### THE PROSPECTS

1

Well goes without saying that Super **Burnham** top team in Europe will be the team to beat this coming season again and cannot really see it happening. Cranners and the **Loftus** boys will do their best to stop him and both **Amazonas** & **Blackpool** will have good seasons, but one horse race really.

Two promoted sides in **Bispham** & **Newark** are going to find it hard as I think are last seasons' third-placed outfit **Ferenghi**.

2

In the second looks to me like it could be a Miller double promotion thrust with both **Vegan** & **Remmigel** looking good. **Galway Gaels** missed out narrowly last season and I think they might make it this time. Watch out for **Red castle**, cruelly dumped by Crandad, with a manager they are promotion material as well.

At the bottom well to be honest not much between them in what is really a tight division. If anybody **Zeldatree** might well have to look to their laurels.

3

I predict a real battle for promotion out if the third. **Sirmione**, **Brighton** & **Dutch Courage** are the pick I think but there are others who could well challenge given some acumen.

At the bottom **Midlands Heath** look in trouble, while **Newton Borough** & **FC Groovus** have it all to do to stay up I feel

4

Gonna pick **Sporting Porto** as favourites in the fourth. **Blackberry Rovers** might challenge, while if Mr **Barnsley** spends his warchest wisely then **Belle Vue** could upset everybody in this division, but will he is the big question.

Looks like a division of two halves honestly, top five or so, are a shade above the rest while the bottom six are much of a muchness. Will take some doing if the likes of **Athletic Lions**, **NJF**, **Real Scorb Ferguslie** are to be anywhere near the top half come seasons end.

### THE REPRESENTATIVE LEAGUE

Magic man they call him, as **CRANNERS** takes the second division by storm to earn promotion at the first attempt. Keep on trucking my son

### NEWTON AWARDS

**Manager of the Year** goes to **WARWICK MANSELL** by a country mile yet gain, three trophies. Congrats. Boring.

The vote for **Most Improved Team** was shared this season between **Brighton Expo**, **Ferenghi** & **Huddersfield FC**

**The Performance of the Year Award** went to **Burnham Down** as a result of their triple trophy-winning season yet again. **Even more boring!**

**The Fair Play Award** was won by **Shipston Rovers**, **DPPlless**

Finally, **The GMs Award**, goes to **Ferguslie Park**, Cranners reckons he is doing a fine, fine job here.

## INTERNATIONAL TROPHY TEAMS

WALES - Rob Scott

USA - Simon McAuley

ASIA - Rob Lewis

SPAIN - Martin Smith

ENGLAND - Dave King

ITALY - Warwick Mansell

S.AMERICA - Paul Hansford

PORTUGAL - Harry Wells

GERMANY - Richard Barnsley

NORWAY - Neil Humphries

EIRE - Gareth Ashcroft

FRANCE - Steve Wright

The International trophy will last all season with two groups of six, and then play-offs leading to finals in session 14. The groups for the international trophy will appear in S1 news ready to start in S2. Remember that there is an extra charge for playing in this tournament, which is £7 and that this has been deducted from your account on start up. As usual ALL international managers, on the basis that they travel about the country more and see more players will earn a free SUPER SCOUT for their club team, on S1. A pretty big bonus indeed.

# NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

## HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

## SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that

there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, **plus extras depending upon the division your team competes in in the International trophy.**

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

## THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

## POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

## **DOUBLE TURN FEES**

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today

we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority dammed well ought to!

## **A NOTE TO LIFE MEMBERS**

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or go on **ALL EMAIL** otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

## **MINIMUM PAYMENTS**

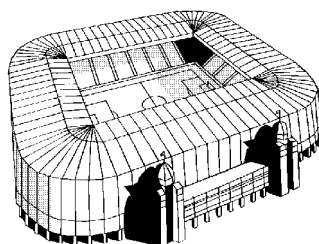

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

## **CHECK YOUR START-UPS**

Please check your start-up credit balance **NOW**. If there is anything wrong with it then let us know **NOW**. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say **TOUGH. YOU HAD YOUR CHANCE**. So **CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!**
