# RESULTS SESSION SIXTEEN

## ROUND UP TIME

Surprise draw for **Ayell** means that the **Colts** pinch runners-up spot from them. Still a tense close game in the Cup provided Adie with a second piece of silverware to end what can only be called a very successful season.

Safe at last are the **Wizards** as they win and rivals for the drop **SHrimp**, lose. No doubt the Covers manager will bellyache again about his luck, Paul O'Moaner methinks!!

manager **JENSEN** was stuck up a tree I am told, romancing a crow as he failed to run up for his final game of the season. The team lost without him, but he still goes up as only rivals **the Greeks**, lots out in a nine goal thriller in their game.

Still The Crandad will be happy as his **les Ferdinand** mob gained promotion. Can he stay up there this time is the question?

# AUCTION PAGE

**The transfer deadline comes  
into operation at the end of  
Session thirteen**

## **ROLLING AUCTION LEVELS**

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

## **AUCTION NOTES**

NOTE From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box, **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY,** as well as ticking the relevant DON'T SELL box in teampick **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY,**. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM if there is a problem!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

**In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item.** However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

**LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!**

## SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

**FACEBOOK - kickabout online**

**and Twitter**

**Online Kickabout**

**and remember the KA web-site**

**www.Kickaboutonline. co.uk to see the goodies**

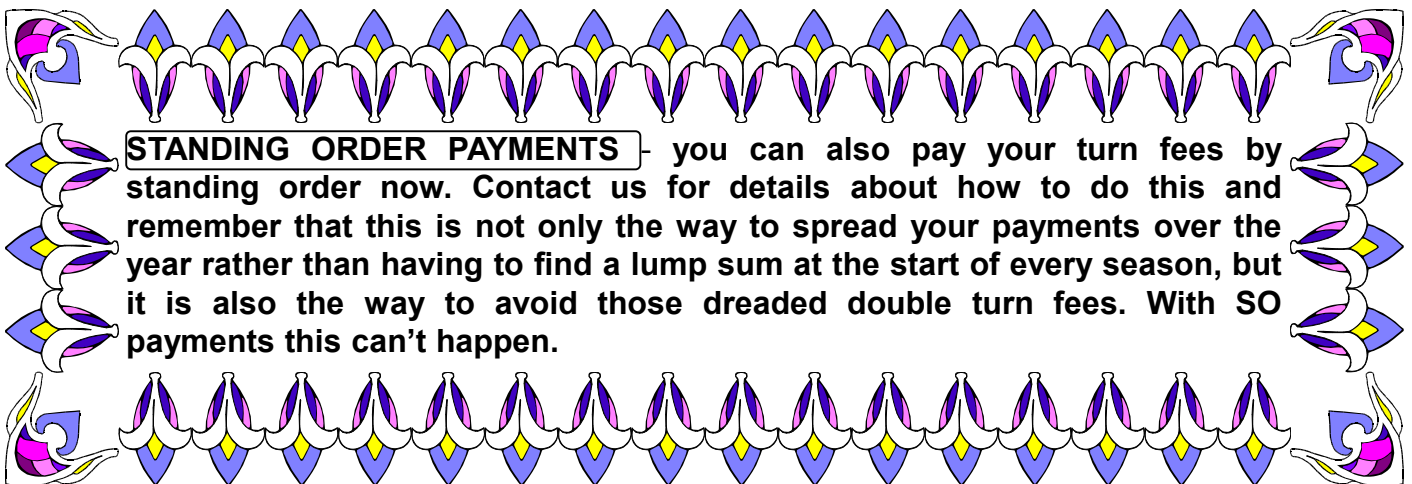

## CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

**You can pay by card/paypal through our new web-site**

**kickaboutonline.co.uk**

**Payments can now be made via paypal on our chris.spelbinder@btinternet.com address only.**

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

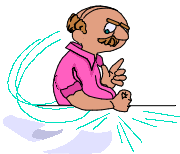

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

## THE MUCH MALTREATED DF/A

After much discussion with the KA fraternity at large we have decided that from the end of this season DF/A's will qualify for getting the best defence bonus just like SW & DF do. So DF/A's are even more important a player.

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier

New 2014 version now available at  
<http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe>

## THE NEW TROPHY SCHEDULE

With three divisions now the trophy has had to be rescheduled.

From now onwards it will start in Session eleven and be played each session until the final on session fifteen (no replays in any rounds).

Session eleven will consist of the bottom eight clubs sin division three playing.

In round two on session twelve the other division three clubs and the bottom eight in division two will all come into the competition.

Hopefully Paul will, put a new fixture list on the teampick web-site so you can update teampick

## TEAMPICK

Teampick is a program available for all PC owners who have windows on their machine. It allows you to manipulate your team on screen to look at differing formations and conditions. This automatically works out the factors which will affect your team, helps prevent errors, and all sorts of things into the bargain. It also prints out your team sheet, and you can then get the program to format an Email team sheet for submitting instead of the normal order sheets, if you so choose. The program also has an on-line rulebook, i.e., you can dial up the relevant section of the rulebook at the click of the mouse and read that part of the rules while selecting your team. If you can't remember how the weather affects things, when your captain moves onto an extra level, or the formulas that govern transfer negotiations and marking, well just ask the computer! Subscribers also get a .kik file which upgrades your team details every session as well making it even easier for you. Even better news is that the program is FREE to all players who sign up for Shomatch.

Finally, you'll find some other goodies that are useful to a keen player on the teampick web-site, while Paul has now released V1.25 for the new season which will allow you to use teampick for int/rep games and generate the proper teamsheets as a result for sending into us.

**REMEMBER WE DO NOT ACCEPT TEAMPICK ORDERS PRODUCED BY ANYTHING OTHER THAN VERSION V.1.25 KICKABOUT MUSINGS & MEANDERINGS**
