SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

## AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelev in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

**In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item.** However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

**LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!**

---

---

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

---

---

## MANAGER OF THE MONTH

Division One Goes To Read Of **Bristol Rovers**, good session in a dissappointing season to date

Division Two Goes To Presland of **Newark Harriers**, an important victory against rivals for promotion Romsey

Division three goes to Hargraves of **Gutter Press** fans in ecstasy, three win session wow!

Division Four goes to Smith of **Videtonians**, trebles his number of league wins for the season

## SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

**FACEBOOK - kickabout online**

**and Twitter**

**Online Kickabout**

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

## **CREDIT CARD PAYMENTS** Can be made to us using

the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

**You can pay by card/paypal through our new web-site**

# KICKABOUT BITS

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

## KICKABOUT SERVICES

**MAILING** - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

**ALL EMAIL** - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

**TEAMPICK/ SHOMATCH/ MARKINFO** - all the info you need for these programs is at - [www.Teampick.co.uk](http://www.Teampick.co.uk)

**NEW WEB-SITE** is now up and running, [www.Kickaboutonline.co.uk](http://www.Kickaboutonline.co.uk) to see the goodies

**MARKING INFO** - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

## BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

# KICKABOUT BITS

## PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

**Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.**

I have some ideas about how to use this stat in the future so watch this space

---

---

## KA MUSINGS & MEANDERINGS

Perhaps time to revisit the much under-used Sweeper position. It became apparent when the estimable BAK-DOR-ROB appeared in every international squad even though only a level seven. Obviously not enough people have sweepers. Ok they are expensive to train but don't forget they have a dual purpose at the back. Not only do they add their levels to defence in most circumstances but any shots given away are tested on them before they reach your keeper.

**In some respects they cut down your defensive tactics and formations but this along with the fact that they are the only player who can help to nullify a FWT/WG-DFA combo, easing some of the burden that this combo puts on your defenders. Without a SW this combo can cause havoc.**

**So don't forget the sweeper he might win matches for you played in the right manner.**
