THE PROSPECTS

1

Looks like a tight 'un this coming season. Champs **FC Sprout** will be there again and I expect **Club Paradisio** to be in the mix as well. And to make it same again

Botafogo will be up there. Watch out for the **saints** coming back to the fore though.

Strugglers? Well the old boys of the **Immortals FC** are going to have it all to do while the Jones boy is going to have to show what he is made of I feel if **Sofia Utd** aren't to struggle in their first season back in the top division.

2

I feel that **Inter Walls** might bounce straight back after last season's relegation. Also **St Helens Town** could make a bid for the top flight after last season's disappointing season. But to be honest the rest are all very much the same. Difficult to

suggest anybody to challenge these two which at the bottom it is going to be a dogfight I think. Perhaps **Wymondham** might have the biggest problems, but

3

they do have cash to splash.

Well some of the third division sides look between than the second! **Harleys Heroes** should go straight through this division, while

Aethel Wulf look rejued to go with them. So do **Hendon Gooners**, who could well be going up.

Strugglers? **Hobbiton Town** defo, down **Butters** down again. Joined in the drop by fellow relegates **Loftus**

Olympics I would suggest, while promoted **Red Star Karova** might require some **Scottie** magic to survive.

4

Watch them **Chargers** Charge I say. I put them top of the fourth division pile this coming season. Well above the rest in this division **NLP-Redstox** have money in the bank and if spent wisely they could be up there as well, while the **Hutnik** boys could bounce back this time out.

Well, what's the Hails maestro doing at **Western raiders**. With that squad, threadbare, but very young he need to spend that warchest to do anything this season. Managerless **dragon & Sleeping Woods** really look as if they are going to have a poor season as well

THE REPRESENTATIVE LEAGUE

Pipped for promotion just, manager **Dennis Engsløv**. is confirmed in his post for yet another season. Get em up!

THE JACKSON AWARDS

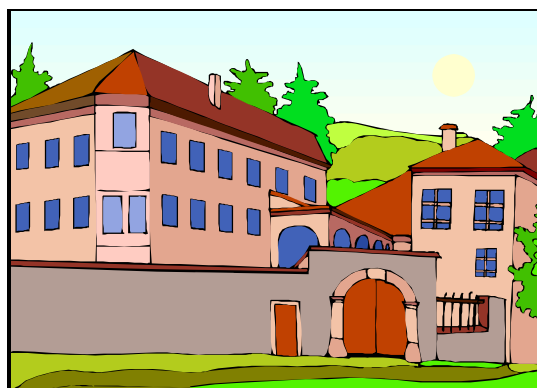

The **Manager of the Season** goes to **Danny Smith** again, overwhelmingly voted as THE MAN! How boring

The vote for **Most Improved Team** went to **Harleys Heroes**, overwhelmingly so.

Performance of the Season went to **Harleys Heroes** as well, three pieces of silverware cannot be argued with.

The Fair Play Award was won by **Snowdonia FC**, zero PPS (and relegation as well!!)

The GM's Award goes to **Barrett**, for reaching two cup finals

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that this has been deducted from your account this session. On the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERSOULT for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made

a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not. THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about

it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the

CHECK YOUR START-UPS

Please check your start-up credit balance NOW. If there is anything wrong with it then let us know NOW. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say TOUGH. YOU HAD YOUR CHANCE. So CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!
