

## WYCOMBE'S WORRIES OVER?

**Wycombe** have made steady, if uninspiring, progress over this season to keep their heads above the relegation zone but I do sense that they may have finally turned the corner this session with a hard-fought away win against a good **Inter Walls** side that were, granted, missing a couple of players through injury. Things couldn't have started any worse for the visitors as they conceded a penalty in the very first minute which was duly converted by INTENSE but they dug deep and not only found an equaliser on the stroke of half time but took the lead just after the restart through LASHACK's clinical strike from 10 yards out.

**Inter Walls** replied with the equaliser in the 73<sup>rd</sup> minute and the game looked like it was heading for a well-deserved draw score until defender MILLER scores with 7 minutes remaining to ensure that **Wycombe** take all 3 points.

Elsewhere in a table that's beginning to look more and more like a 3 horse race, all the 3 top teams took maximum points with **Sprout** giving **Daggers** a master-class lesson in football both home and away recording 12 goals scored and none conceded as the footballing genius known as SPUDEYESASHCINS scores a hat-trick in both games to do all the damage.

**Club Paradiso** somehow only manage to score 1 in their game against **Spiritus Santos** but it is enough to give them all 3 points nonetheless as woeful finishing lets their opponents off the hook and manager PRESLAND must have been thanking his lucky stars that he wasn't playing against better opposition in this one. This win coupled with another, more impressive, but still fortunate 1-0 win over **Inter Walls** sees them stay very much in contention for the title.

However, neither of them could make any ground on **Botafogo** who always looked comfortable in their first match away against **Toto Albini**, a late goal from HEKLAR finally putting the game beyond any doubt after defender CROUCH had given them an early lead. A much more impressive victory in a tricky tie against **Saints** helps them maintain their place at the top of the division. **Botafogo** completely dominated this one and showed what they are capable of producing in footballing terms as they ran what is a very good **SAINTS** side, ragged at times and only a stunning performance from **Saints** 'keeper RAS kept the scoreline down to 2-0.

At the bottom **Immortals** fired a warning shot at the clubs above them, starting with a tremendous victory against fellow-strugglers **Borussia Wigan** as they dominate this one. A goal after 35 minutes sets them on their way and with their tails up, they took the game to their opponents, rounding off an impressive 3-0 victory with a late freekick courtesy of full back CLANCY and it was only a combination of poor shooting and poor 'keeping that stopped them drawing level with **Borussia Wigan** on points as they stumble slightly against bottom side **Spiritus Santos** in a game that they should have won comfortably but **Santos** took their chances, few and far between that they were, while **Immortals** squandered shot after shot and were lucky in the end to grab a late equaliser.

Still, a four point session for them isn't bad and judging on this week's performances, they look like the only side amongst the bottom 5 possibly who may be capable of pulling off an escape this season, if only manager THOMPSON could find a way to stop his side leaking quite so many goals?

## SUNDERLAND GOING UP?

One of the in-form sides in the second without a doubt at the moment are **Sunderland**, who finally seem to have found their feet in this division as they move up to 3<sup>rd</sup> and, perhaps a little too far off the pace to make serious challenge for the title, the teams above them shouldn't feel comfortable quite yet I feel? Lucky, perhaps, you may say that they faced a **St Helens Town** forced in to playing youngster NELSON in goals with mainstay 'keeper MARCELA out through injury, not to mention sweeper ZEUS DEEWATER suspended, they still created chances to win it while keeping a clean sheet at the back and they scored 2 goals which perhaps no 'keeper would have saved that day to take all 3 points in their first game and with a second victory against **Aqua Sulis** in a game that perhaps could have gone either way, giving them maximum points this

session **Sunderland** are on a roll and may be difficult to stop as the season enters the final half.

**Sofia** and **Centurions** are both locked in a titanic battle for the title still and with neither side looking in the mood to give any ground, this one is going to go all the way down to the wire. Both teams faced mid-table sides this session, **Sofia** took on **New Caledonia** while **Centurions** faced **Hawtonville** in what were two potential banana skins as neither side were going to make this easy but **Caledonia** were certainly hampered as they had club captain and 'keeper DEV suspended for this one and although they tried to protect youngster FOX as much as they could, **Sofia** simply took advantage of this and piled forward at every opportunity to test the youngster.

It still took them 30 minutes to break through a very stubborn **Caledonian** rearguard but once they did, the flood gates opened and they ran out comfortable 4-0 winners in the end.

# KICKABOUT NEWS

Meanwhile **Centurions** faced a **Hawtonville** side who also had key players missing and although **Hawtonville** still tried to make a game of this one, they found their opponents too strong on the day as the **Centurions** were in no mood to be denied. Goals from midfielder SHEEP and a glorious one from fellow midfielder LITVENENKO either side of half time were enough to see them comfortable 2-0 victors.

**Trujillo** have also kept themselves in the hunt with a 4 point session, firstly taking 3 points in an impressive victory against **FC Crazy Town**, a single goal enough to separate the 2 sides here but a well-deserved victory nonetheless as they dominated in front of their own fans.

They were held in their second game by a stubborn and quickly improving **Loftus Olympics** who came for the draw and manager CRANFIELD got his tactics spot on in this one. Compact and organised, they frustrated **Trujillo** time and time again and although created little themselves, this was never the plan and they get the result they came for.

We saw a different **Olympics** in their game against **Snowdonia** as they pushed for the win in this one. A reasonably balanced game as far as chances go, it was perhaps the difference in quality in individual players that was telling here as **Olympics** convert their chances and although **Snowdonia** pulled one back with 30 minutes to go to make a game of it, **Olympics** were always in control and deserved the 3 points.

## JITTERS AND STUTTERS AT THE TOP

A different story in the 3<sup>rd</sup> this week as the top 4 sides can only manage to pick up a single point anywhere out of their 2 games apiece. This gave **Marseille** an opportunity to make some ground and boy did they grab it with both hands as they jump in to the 3<sup>rd</sup> promotion spot with a 6 point session. Even with a couple of players missing, they were far too strong for **Dragon** in their first game, putting 3 past them with no reply.

They faced **Dragon** again in their second game, this time away from home and perhaps the display here was even more impressive than the previous one in front of their home fans although **Dragon** did manage to score in this one and were, albeit briefly, ahead for a little while but **Marseille** came storming back in to it in impressive fashion as they equalised through DOBRIN as he volleys home.

Further goals followed throughout a second half completely dominated by the visitors and midfielder DJORKAEFF wraps it up with 5 minutes on the clock as he cheekily lobs the advancing ASIF to make the final score 4-1 to the visitors.

Mid-table **Burnden Villa** also had a good session, taking 4 of a possible 6 as they comfortably beat lowly **Hendon Gooners** by 2 goals to nil before recording a credible 1 all draw against

high-flying **Forest Island**. **Forest** deservedly took the lead after making all the early play as SIX smashes the ball in to the back of the net with a powerful header from a wicked, curling cross but **Burnden** kept shape and kept plugging away and just before half-time were rewarded with a free-kick in a dangerous position which forward FINLAY duly converted to draw the home side level.

**Forest** continued to push for a winner and were indeed the better side going forward but good defending kept premium chances to a minimum and the game ended with the 1-all scoreline still intact.

**Burnden** have probably been a little inconsistent this season and perhaps are better than their current position of 7<sup>th</sup> might suggest but BROOKS seems to be getting there and if ORANJE can be developed further this season and kept fit ready for next season then they may well do much better come next year.

Lower down the table, **Hutnik KS** also had a really good session, putting some much needed daylight between themselves and 10<sup>th</sup> placed **Hendon Gooners** and although there is still a long way to go, I am tempted to think they have done enough already to survive in the 3<sup>rd</sup>. They took a valuable away point in their first game of the session against **FC Porto** and I can't help thinking that if they had been slightly more adventurous they may have ended up taking all 3 but that's easy to say with hindsight and it was still a good result nonetheless.

Their second game was a tough one against derby opponents **Edoras** and even with home advantage you felt they were going to struggle here but a pumped up **Hutnik** took the game to their opponents from the off and scored after 3 minutes played when midfielder MONIUSZKI cracks home a loose ball. A strangely subdued **Edoras** didn't really get going in this one and the **Hutnik** players seemed to sense their opportunity as they played with more and more confidence, scoring a second inside the 20 minute mark to make the game safe.

## HARLEYS FLYING HIGH

In a very tight 4<sup>th</sup> division, it is **Harley's Heroes** who are starting to stand out from the rest as they record their 10<sup>th</sup> and 11<sup>th</sup> victories of the season this session with an impressive win firstly over **Sleeping Woods** being followed up with a demolition job over the hapless **Western Raiders** who perhaps sensibly, decided to blood a few youngsters in this one as they sensed that trying to get anything from this game was always going to be a futile gesture.

Two easy games for **Harley's** you may argue? And yes, I would have to agree but you can only play what's in front of you and a 17 goal tally in 2 games is still an impressive haul whoever your opposition may be.

# KICKABOUT NEWS

Again, I am going to stick my neck out slightly here as there is still much of the season left to play but I have to tip them to retain top spot for the rest of the season and see them go up as champions.

**Sleeping Woods** showed more gumption in their second game against **Purley Kings**, perhaps stung by the result of their first game, they seemed much more determined to put on a show for their home fans in the second and put in a spirited performance which saw them actually slightly edge this encounter.

They certainly created more chances than their opponents despite the 5 man attacking formation that the **Kings** played with and although they didn't really do enough to win it, manager BUTLER must still take some heart from this performance as his players showed that on their day, they can compete with almost anyone.

Apart from **Harleys**, arguably the only other top half side, along with **Sandwich Town**, to have a decent session were **Horizon** who took 4 points this session to see them move right in to contention for a promotion place. A rather drab goalless draw against **Purley Kings** as both sides effectively cancelled each other out, was followed up with a more heartening performance against **Walsall Town** who did well to keep the scoreline down to just 2. **Town** came for the draw but even that was going to be a big ask today and, although it needed an own goal from midfielder STORRI to make the game definitely safe for **Horizon**, they were always in control and good value for money in this one as they creep up to 4<sup>th</sup> and are in with a definite shout this season.

A stunning performance by **Flowserve** 'keeper DMITROV stops **Thor's Hammers** dead in their tracks and the early optimism at the club has quickly evaporated over the last few sessions. Despite a clever offside trap being employed by **Flowserve**, the **Hammers** made enough chances to win this comfortably but DMITROV was in spectacular form and denied them time and time again while **Flowserve** showed their opposing strikers how the job was done as they took their chances with aplomb to record a fine 3-1.

**Thor's** for some reason just haven't been able to turn the obvious creative flair they have in the side in to meaningful wins and perhaps they are suffering a little from having 11 individuals rather than 1 team ala a certain Man Utd we all know and hate?

This session's results sees them fall closer to the bottom of the table but I am confident that manager STEVENS can turn this around in the latter half of this season.

## UP FOR THE CUP

### Quarter final replay highlights

\*\*\***Botafogo** put the pretentious minnows **Ulpha Rovers** well and truly in their place with an emphatic 5-0 victory and any sniff of a massive cup shock is well and truly extinguished. Goal of the game was KINNEAR's magnificent 30 yard piledriver which summed up the gulf in quality between the 2

sides so sadly, **Rovers** bow out but can take some pride in their cup run this year as this result now sets up a mouth-watering semi against **FC Sprout\*\*\*Daggers** have better fortune in the cup than in the league this session but were still made to work really hard to overcome a spirited performance from **Purley kings** who gave it everything but a powerful strike from MONTPARSNNE was enough to settle this one\*\*\*

## LEAGUE CUP

### Semi-finals

#### SAINTS LEAVE IT LATE

#### DAGGERS 2:2 SAINTS

An enthralling cup tie lived up to all expectations between these 2 sides. **Daggers** take an early lead before their opponents really had a chance to settle down but then had to hang on a little from then on as **Saints** started to dominate this one but somewhat against the run of play, they then score a second after half an hour played as, catching **Saints** on the break they flood forward in numbers and a deep cross meets the head of defender COLLINS who nods home a simple header.

Two nil up at half-time and manager BARRET must have been thinking he could take a substative goal difference in the second leg and this looked more and more likely as, despite almost constant pressure from the **Saints**, the **Daggers** goal seemed to be coming a more and more elusive target as time marched on but **Saints** then do manage to pull one back on 73 minutes as JOUBERT flicks in a near-post cross to reduce the deficit.

Some frantic defending from **Daggers** sees them hold on to their lead and manager BARRETT must have been thinking, "2-1, I'll take that" as the 90<sup>th</sup> minute approached but a last ditch, desperate effort from **Saints** pays dividends as they hoist a long ball upfield, **Daggers** fail to deal with the bounce and PAYNSTAYZ flights the ball in to the top corner, apparently injuring himself in the process as he sinks to the floor as the ref blows the whistle for full-time.

### NOT SO STRAIGHTFORWARD

#### FC Sprout 1:0 Borussia Wigan

Many people, myself included, could have been forgiven for expecting this game to be a little bit of a walkover for **FC Sprout** as they took on 1<sup>st</sup> division strugglers **Borussia Wigan** but it was anything but as a feisty **Wigan**, who perhaps feel they have something to prove came out swinging. Set up to frustrate, they certainly did that as they hustled and bustled all day long to close down and rush **Sprout** who found it hard to deal with the lack of space and time but **Sprout** have always got enough quality to produce and chances and so it proved to be once again although it took them 80 minutes to do so.

A lovely through ball from the back allows midfielder BRITHDIR to break the lines and surge forward and he has enough composure to lob the ball over the advancing VALDANO, who hadn't put a foot wrong all day, and in to the back of the net.

# KICKABOUT NEWS

It wasn't all good news for **Sprout** though as manager SMITH was forced to substitute star man KJAER half-way through the second half and the prognosis isn't good as it looks like he may well be unavailable for the rest of the season and with **Sprout** facing a tricky away tie to **Wigan** in the second leg, not too mention **Botafogo** in the cup, this one piece of news could have a massive impact on the club's aspirations this season.

## TRANSFER TRAILS

Not much happening in either the open market or the auction this session. In the open market, **Horizon** move on the dynamic duo of winger BUNGLE and target man SAINTS as BUNGLE goes to **Saints** for a nice, round mill in replacement for the outgoing DEMPSEY while SAINTS heads for pastures new in a deal with **Dragon** for forward HUGHES.

In the auction, winger DEMPSEY finds a new berth at **Inter Walls** who judge their bid to perfection, while a maiden bid of just 455 takes sweeper BAK DOR ROBBIE to **St Helen's** who are probably hoping he gets enough games in in the remainder of this season to see him regain his former fitness levels.

Much more interest shown in the possible talents of mystery player LUBI-LOUB LEWIS, **Harleys Heroes** gambling an impressive 1489k to get him but will he improve their squad? Meanwhile midfield general CRAIG O'MOANER goes to **Edoras** who are probably hoping much the same as **St Helen's** where fitness levels are concerned.

## MANAGER OF THE MONTH

DIVISION ONE: goes to manager READ of **Wycombe Wanderers**, perhaps a little bit of joy forthcoming in the second half of the season

DIVISION TWO: goes to manager CRANFIELD of **Loftus Olympics**, edging ever nearer to second division safety

DIVISION THREE: goes to manager SMITH of **Hutnik AS**, 3<sup>rd</sup> division safety beckoning

DIVISION FOUR: goes to manager LAWTON of **harley's Heroes**, starting to stand out from the rest.

## AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelev in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

**In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item.** However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

**LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!**

## ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

---

---

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

## SOCIAL MEDIA

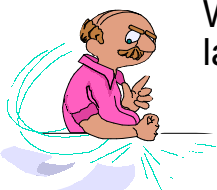

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

**FACEBOOK - kickabout online**

**and Twitter**

**Online Kickabout**

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

**You can pay by card/paypal through our new web-site**

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

## KICKABOUT SERVICES

**MAILING** - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

**ALL EMAIL** - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

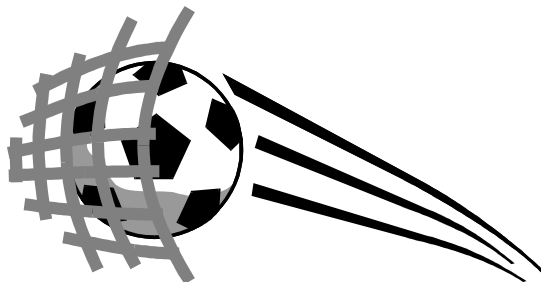

**TEAMPICK/ SHOMATCH/ MARKINFO** - all the info you need for these programs is at - [www.Teampick.co.uk](http://www.Teampick.co.uk)

**NEW WEB-SITE** is now up and running, [www.Kickaboutonline.co.uk](http://www.Kickaboutonline.co.uk) to see the goodies

**MARKING INFO** - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

## BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

## NORWICH WEEKEND IN MAY 2022

Another KA weekend has been booked for 13th-15th may next year in Norwich.

### NOTE LATER DATE

SO why not put it in your diaries NOW, and make it a bumper weekend in a really good environment me hearties?

The Norwich Hotel is where the action takes place, book direct

Cost to us is a measly £40

First takers are Steve Thompson, Richard Pickup , Chris Moore, Niel Humphries , Andy Baker, Paul Butler, Dave Craven, Seamus ,Graeme Miller , Neil Barrett (ALL PAID)

**Jens the Jensen, Geraldo ,Paul Sutton & Colly say they are coming along**

## AND MORE

Further weekend are tentatively planned

GLASGOW 2022

ODENSE MAY 2023

Geraldo, Jens Baby, Hopless Seam, Colly & Morten say they are coming to Glasgow

Dave Hargraves says he and his son are coming to Odense as are Geraldo, Jens & Seamus

**Currently this Glasgow weekend is on hold as we look for another venue as the hotel have tried to screw us over**

## PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

**Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.**

I have some ideas about how to use this stat in the future so watch this space

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side
