Hope League - Session Eleven

Season 7

RESULTS SESSION ELEVEN

ROUND UP TIME

I think we can almost give the division one title to the boy from Harold Hill after this session. **Hill Valley** go eight points clear and looking unstoppable.

Still a battle for second post though, to be settled, while at the bottom former champs **Han Shot** are looking in serious trouble now as all around them got a three-points this session while they didn't! The glory days are gone!!

Tight at the top in the second division \Three points cover four while both **Star Command & Gobaith** could conceivably get a hit in on the promotion battle with luck

Great session for **Ton-eighty FC**. Two wins and suddenly they fly out of the bottom three. Still very close here for sure.

First defeat for division three leaders **Wacky Racers** as they lose to **park Street**. However they remain well clear and setting the pace

Into second go **Memorial Park** as **Beverage Utd** continue to make things hard for themselves. What a battle here for sure with promotion hopes going all the way down to month (Beverage go from third to ninth this session.

Six games at home without a win **Migs** and then two come along together. SUTTON finds a way at last and in this topsy-turvy division they are in the promotion race as a result

AUCTIONS

THERE ARE AUCTION LISTS ON the following sessions (ie the items will appear for bidding on) 0/ 2 / 4 / 6 / 8 / 10/12

The transfer deadline also comes into play on S13.

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline.co.uk to see the goodies

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on either email address .

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

HOPE SEASON FIVE DETAILS

This season we will be using the normal snail-mail league schedule, thus there is a league game every session except for S1, 6,9,11,12 & 15 when there will be two league games.

The Cup

- S2** 1st round (bottom eight teams from last season)
- S4** 2nd round (4 winners plus thirty-two byes from 1st round)
- S7** 3rd round
- S10** Quarter-finals
- S14** SF
- S16** final

Replays are always in the following session extra time and penalties to decide.

The League Cup

See front page for fixture schedule

The two group winners with the lowest points total will play off on session six

- S8** Quarter-finals
- S12** Semi-finals
- S14** Final

One game. If drawn there will be replays on the following sessions (inc the final)

THE TROPHY

This will consist of twenty teams. All the third division along with the bottom eight of the second division as at the end of S10

- 1st** round is on S11 - bottom eight in division three play off (no replays)
 - 2nd** round is on S12 - sixteen teams (no replays)
 - 3rd** round is on S13 - eight teams (no replays)
- Semi-finals are on S14 - (no replays)
and so Final is on S15 with no replay

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info.

New 2014 version now available at
<http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe>

Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

FORTHCOMING KA WEEKENDS

ODENSE MAY 2023

now set for 11th to 14th of May 2023

This will be held in the lovely Danish city of Odense at Martin Meienburg's house. Those who came last time will remember what a great location this is and what a good time we all had.

The hotel we booked in at is called THE CABIN, which was perfectly acceptable though Martin tells me that there is a better class, though more expensive one called the Odeon now. But I will use the cabin, no problem

Martin & Neil Humphries are the first takers

Dave Hargraves says he and his son are coming to Odense next May as are Geraldo, Jens, Seamus, Graeme, Danny, Gareth, Rob Lewis, Bo the bike, Peter Jorgensen, Cranners, Dennis & Craig. so get your names down and let's show make this a really god un

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

We have a number of teams free in the **Veterans league**. This is a really challenging league to play in with the low amount of money managers have to play with and with a quick twelve session season. It therefore means you have to think very hard about team development and cannot buy your way out of trouble. However, players seem to enjoy the challenge and it should be more popular than it is. Therefore another special offer. Take over a team for the new season and we'll give you the seaosn free **AND AND AND** your next payment to any of your teams (one or more on same payment no problem) will get you double credit. Come on Jessies prove that you can take the challenge

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL
ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE
ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

MUTERINGS AND MEANDERINGS

Time to revisit the offside rules

- 1) Cannot be played if you play a SW as a SW
- 2) Cannot be played if you play diamond Formation
- 3) Playing offside reduces the shot chances of the opposition FWline, but you also need to have a stronger MF than them. If not you stand the chance of their midfield decimating you.
- 4) If your opponent has a WG or DFA in his team they can break down your offside trap, the higher the level of these players the more effective they are in breaking your trap.
- 5) The more players that the opponent has in their FWline the more effective (generally), the offside tap is, though many factors affect this.

Basically try not to play offside against a team with a stronger midfield than yours (in levels) no matter how strong his FWline might be. The offside tap can work well if you know your opponents team and plan accordingly BUT it can be a disaster if you don't . SCOUT and read newsletters to find out what he has
