# RESULTS SESSION FOURTEEN

## ROUND-UP

One hand on the trophy again now for **Primrose** as **Real** continue to drop points under the pressure of the Condon machine. Even worse for Adie Wills they could be piped for second by **Newsome FC**, who are closing in on the **Ayell**.

At the bottom **Fralka** crawl out of the bottom three as they pick up a point this week. However, drawing at home to relegated **Brecon Warriors** is a bit of a blow I feel. A win here and the pressure would really have been on the **Colts**. As it is one point between them and all to play for.

In the second a win for **Old Steine** puts the bottom three down I would say. While at the top it truly is neck and neck between the **Terriers & Shrimp Cove**. Nothing between them with three to play. Rest now out of the picture.

**Mistique** slip out of the top three in the third as they lose to fast finishing **Park End**, who now are firmly in the promotion picture. Two points cover four teams here. Roll up roll up and take your chance

# AUCTION PAGE

**The transfer deadline comes  
into operation at the end of  
Session thirteen**

**IE NOW**

## **ROLLING AUCTION LEVELS**

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

---

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

---

## **AUCTION NOTES**

NOTE  
THIS  
WELL

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box, **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY**, as well as ticking the relevant DON'T SELL box in teampick **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY**,. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM if there is a problem!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

**In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item.** However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

**LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!**

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

## THE MUCH MALTREATED DF/A

After much discussion with the KA fraternity at large we have decided that from the end of this season DF/A's will qualify for getting the best defence bonus just like SW & DF do. So DF/A's are even more important a player.

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier

New 2014 version now available at  
<http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe>

## THE NEW TROPHY SCHEDULE

With three divisions now the trophy has had to be rescheduled.

From now onwards it will start in Session eleven and be played each session until the final on session fifteen (no replays in any rounds).

Session eleven will consist of the bottom eight clubs in division three playing.

In round two on session twelve the other division three clubs and the bottom eight in division two will all come into the competition.

Hopefully Paul will, put a new fixture list on the teampick web-site so you can update teampick

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO  
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS  
WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS  
ARE ONLY SENT TO TEAMPICK/ SHOMATCH  
SUBSCRIBERS

## KA MUSINGS & MEANDERINGS

With only a few exception or so, the Kickabout leagues have all been hard-fought and gone down to the wire to discover who finish as champions. A couple of walkover leagues but hopefully they will change. Is the closeness due to improve managerial acumen or just the law of averages finally killing the super teams?

## PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

**Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.**

I have some ideas about how to use this stat in the future so watch this space

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this
