

THE SHERBET DABBER AND HIS SPANNER

Steaders **Amazonas** might only have secured one point against the much more superior **PSV Loftus** but I'm sure he'll be ever so pleased to do so, particularly as it ends Cranners hopes for sneaking the title this season. Post-match Cranfield commented, 'that little sherbet dabber has thrown his spanner into the master plan of Cranners' before wheeling away to the club bar where he would no doubt confront the little fella who still believes Beckham is the best player in the world! As for the game, Loftus should have won, 19 shots to 0 - shocking I say and all with WASHINGTON missing and man marking that worked a treat - random numbers this game.

At the bottom, a heavy defeat for **Abbey Road** at **Burnham** allowed **Blackpool** to close the gap to safety with a gritty hard fought win at home to **Zeldatree**. A very close game where striker SALASAN scored the only goal, heading home from 5-yards following a HAGEN corner. Victory came at a cost though, CLARKE out for at least 3 weeks and winger DANNEMUND missing the next match. Ouch!

Defeat for **Vino Villa** at **Wanderers FC** looks like it has sealed their fate. They were equal here though, but the early goal from GOLAS was the difference. By the time manager Scottie had entered the field of play to clap the fans at the final whistle, most of them had departed, however one freckly faced kid who had remained held up a banner that said 'show us some spunk'. Nuff said.

SEAMY CHASING KP'S TAIL

The promotion battle looks like it may go to the wire in the 2nd with **Galway** and **Newark** now battling it out for the last promotion spot. Deserved wins for leaders **Bispham** at **Tooting** and **Ajax** against **Red Castle** look to have secured those two a place in the top division next season. **Newark** played early ahead of **Galway's** game and welcomed **Vegan City** with both managers opting for a diamond set up despite the muddy conditions. Cooncilla sported a nice pair of shorts as always (x/x/tight) whilst KP opted for the Ron Atkinson look, sheepskin coat, leaning up against the dugout for most of the game, growling. He looked confident though and his players showed it too; in control throughout, testing LEILA when the opportunities came. Not long into the 2nd half and RICALO settled it, thrashing home from 18-yards. Another step closer to Div 1.

Seamy's **Girlies** played the evening game as their match had to be switched due to flooding at the Pearse Stadium from Storm Eunice. They ended up playing at the Galway Greyhound Track where some stadium workers worked manically to erect goals and sort out makeshift dressing rooms. Due to a clash of kits, Galway had to opt for the Trap 6 Black & White strip but they came out of the traps so fast and were 2 - 0 up within 10 minutes. The first goal coming on 2 minutes

when PADRAICIN nodded home. The **Ferencvaros** players were apparently caught watching a furry rabbit shoot round the track (actually it wasn't til the 38th minute that the caretaker could be found (in the bar) to switch the little bunny off and I'm sure I've seen that little pink thing for sale at Anne Summers). Shortly after the first goal, KIRA stuck his foot out to nudge the ball home after the visitors made a dogs dinners of clearing the ball in a goalmouth scramble. Galway were cruising from there on in only for BIRO to keep them out time and time again. Seamy's players completed a lap of honour at the end, although navigating the jump down the back straight proved a little bit prickly! Still all to play for.

At the bottom end, **Manchester** win at **Southport** to move themselves away from trouble but for the rest it was defeats all round apart from **Two Rivers** who bring themselves closer to the pack. Battle Royal down here until the last game also.

BLACKBERRY AND RYL BATTLE TO AVOID DROP

With **LA Crimewave** and **Sirmione** now cast a little adrift at the bottom, it looks as though one of **Blackberry Rovers** and **RYL Arsenal** will join them in the 4th division next season. Both had winnable games this week, Blackberry visiting **Hathershaw** in 7th spot but with only 1 away win all season and Hathershaw

fairly consistent it would be a tough ask; however with 5 key players missing from the home sides' starting line-up, there was a chance! With only 3 goals on their travels the fans didn't hold out much hope and once again they failed to find the net, rarely getting into the oppositions box. Hugo Allen's makeshift side faired a little better but they also never looked like scoring and it petered out to a 0 - 0 which helps neither side.

So a chance for **RYL Arsenal** to close the gap and they entertained **Dutch Courage** who were suffering from injuries also, YOKO a big miss for them that's for sure. It couldn't have started worse for Reid though, as PALADINOV and BARDI scored in quick succession on the half hour mark to give RYL a mountain to climb. Lawton was off down the touchline on both occasions doing his Klopp impression, though it's possible a hamstring may have blown in the process. RYL soon started to make amends though, seven minutes later DRAGANSKI played a lovely through ball to TRACYNSKI and the winger coolly slotted home. Half time cuppa, riot act read I'm sure, and straight after the restart DRAGANSKI levelled it up with a clever lob from outside the box. SOUTHALL scrambling back but just not quick enough here. Cue a few moans from the O'Moaner King I'm sure, though Dutch look well safe now and the 'old boy' can start thinking about plans for next season and new world domination.

HUDDERSFIELD 5, 0-0'S 5

Absolutely no doubt which game from Div 4 was going to appear first on Div4 Match of The Day; the only game that contained any goals! Yes, that's right, the shot shy goal shy 4th division gave us 5 goalless games to feast upon. Oh my, I need to lay down; the excitement of it all is too much for my pacemaker! So it was Danny Smith's **Huddersfield FC** to the rescue, and he didn't disappoint. Banging in 5 goals at **NJF Athletic**, who did score two themselves, albeit courtesy of Huddersfield having untested youngster WALTER MITTY in goal. Even when Smithy consigned forward striker FLO to defensive duties for the day, he took it upon himself to burst forward at every opportunity and grabbed himself a hatrick; each time running back past the manager and blowing raspberries! The result moves Huddersfield up towards Brighton Expo who may be feeling the pressure now and guarantees their promotion.

Lowfields FC and **Sporting Porto** will contest the last promotion spot. They both have some tough games to come but the crucial match is when they meet on Session 15. Could be a winners takes all game by then.

UP FOR THE CUP

Semi Finals

TOMMO REVEALS SNOOZE-FEST GAME WAS RIGHT UP HIS ALLEY

Ferenghi 0 - 0 Berry Brow Utd

Two lots of diamond, two lots of man marking, two lots of managers hoping to sneak a 1 - 0 win, which all adds up to two goalkeepers with very little to do! 52,000 fans bereft of voice, starved of entertainment, though I did hear the catering sales were up 30% on previous cup semi-finals. Tommo's boys had the edge though, only just, but of the 9 chances created, only a couple ended with the keeper easily catching the ball. I'm not sure what is going to give in the replay. I expect more of the same which may well suit Berry gaffer Condon as he will probably hope for penalties as his best chance, unless he changes his midfield man marking to a more dangerous player!

MAFIA DAG ALL IN

Burnham Down 1 - 0 Abbey Road

I've often criticised managers for throwing games against Burnham Down, but not here today. Oh my, the hitman Mafia Dag was putting as much into this game as any game he's played in the past few seasons. Aggression by the bucket loads, motivation too, in the hope that they could fashion some chances to test the champions. When Burnham keeper GRETSKY got a red card on 20 minutes for handling outside the box, Abbey's expectations were raised further. However, for all they tried, including some man marking, they just couldn't get hold of the ball and Mansell's boys created chance after chance. 35 attempts on target, but with PAVILHO on steroids, nothing was getting through. That was until the 79th minute when a shot deflected of RIISE and JIGILO JENSEN was on hand to poke home. A cruel blow to Abbey, but on the balance of play thoroughly deserved.

BOWLING ALONG

Semi-Finals

BUTTS KEEP BRUTUS AT BAY

Wandsworth Town 0 - 0 FC Groovus

'See you next week young man' was the experienced Butts comment as both managers shook hands at the end of a 90 minutes that saw Groovus sit back, GK/SW combo, and soak up the pressure, and they had to even more when VALDEZ got a straight red for his two-footed

KICKABOUT NEWS

Fosberry-Flop tackle on BALTIK. In truth, the pressure wasn't exactly relentless but it was enough to keep Groovus away from any thought of springing a counter attack. With Groovus employing a strong back line, Wandsworth general PUKKI managed to add extra weight up front but it was all to no avail as it ended goalless.

KP RUES DEFENSIVE OPTION

Newark FC 0 - 0 Vino Villa

Play defensively was the order of the day for Newark and it proved to be the one thing that prevented them from winning this at a canter. A great offside trap, well worked zonal marking, coupled with some error strewn marking by Double Spunky and a strong defence - all the ingredients for a rout, except they were told to hold back and only push forward when it was safe to do so. The outcome being 4 shots when it could have been 20. Vino Villa manager will know he go away lightly here and may need to rethink his tactics and marking if he is to win this one at the replay!

TROPHY TRAILS

2nd Round Highlights

Glenfabba FC edge past favourites Huddersfield on a penalty shoot-out winning 4 -3 after BACUNA puts his penalty wide. **Huddersfield** slightly on top here but keeper GREEN never looked in trouble. ^^^^^^^ A couple of injuries for **Dutch Courage** prevented them from fielding a full side against **Womble** and when the home side put out a strong midfield and forward line you felt Dutch might struggle. However, they more than held their own and were ahead twice before three late goals sealed a 4 - 2 home win for Humphries men. ^^^^^^^ One-way traffic for **Red Castle** as an attacking line up puts managerless **Llanelli Lions** through the mill with the scoreboard ending in double figures. ^^^^^^^ **Real Scorb** hold Matron's **Dynamo Tooting** goalless throughout the 90 minutes, with SCORBANA and SILLA keeping it tight at the back, but they run out of puff in extra time and BODOR and BURTON seal the win for Lewis as he returns from sunny snowy pastures abroad to the damp muddy world of KA winter footy. ^^^^^^^ **Real Remmigel** just about get past lower division opponents **Sporting Porto** when CORJONES HIERRO bangs one in from 35-yards shortly into the 2nd half. If

Porto manager Wells hadn't opted for a defensive option here, he and his side would be in the draw for the quarter finals! ^^^^^^^ A cracking little tussle between the HMRC wallers as Bad Dad goes to Fingers ground intent on giving him a whipping!!!! ?but comes away with a 5 - 4 win instead in a game that had heaps of entertainment. The **Boleyn** boys had to come from behind twice early on to go in 2 - 2 at the final whistle but they edged ahead after this and **Lancs** were chasing from there on in. Great match. ^^^^^^^ **Newport Pagnell** are all over **Blackberry Rovers** and the final 4 - 0 score line was well deserved. Good man marking and 6 last ditch tackles set the tone and when they finally went ahead on 40 minutes, there was only one winner.

TROPHY

Quarter-Final Draw

Real Remmigel vs Boleyn Boys

Red Castle vs Southport Kews

Womble Town vs Glenfabba FC

Newport Pagnell vs Dynamo Tooting

I'm opting for the four home sides to go through but there's plenty of chances of upsets here for sure!

TRANSFER TRAILS

A couple of 19 year olds are the only private deals on offer as managers finalise their sides for the run in. From the auction, well a host of goodies bought, including that dodgy kiddy passport that Cooncilla Miller snaps up for £2.2m!

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **Colly Wobble** of **Blackpool**, for a great derby win. Map reading is not his strong point but fighting is. He ain't down yet!

DIVISION TWO: goes to manager **Read of Two Rivers**, working his magic this week with a cracking 5- 4 win.

DIVISION THREE: goes to manager **Bad Daddio** of **Boleyn Boo Boys**, 'where's my brown envelope KA and cash prize' - he'll have to settle for the £50k MOTM award instead.

KICKABOUT NEWS

DIVISION FOUR: goes to manager **Hudson** of **Glenfabba**, might only be two draws this week but against higher placed opposition and a penalty shoot-out win it deserves some reward.

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level tvelev in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

PLEASE NOTE THAT UNLESS YOU
SUBSCRIBE TO TEAMPICK/SHOMATCH
THEN YOUR TEAMSHEETS WILL
ALWAYS BE SENT OUT BY POST.
EMAIL TURNS ARE ONLY SENT TO

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

KICKABOUT BITS

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

KICKABOUT BITS

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

KA MUSINGS & MEANDERINGS

Perhaps time to revisit the much under-used Sweeper position. It became apparent when the estimable BAK-DOR-ROB appeared in every international squad even though only a level seven. Obviously not enough people have sweepers. Ok they are expensive to train but don't forget they have a dual purpose at the back. Not only do they add their levels to defence in most circumstances but any shots given away are tested on them before they reach your keeper.

In some respects they cut down your defensive tactics and formations but this along with the fact that they are the only player who can help to nullify a FWT/WG-DFA combo, easing some of the burden that this combo puts on your defenders. Without a SW this combo can cause havoc.

So don't forget the sweeper he might win matches for you played in the right manner.
