CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. (www.paypal.com). Also cash is now paid to us in sterling which should help to lower the costs.

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

Would all managers please note that two trophy games should be entered as CUP games in your teampick orders. That session we had some as league 3, others as league cup and some even as friendlies. Make sure you have downloaded the Messi fixture skeleton form the Teampick site and that you use the fixture option in Teampick!!

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

Via this I will now be keeping everybody in touch of what has happenned during the day and what leagues have been sent out plus other goodies

The Pundit Has His Opinion

This was a very strong first division last season, with four, even five good teams. Will it be the same again next season? Well, I think it will. I hate to say it cos he continually seems to be able to shoot himself in the foot with his strong and cash rich **Ayell** side, but I think **Adie** is gonna be the man to beat this season. Challenging him well **Primrose** could make it a third successive title, **Globes** are going to be up there and watch out for the **Spuds** making a challenge well. All I can say is that it will be very tight again.

At the other end of the dungheap **Brecon Warriors** look on their way out, **Havering** have much to do to survive this season I think and looks like another season of toil and trouble for the **Dag at IB 2301**.

In the second will if you can pick a winner then you are a better man than me Gunga. Perhaps **The Greeks** might have the edge while the cash rich **Techno &** promoted **Defcon1** have the finances to improve their teams enough to be in the promotion mix but it is going to be a tight division I feel.

Could be the same at the bottom. Both **fallen Angels & Leodis** appear to need big rebuilding jobs just to survive, while **jersey Boys & old Steine** look as if they have lots to do not to be in the relegation mix.

In the third division I hate to say this but looks to be as if **Jensie** and his **Vipperood** maulers will lead the way Behind him it will be a bit of a dogfight I believe. **Brecon** might emerge from the pack and bounce straight back for the **Wynne** if he spends that warchest wisely and watch out for the dead cat bounce with the **Wizards** & another effort to get out for the **Mighty**. but will be close here.

Might seem strange to say but with an overblown and woefully weak squad I am tipping **Shropshire Stars** to make their mark this season. I should be tipping them for being down among the deaders, BUT the second richest side in the league behind the **Ayell**, you have to think that they can buy a team very quickly this season to make a challenge rather than being down at the bottom with the likes of **Sci-fi & Bermondsey BM**. We shall see.
