MARKING

Forwards if you use last season's marking numbers then you will be
for AND if guilty the result of the game will either be reversed or decided

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

The Ben White or Seamus Coleman style player, that often adds the duties of a flying winger to his defensive play. They have a number of abilities that make them very valuable indeed, but tend only to be able to use these talents if they have the chance to ease up on their defensive duties.

If their team is on top of things, they are much more likely to have an important role in the game than if they are constantly under pressure.

They play in a similar manner to WG's, unlocking an opposing side's Offside trap by breaking on long runs from the back, and only providing the final ball when the Offside trap has been defeated. However, they occupy a certain amount of 'space' on the pitch and the front line must have the room to accommodate their runs forward. DF/A's also tend to be thwarted in their runs in playing in the same team as a Winger, as they often find themselves getting in each other's way when chances to attack appear; a team can play with a maximum of one DF/A and one WG, two WG's or two DF/A's.

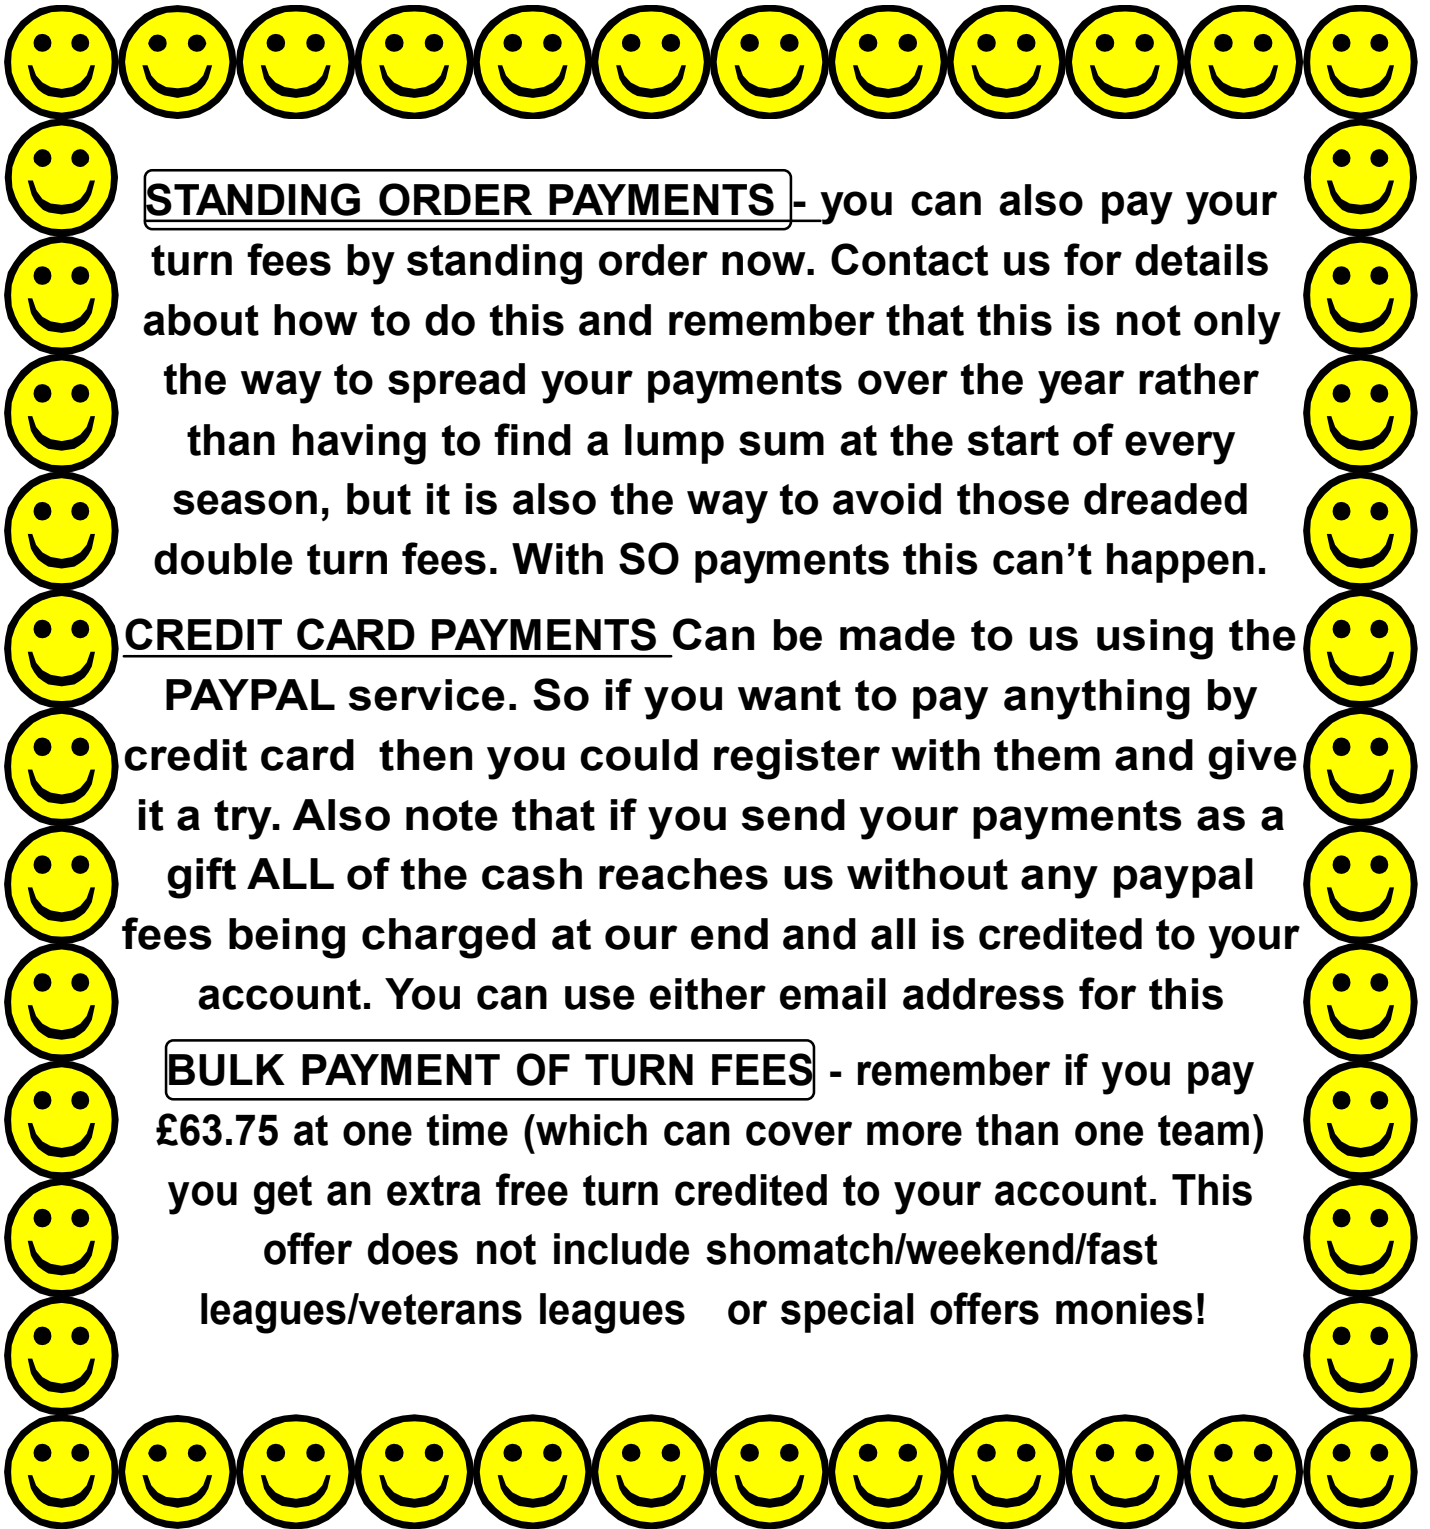

If a side has two WG's and a DF/A then the DF/A will simply perform as a normal DF.

If the opposition plays a WG, then the DF/A will be able to cut down his contributions to the game, by blocking their runs that will try to unlock HIS team's Offside trap if played. In effect the DF/A always marks the winger.

In all cases, the benefits a DF/A can give to your attack are dependent upon the game itself, and cannot be predicted from your team selection. If a team plays with five FW's anyway, then the DF/A will not have space to play as he wishes, and hence be ineffective. The same goes for the side that plays with a DF/A on both wings, and has four or more FW's in play also. No side can use more than two DF/A (as for WG's), and any WG's in the same team will disrupt the DF/A's game.

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Becuae of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by

MY TEAMS

This is a new section where managers get to write something about their teams. A team you love, a team you have had success with, a team that frustrates you, anything, even a team you had in the past. We don't want a novel just a few lines or so about that team. Have asked the newsletter-writers to start the ball rolling, but open to all of you?

My Most Frustrating Team (by Dave Hails)

I have many teams across the leagues. Some of them I am really happy with, some are really frustrating, and some I just don't understand what is going on! Some are challenging for honours, others are in various stages of rebuild. But the team I am currently most frustrated with is AFC Europa in the Raleigh league. Tipped to do well this season, they are currently bottom of division 3 with no wins in the league yet. The start of the season was OK, dominating matches, but struggling to get shots on target. Then the injuries kicked in! 7 injuries so far, in 6 session. 7 injuries, and none of them training injuries. They were all incurred in matches - so all involved lost levels and players unavailable. Time and again, I have been unable to field my best team, because of injuries. Aargh! Oh well, I think I have them all back fit again now - at least I will do once I've dealt with the potentially career threatening injury to my SBY! Now all I have to do is train them to actually get shots on target. It's a bit like watching Brighton play! Lots of possession, but no end product.

GM - another Brighton supporter, nuff said, keep on trucking Mr Hails

The Rise and Fall and Fall of Cinema FC (Montgomery) -Cranners

I started playing this game in 1995 when I met a guy called Graham Steadman in a new job. His brown envelope got me curious and as we both loved football, I was hooked. I'd read the Montgomery newsletter from back to front on the train to Brighton, I knew who managed every club and knew all the players in the Internationals! My team was Cinema FC, and as I gradually learned the game, they got better, went fully P/S and within a couple of seasons I won the UEFA Cup with them (edging out Tommo at Thomoslavia in the Ramsey). They didn't win the league but we went close. Then, we spiralled downwards to Division Three. They really are my worst non-star team, about 3 or 4 stars only since about 1998 - crazy. I've tried to turn them around but season after season, we've not got any better. We had a crowd walkout one year which damaged the finances further and without cash the squad is looking more desperate than Colly after finding out last orders had already been called 20 minutes ago. They are my first team so will never be dropped but I'm still looking for something magical to happen for us to start making the long road back to Div One seem possible.

GM - One of the iconic KA chants comes from Cranners, 'I ain't got no stars'!!

MY TEAMS CONTINUED

Don't cry for me Argentina - Wadders

This is a thank you script and not a pity blurb and I want you to know help is available.

For those who don't know I got attacked by travellers when I had just joined a new job and was still in probation. They shattered my leg which took three years of operations as it was completely smashed to smithereens. The surgeon did well.

With no income for ages and my flat to maintain I went on a very bad downward spiral and was found by my parents as a dripping wet ten stone shell of myself. They sold my flat which just about paid for the debts and took me in and nurtured me back. Therapy and my favourite drug Citalopram helped me.

To cut the sob story short I missed 15 years of Kickabout. You have all welcomed me back with open arms which I was nervous of before I sent an email to Chris. You have all been fucking amazing and I half wuv you all even Morten and Jens.

You lot are seriously amazing and don't even know it. I am now in a very happy place and all you guys helped massively.. Thank you all of you cunts..

On a side note I am now retired so if anyone is feeling bad they can call me on 07510 260566 or call the Samaritans on 116 123.

Cheers Wadders (I am in all of your debts and half wuv you)

GM - See you can recover from adversity and be a Wadders!!!

My Favourite Team - Purple Hearts (Livingstone)

- Neil barrett

Although I've had Brutal Maniacs since 1987, I never really had many teams in the 1990's. I had The Psychedics in the Churchill for a while and a team in the Mountbatten briefly but by the early 2000's, I was down to just the Maniacs again. In 2003, I finally bought a PC and discovered the joys of sending and receiving turns by email, a real time saver. I decided to take on some more teams, the first of these being Purple Hearts, a dreadful team, rock bottom of division 4 in the now defunct Palmerston. I've taken on some pretty ropery challenge teams in later years but trust me, Purple Hearts were a disaster zone. After a couple of seasons of clearing the decks, they were ready to begin their rise. Three straight promotions followed, with goals galore flying in, with one highlight being beating the then invincible Martino 3-1 in a cup, in a season where they didn't concede a league goal all season. Everything was set for a division one title challenge but then the Palmerston merged with the Livingstone I was placed in division 3 in the newly merged league. Two further promotions immediately followed, meaning Purple Hearts had enjoyed five successive promotions _ that has got to be a record surely! Unfortunately, starring and ageing did not go well in recent times and after a few seasons they were relegated back to division two. To my surprise, they bounced straight back and to even greater surprise, they are currently top of division one, despite being one of my weaker teams. It won't last I am sure but they have given me a lot of fun over the years.

GM - in the pantheon of top managers Neil must be up there with Cranners and Wadders for this effort with the Hearts

Cliftonville 'til I die. A Ka anecdote - Colly.

In Clifton we trust and today lads we talk about my first KA love and Seamy's favourite team Clifton Reds.

My first team in the early 90s, they go hand in hand with Aero not so force and will always be my favourite team.

This goes back to the Wath glory years, when Gerrard didn't look like a bin dipping tramp and Brutus was still wearing denim shorts. Won a few things over the years but never quite reached the heights after that bar steward Molloy ripped me off for my 18 year old mfad. I shit you not, he was spawned from the devil even then, and like Jens and Biteswell I'm taking the credit for building the mighty Lutterworth empire. To paint the picture, Seamy and I will never forget the headline 'Ace in the hole' as I purchased said young all purpose to glorious fanfare. I think it was session 2, first season. Correct me if I'm wrong Shampbap.

This was when KA was fun before Cranners came along and ruined everything. I also remember Seamy and I playing agg each other that same session in a friendly which I won 3-1. Suck it Seamy - we'll not mention you beat me in the league.

Andropov was his name and naive Colly didn't quite understand what an all purpose was and what a predator looked like. Enter Darth Molloy whispering sweet promises and great treasures, as I foolishly swapped my ace in the hole for a couple of 19-10s. To this day the worst deal I ever done in KA and a sliding doors moment for both clubs. I take no credit nor pleasure in creating such a monster. I could go on for hours about my beloved Clifton Reds but hopefully this gave you a smile, I still run them and will never give them up, especially after Chris gifted them a lifetime membership.

This is an ode to KA and the many memorable moments it's given me over the years. Long may it continue and bring back Tommy Thomas. Mon Reds!

GM - Colly is such a keen Cliftonville supporter and when they got to the final of the Premier league Eufe trophy he was

My First Team Started From Scratch (Gladstone) - Criag Lawton

Way back in the annals of time when Cranners was still in his 30's and Gareth was wearing double denim the Gladstone league was formed and I set up my first team from scratch and called them **Sun Inn**. The name came from the first Sunday league football team I joined. It was also the pub where my mate had a summer job which resulted in a lock in one night which I can barely remember but the scene in the house the next morning was akin to The Hangover, although thankfully without Mike Tyson's tiger.

I had already cut my teeth KA wise in the Mountbatten with **Glasgow Bangers** (now the Wellington and **Steelcity Hawks**) so decided to try my hand at starting a team from scratch. A poor first season resulted in a short stint in Division 4 for season two. Was this planned? Probably not, but it worked out ok with three promotions over four seasons resulting in being a Division 1 team for the beginning of the 1994-95 season. Those were the days when **ICI Bolton** (what a lovely fella Pete Brooks was) and **Selsdon Utd** (whatever happened to Pete Curran?) ruled the roost in the Gladstone. A couple of 3rd places followed but in 1998 **Sun Inn** won the first of their nine (so far) Division 1 Trophies. There have been plenty of Cup wins too including a Cup Winners Cup victory over the mighty **Dakin Utd** however, success in the Champions Cup has alluded this team.

Sun Inn remain one of my favourite teams to this day and this season is going well so far but there's a long way to go. Hopefully a return to qualifying for the Champions Cup will be a reward from this season and another tilt at the Champions Cup will follow.

(GM -Pete Curran turned into an arrogant yuppie. KA wasn't good enough for him, a la Martin Dakin. Pity!!)
