

Rob has been waving his Sicknote again claiming not fit enough to write this newsletter. We had considered asking Mashcroft to step in and scribble one but the general consensus was that this would lower the tone of the Disraeli newsletter totally and a results-only one would be a better option totally so here it is

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league matches should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

There has been chat about the usefulness of the FWS player type. Some don't seem to realise his attributes. Personally I would always have a FWS in my side. Why. Well if he gets a shot then it has more chance of beating the opposing keeper than does any other player type. He also acts like a star in gaining you extra shots at times. Finally he can play in any position without loss of levels and without notably losing his effectiveness. Personally I always play him in midfield, especially if he is a star. Hoping that somebody will play offside which will double his lethality. FWS are king

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MANAGERS NEEDED

Got a few good teams free that might interest some of you out there.

Tribal Kings lay second in the second division of the Copenhagen league (email league).

They have not been managed all season so the computer has one a wonderful job with them. Have a couple of midfield specialists of almost star level and a young FWT coming on. Just need final push and tidying up to get into the top flight.

Royston Vasey of the Churchill league, lay sixth, have just won the league cup, have four top specialists, a DFA-FWT combo and a deadly FWS. The product of one of those nasty dropout people, they are a team in the right hands could challenge at the very top. Power skill and a young squad, glory awaits you

£30 credit to start you off both are ideal for those who have just one or two clubs to manage to bolster their stable??

Ugle Betis of the Disraeli league, since Danny Smith did the dirty on us all by leaving KA to incessantly pump iron in a dingy Huddersfield GM, most would have thought that with no manager Betis would sink like a stone. But they haven't and with three games to play are locked together with the mighty Comp at the top of the first division. Scaring the renowned Warwick mightily. What a team to takeover then>

Newton, the come back kings, former winners but in the doldrums since their last triumph, see off the **Shakespeare** to lift the trophy once again. Stars will abound for them no doubt. Congrats to Mr Cranfield, showing acumen with an unbeaten but close season to pip current champs the **Ramsey**.

Down go the **Wellington**, slipped badly from second spot last season. A win in their final games was far, far too late to save them.

Mr Hails had already won division two and promotion for the **Raleigh** Four seasons since they were at the top of the pile. But at the bottom the **Churchill** go to the **Nelson** to get a goalless draw which keeps them up and sends down the Nelsoners.

Only needed a win for the **Jackson**, and they duly got it to leapfrog over the **Livingstone** and gain promotion

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
