THE PROSPECTS

1

As per normal it is **Dakin Utd** to the fore though ageing is going to catch up with them one day Watch out though for a challenge from promoted **Carlisle City**, a real challenge here growing methinks.

Great season last for **Royston Vasey**, and they will have another good one this time I think though getting a challenge at the top will be beyond them. Don't forget **Neptunes Novices**, now under the command of a dedicated manager at last, and with so much cash to spend, you never know.

Down at the bottom two teams stand out as going to be in the proverbial. **NFL Franchise** have gradually eroded over the last few seasons and absolutely no reason why the trap door shouldn't

close on them this time at last. Promoted **Belvoir Rovers** might also test their mangers acumen if they are to stay up.

2

Division two looks ultra close and it is impossible to really select anybody to dominate. Though you have to say that **NMAC Utd** are by far the best of the crop, though a tiny squad has got to be fleshed out a bit if they are to fulfil their promise. Same could also be said about relegated **St Andrews**. The mangers seems to want a small tight squad, but again injuries etc., could torpedo his hopes if it isn't improved. For the rest it is all pretty much banal and all to play for.

At the bottom I would put **Clean Foxes, Ultra Milan & AFC Djelibeyi** in the naughty box . All could be in trouble, but really a good buy in the auction, a decent transfer deal, a bit of acumen and promotion could be anybodies as could relegation.

3

One teams looks a bit better than the rest in the third and that is **Mercury Rovers**. They are a bit ahead of the likes of Peterboro & Malwinka. The former really need to think about the age of their squad though if they are to get promoted successfully

Plenty of trouble at the bottom. managerless **Rivendell** look in dreadful trouble, as do **FC Stroubeards**. Both **Ironopolis & Mirus Marvels** , look as if this is going to be a long season of struggle coming up.

4

In the fourth two teams could well be going to lead the way. **Reel Elvet** appear to have the best chance of leading the charge, and have a few quid to send to improve the side, while newly-named **Bodo FF** could be their best challengers. The rest might be fighting for third spot.

Bringing up the rear, well, looks like it could be a very close competition for the bottom spots Teams with a bit of money like **Stockport Devils & Reigate Albion**, might be able to improve their positions, but the likes of **Beddgelert, Wellham & Elementals** are going to have to pull something out of the bag I feel.

MANAGERIAL CHAIRS

DIVISION FOUR

Lancashire are now called **Bod FF**

THE REPRESENTATIVE LEAGUE

Almost relegated again the board terminate Heathies contract and turn to NEIL HUMPHRIES in the hope that he can perform some of his league magic on the rep squad

THE CHURCHILL AWARDS

Manager of the Year goes to Neil Humphries A treble trophy win and you cannot argue with that can you. (Boringly again)

The **Most Improved Team Award** was won by **NMAC United** though Little Moscow ran him close

The **Performance of the Year Award** went to **Dakin Utd** for his treble though there were quite a few other exploits that gathered votes

The **GMS AWARD** Seamus has given to **Royston Vasey**, quite a stunning league season especially at home.

Finally, the **Fair Play Award** was shared by **Newark Forest & Rivendell** picking up only 4 DPP all season long

INTERNATIONAL TROPHY TEAMS SEASON TWENTY

ENGLAND - Paul Sutton NORWAY - Hugo Allen
GERMANY - Scott Abraham AFRICA - Dave Hargraves
ASIA - Pete Condon SCOTLAND - Paul Hudson
EIRE - Paul Butler ITALY - Richard Barnsley
PORTUGAL - Niel Humphries USA - Dave Hails
ROMANIA - Paul Stevens WALES - Simon McAuley

The groups for the International trophy will appear in S1 news ready to start S2. remember that there is an extra fee for playing on the International scene, which is £7 and that this will be deducted from your account on S1 so please ensure that you have enough in your account to cover this won't you THIS TURN!! As usual now, ALL International managers, on the basis that they travel about the country more and see more players, will earn a free SUPERSCOUT for their club team in the league on S1. A pretty big bonus indeed.

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that

there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, **plus extras depending upon the division your team competes in in the International trophy.**

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today

CHECK YOUR START-UPS

Please check your start-up credit balance NOW. If there is anything wrong with it then let us know NOW. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say TOUGH. YOU HAD YOUR CHANCE. So CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!

we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.

OCTOBER KICKABOUT WEEKEND

Yes another VKA weekend is planned, and a new venue and city. So from October 8th-11th this year we will be hitting the sin bins of Glasgow to try out Glaswegian hospitality

This has all been arranged by Craig Lawton who has worked his fingers to the bones to all rally round and don't let him down. The hotel has been fully renovated in the last few months and seem very welcoming

Craig tells me beer is much cheaper in the are and there are places to eat on Thursday evening, Friday and saturday the bright lights are only a taxi drive away The hotel is £60 per night, but not only do we get full breakfast but they also provide us with a cooked lunch on Friday and saturday which can't be bad.

Photos of the hotel will appear her in due course. To book your place you don't have to contact the hotel, just tell Craig who has all the bookings arranged. **{NB, if you want to attend then you stay at the hotel unless you are a local!}**

GO ON TAKE THE CHANCE THOSE WHO NEVER COME ALONG!

JUST £40 for a weekend of fun

Craig Lawton, Niel Humphries, Graeme Miller & Andy Baker are the first takers
