Hope League - Session One

Season 6

RESULTS SESSION ONE

0-4 To The Lewis

IDEAS

Has **Brutus** really Awakened or is he set for deep slumber soon?

Are **The Force** back in some force after last season's disappointments?

Can **Han** keep shooting **First** There is no defence for **Smithy**.

Are the **Commandoes** more Powder puffs than fighters?

Henley hi Fives for sure

The **Park** is open

KA Ashcroft does a sweet double over God

Ton really are in the groove

Good luck to yea all!

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box,

NOTE
THIS
WELL

EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY, as well as ticking the relevant DON'T SELL box in teampick **EVEN IF HE IS ALREADY A LEVEL TWELVE STAR ALREADY,**. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM if there is a problem!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

AUCTIONS

THERE ARE AUCTION LISTS ON the following sessions (ie the items will appear for bidding on) 0/ 2 / 4 / 6 / 8 / 10/12

The transfer deadline also comes into play on S13.

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

| <u>SESSIONS</u> | <u>MIN LEVEL</u> |
|-----------------|------------------|
| 1 to 3 | 5 |
| 4 to 5 | 6 |
| 6 to 8 | 7 |
| 9 to 10 | 8 |
| 11+ | 9 |

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

KA MUSINGS & MEANDERINGS

With only a few exception or so, the Kickabout leagues have all been hard-fought and gone down to the wire to discover who finish as champions. A couple of walkover leagues but hopefully they will change. Is the closeness due to improve managerial acumen or just the law of averages finally killing the super teams?

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline. co.uk to see the goodies

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on our chris.spelbinder@btinternet.com address only.

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

**PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL
ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE
ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS**

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

THE MUCH MALTREATED DF/A

After much discussion with the KA fraternity at large we have decided that from the end of this season DF/A's will qualify for getting the best defence bonus just like SW & DF do. So DF/A's are even more important a player.

HOPE SEASON FIVE DETAILS

This season we will be using the normal snail-mail league schedule, thus there is a league game every session except for S1, 6,9,11,12 & 15 when there will be two league games.

The Cup

- S2** 1st round (bottom eight teams from last season)
- S4** 2nd round (4 winners plus thirty-two byes from 1st round)
- S7** 3rd round
- S10** Quarter-finals
- S14** SF
- S16** final

Replays are always in the following session extra time and penalties to decide.

The League Cup

See front page for fixture schedule

The two group winners with the lowest points total will play off on session six

- S8** Quarter-finals
- S12** Semi-finals
- S14** Final

One game. If drawn there will be replays on the following sessions (inc the final)

THE TROPHY

This will consist of twenty teams. All the third division along with the bottom eight of the second division as at the end of S10

- 1st** round is on S11 - bottom eight in division three play off (no replays)
 - 2nd** round is on S12 - sixteen teams (no replays)
 - 3rd** round is on S13 - eight teams (no replays)
- Semi-finals are on S14 - (no replays)
and so Final is on S15 with no replay

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info.

New 2014 version now available at

<http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe>

Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

FORTHCOMING KA WEEKENDS

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league match should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the tempick maestro will change this
