RESULTS SESSION TWO

AYELL LEAD THE WAY

ROUND UP TIME

Ayell forge to the top, can anybody stop them this time or will it finally be their season?

Look at the bottom of the first division, who is that just above the bottom rung. Would have believed this a year ago that **City Colts** would be in the relegation zone? Temporary aberration or a turn of the tide and years of struggle ahead?

Defcon1 look as if they could be going to make it a second successive promotion season as they seem to be dominating the second division with eleven scored in three and none conceded. Let's hope the manger is looking ahead if he does go up.

Just missed out last time **Clifton Mighty** seem as if they might do it this time after a goodly start to the seasoan that sees them locked at the top of the third with the free scoring **Brecon Rangers**. LOOKS TO ME AS IF THAT PUNDITO GOT IT JUST ABOUT RIGHT DON'T YAH THINK XX

AUCTION NOTES

NOTE
THIS
WELL

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box, **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY**, as well as ticking the relevant DON'T SELL box in teampick **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY**,. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM if there is a problem!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

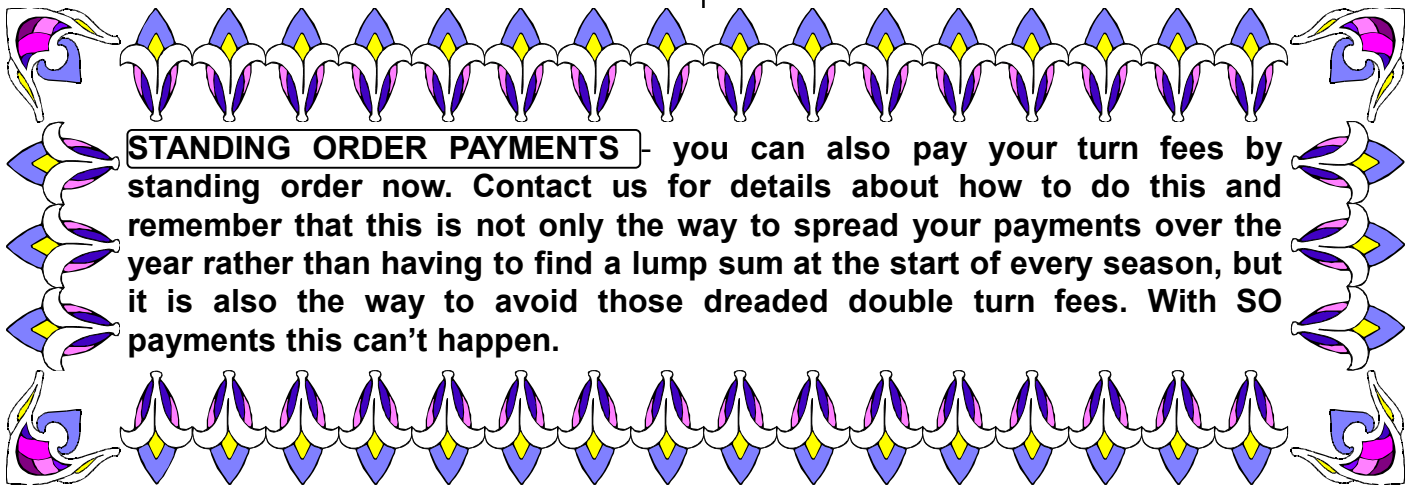

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline.co.uk to see the goodies

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

THE MUCH MALTREATED DF/A

After much discussion with the KA fraternity at large we have decided that from the end of this season DF/A's will qualify for getting the best defence bonus just like SW & DF do. So DF/A's are even more important a player.

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier

New 2014 version now available at

<http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe>

THE NEW TROPHY SCHEDULE

With three divisions now the trophy has had to be rescheduled.

From now onwards it will start in Session eleven and be played each session until the final on session fifteen (no replays in any rounds).

Session eleven will consist of the bottom eight clubs sin division three playing.

In round two on session twelve the other division three clubs and the bottom eight in division two will all come into the competition.

Hopefully Paul will, put a new fixture list on the teampick web-site so you can update teampick

KA MUSINGS & MEANDERINGS

Perhaps time to revisit the much under-used Sweeper position. It became apparent when the estimable BAK-DOR-ROB appeared in every international squad even though only a level seven. Obviously not enough people have sweepers. Ok they are expensive to train but don't forget they have a dual purpose at the back. Not only do they add their levels to defence in most circumstances but any shots given away are tested on them before they reach your keeper.

In some respects they cut down your defensive tactics and formations but this along with the fact that they are the only player who can help to nullify a FWT/WG-DFA combo, easing some of the burden that this combo puts on your defenders. Without a SW this combo can cause havoc.

So don't forget the sweeper he might win matches for you played in the right manner.

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on our chris.spelbinder@btinternet.com address only.
