the third and looks like **Hoth Wampas** will join them barring miracles.

Congrats to Paddy Reiser **Tecchno Terriers**. Twice beaten finalists in the past they finally lift the trophy

# AUCTION PAGE

THE TRANSFER DEADLINE CAME INTO OPERATION AT  
THE END OF SESSION THIRTEEN

IE NOW

## ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier

New 2014 version now available at

### THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

### MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

### MUTTERINGS AND MEANDERINGS OF THE KA MIND

There has been some chat about STAR goalkeepers recently and their worth. One of the galling things about the game is when you muller the opposition but can't score and he gets a random shot which trickles through your keeper legs. This was introduced aeons ago to give that element of chance and stop super teams winning 100% of the time. Everybody has a chance. My idea to help alleviate this is if your keeper goes star the FIRST hot your opponent gets on target against him will have a % chance of not scoring based on the goalkeeping stat for that keeper (i.e. save shot % 70% and he has a 70% chance of stopping that one random shot? Opinions??

## KICKABOUT SOCIAL PAGE

**So the hardy few went to Norwich to have fun leaving the Johnny-no-mates crowd sheltering in their caves and playing with themselves**

**Norwich 2023**

**By KA social secretary Cranners**

So the Kickabout Weekend returned to Norwich in October 23. I've lost count of how many weekends have been held here now, but they are always great fun in a very nice City with loads to do. This time it was held in a 4-bed Airbnb, West of the Centre, with me (Cranners), Seamus (Phat Phoot), BadDad Barrett and the returning Waddinghamham being the permanent residents at the house. An Airbnb always provides a much more relaxed environment where we can all talk KA until we are blue in the face and not receive strange looks from others!! Chris ran it from the dining room and Wadders was either permanently at his corner bar area in the kitchen or face up to the large TV checking on how many goals he was conceding! Friday night we were joined by Jens and Gerard and then onto curry at The Spice Lounge was tea, after a few beers in a bar I cannot remember the name of. Food was superb, Gerard generous to a fault. After Fridays KA, where others joined virtually (KP, Fingers, Colly & Dag etc) and Matron, Tommo and Chris Moore had arrived, it was off to an Italian, again a superb evening with beers pre and post food. Mr Pickup (aka Los Pollos) rolled in for Saturday morning events before the evening took us back to the old Coach and Horses where we have basically lived at previous weekends, for pub grub and rugby. Another fantastic weekend of laughs with like-minded people.

## **MORE FROM THE SOCIAL SECRETARY WITH HELP FROM SUPER SHEDMAN**

**LONDON BEER MILE - SATURDAY 6th JULY**

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouts. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Barnie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth,

# FORTHCOMING KA WEEKENDS

---

Glasgow 2024

This will be held at 140 Renfrew Street G3 6RF

**This is being held May 16-19th.**

Again a few will stay and host it in an Airbnb while others can plan their own accommodation nearby. Craig always lines up great evenings with curry (Haggis Pakora's all round) and other foods whilst we frequent a few bars in the evenings - you are welcome to take it or leave it - food and beers are not compulsory. It looks like being a well-attended event here with 16 already giving an early nod including , Jens. Geraldo , Seamus, Chrispy Bally, Cranners, Wadders, Colly, Gareth ,Rob Lewis, Bo, Morten, Fingers, Niel Humpy, Adie & Wynne

**First man definitely in is Craigins**

**Galway 2024**

This one will take place Oct 10-13th. Again this is held in Seamus's fantastic Seafront Seafood Bar & Restaurant with Bed and Breakfast for those that stay and local hotels nearby for others. Grab as much sightseeing as you can squeeze in (Salthill and Galway not far), however the food here is superb (Chowder, Mussels and Oysters on the menu), so are the staff and you really don't need to leave the place other than to go to bed if you don't want to. Despite it being a year away, we've nearly got close to a dozen coming along already.

Geraldo, Jens, Morten, Craigins, Timmy Dodge, Cranners Wadders, Colly, Gareth, Rob Lewis, Steadders, Danny B, Baddad & Fingers say they are coming

**First men in are Seamus & Dennis**

**Spring 2025 Back To Norwich**

**Autumn 2025 perhaps a London one could be arranged**

### **SOMETHING FOR EVERYBODY TO REMEMBER**

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

#### **ORDER OF MATCHES IS**

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

# MANAGERS NEEDED

---

A new year and a new super dooper offer for you to takeover a new team and guide it to success. Feeling generous so for a short period you can takeover a new team AND get £100 of free credit How can you reject that.

Come on now especially those laggards who run just one or two teams, get yourself properly involved in Kickabout

## QUICK LEAGUE

---

*You could plump for Lady Park in the Messi fast turnaround league. Mid-table third division.*

---

## TOUGH LEAGUE

Or get a big kiss from John by taking on rock bottom **Desert Isle Utd** in the Veterans, just about to start another season here

## SPEEDY TURNAROUND LEAGUE

Or you could join the happy throng playing in the **PREMIER** league. Take control, of the mighty **Sunderland**. Totally ruined playing wise by the heavy-handed Trotskyist that was the Councillor. Now being looked after by Fingers, so heavily in debt. A real challenge for the masochists out there but have something to work with.

By the way, of all the postal leagues the Premier is the fastest turnaround so something to work with on a speedier basis

Oh by the way we also have two sides in the  
drake that have ten million plus in the bank  
though third divvie sides in danger of relegation

# CONTRACTS UPDATE

---

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

***We suggest that you always add 1K to your bids***

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
