

THE PREMIER LEAGUE

WYCOMBE WIN SEPARATES BOTTOM THREE

'Just what the doctor ordered' were Read's comments in his post-match press conference as his **Wycombe Wanderers** came out on the right side of a 7-goal thriller at Adams Park against **Sunderland**. The visitors certainly went for it with four up front and created plenty of chances, but Wycombe were more balanced and managed a few more attempts than the visitors. The home side were 2 - 1 up within 20 minutes, SARMIENTO opening the scoring early doors only for QUINN to respond, before ALX SAMUEL got his first of two to give them a half time lead. Not long after the break, Wycombe lost one of their dangermen as KEITH RYAN flew in two-footed on NIAL QUINN (some sort of Irish family disagreement I believe) and the ref pulled out the red card straight away. This should have been the chance for the visitors to get back into the game, but SAMUEL extended the home lead in the 63rd minute. Game over? Maybe not, 4 minutes later and O'NIEN brought it back to 3 - 2. Comeback on? Well not quite as it went mental in the 72nd minute with both sides scoring, Wycombe first. 4 - 3 then; 18 minutes on the clock to go; chances raining down left right and centre, but we didn't see anymore and it's a big big three points for Read here.

At the top end, they keep chasing KP but he is not letting up. **Leeds Utds** beat the 'B' side **Glasgow Celtic** this week; a comfortable 2 - 0 win but both teams played their best 11 and whilst it's a win and a defeat for KP, he won't be too happy at the long injury to JUDD. Still, the players got over that rapidly when the manager explained their reward was a trip to Cranfield Zoo to see the wiry-headed monkey's! **Luton** are now the only team who realistically can stop Leeds from wrapping up another title and they had a solid 2 - 0 away win at **Sheffield Wednesday**; Craig's mind perhaps focussed on Trophy Semi Finals.

Elsewhere, another very good win for Shay Moooose and **Everton**. 5 - 2 at **Wigan**; yes, the home side may be strugglers and relegation candidates now but there weren't many points between them at the start of the match. 5 men up front for Wigan, with three key strikers injured too; but every time they ventured forward, Everton countered, and they were caught out so many times. 3 - 0 to Everton within 30 minutes, game over essentially. With a couple of games in hand for Everton they could be pushing top 4 - nose bleed territory!

TWO HORSE RACE NOW

So whilst the 1st Division looks done and dusted, it's a different kettle of fish in the 2nd; though **Leeds City** have certainly put themselves in the driving seat recently. Two points clear of Liverpool now and with a game in hand the title is Hargraves to throw away (no pressure!). This week saw them easy 3 - 0 away winners at **Brighton**; the home side not offering anything and despondent that their manager will only be visible on Skype going forward; though at least they can turn him off when he goes into a shanty sing-along eh!

Liverpool kept up the pressure on Leeds; but only just! Scraping a 1 - 0 home win against strugglers **Darlington**. Manager Samson was extremely grateful to see VAN DYKE pokes the ball home with just 9 minutes left on the clock. Samson said. "It's not a 'Goodwin' but

it's a win nonetheless" - not sure what he meant by that!

Chelsea realistically threw away any title chance they had this week after a stalemate 0 - 0 with derby rivals **Arsenal**. The visiting manager said he was going to 'stock it to them' (you know what he meant the old dodger) and he did exactly that; parking the bus and soaking up what little Chelsea could offer, which was severely hampered when CHIESA was sent off early on; the feisty Italian putting his forehead to that of LUKIC.

Elsewhere, there was an excellent derby away win for **Newcastle** at **Crystal Palace**. The home side managers getting their wires crossed as to who was in charge this week and when neither turned up their players were unsure what the tactic was! This didn't affect the visitors though, some excellent man

marking of WYNALDUM and EZE gave them the upper hand a simple header from MICKEY QUINN on 20 minutes was enough to win the match.

PREMIER TROPHY SEMI-FINALS

HUDSON MISSED CHANCE TO EARN FINAL SPOT

CRYSTAL PALACE 2 - 2 WALSALL

So he may have to do it all again but **Walsall** manager Hudson will know they really ought to have put **Crystal Palace** out of their misery after dominating the game. That early strike from BOYCE, an easy side-foot home should have set the tone for an easy win but they got lazy and EDOUARD levelled it up on 35; flicking in a near post cross from EZE, the former QPR great, stolen by Palace. It gave Walsall the kick they needed and within 3 minutes were back in front as YOUNG FABREGAS played a quick one-two with GIBSON and rifled home. Hudson's half time comments would surely be just to remain focussed and the goals would come; the Brothers Grimm would be telling their guys to wait for the opportunity and take it when it arrived. It worked out for the latter, rather than the former as they soaked up the pressure and when Walsall began to sit back a little with 10 minutes to go BOBBY BOWRY broke free and slotted home under the advancing LLORIS. So a replay we have, more of the same perhaps?

SUTTON GETS A SEMI ON..!

ABERDEEN 1 - 0 CHELSEA

Aberdeen manager Lawton (aka Mr Cucumber Beer) showed the others how to get to a final with a solid display and some man marking to give them the slight upper hand against **Chelsea**. Both sides here opted for Diamond formations and both midfield generals were called upon to add their weight in the required areas. There was very little between the sides, perhaps Aberdeen just a little stronger up front but that man marking, whilst JESS couldn't handle FALCAO too well, KENDALL had DECO tied up all game. Defences were on top here and the closest anyone came to opening the scoring in the first half was when MCLEISH smashed a header against the bar. The only goal arrived with 20

minutes to go; a corner from STERLING, headed wide by EDDIE GRAY but deflected in by striker CHIESA. Chelsea manager STOCKS livid to know why the little Italian was guarding the back stick and no doubt convinced that having created very little here it would be difficult to get an equaliser. He was right! 1 - 0; Craig and his boys go through to the final.

EUROSPONDED

Due to an air traffic control strike all UK airports were closed down so the Euros had to be postponed. They will now be played on session fourteen. Sorry chaps (GM Dementia!)

MANAGER OF THE MONTH

DIVISION ONE: Lawton of Aberdeen. Rocking along on all fronts this week, and boy does he have some front that guy!

DIVISION TWO: Walters of Swansea City. Nothing like a big away win to keep the fans happy. Nice one taffy.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

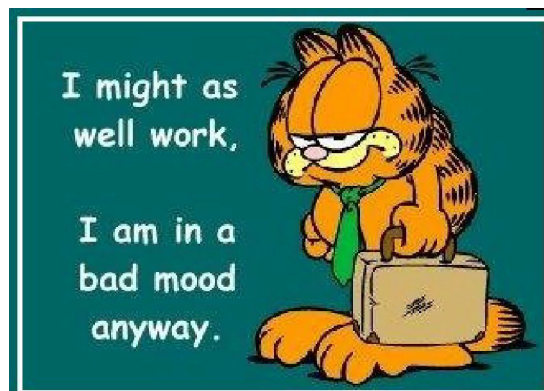

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just a quickie this time. Managers please remember when it comes to the end of the season all you have to do is to send in your new season start up sheet (preferably using the new season function in temapick). You DO NOT send in a blank turnsheet with coaching on it. THERE IS NO COACHING AT NEW SEASON

BULK PAYMENT OF TURN FEES - remember if you pay £63.25 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoo.co.uk. For others you do the same except put the league, name with Ka-infront of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

Premier Rules

This article is written for the several newcomers in this league and also as a refresher for the old timers of the league.

TEAM DIFFERENCES:

- ? 3 times rule: not applicable to the Premier. No team re-arrangement by the GM if one area is more than 3 times that total of another area.
- ? Minimum number of players in an area is reduced from 2 to 1 eg: 5-4-1. However the 5 levels given for the formation is only valid for the same formations as all the other leagues. **THE MAX however is still five in an area**
- ? Youth scheme: there is an enhanced possibility of discovering someone special.
- ? Player naming: naming must be relevant to the team and the position.

AUCTIONS

- ? Reduced auctions. Only auctions are on sessions 1+2 and 8+9.
- ? The auction criteria is for no MF specialists to be listed. Though the occasional add /A or /D has been known.
- ? Auction player bids must be named relevant to their club and position.
- ? You must state the correct and real nationality of the player else the bid is void.

EUROPE:

- ? The top4 of the div1 go through to play in the Champions League
- ? Cup finalists go in the UEFA Cup. If one of the teams is already in the Champions league then the best runner up takes the spot.

TIPS: Various long standing players of this league were asked if they were willing to provide a short piece of advice. Most either refused or ignored the request. There was allegedly a meeting of these managers which was so secret that not even News of the World could not sneak their hidden microphones in. The discussions centred around keeping the div1 an exclusive club. However 3 managers who would welcome new blood into the elite division have spoken out and here is their advice:

- ? Bolton Wands Peter Brooks: due to the lack of specialists in this division older players with special attributes are best kept and coached up.
- ? Leeds Utd David Hargraves: Youth Youth Youth.
- ? Luton Town Paul Sutton: ignore Dave Hargraves advice.

.AND FINALLY?????????. In the first season all teams had the choice of creating their new team with either a MF/G, DF/A, FWT, FWS, WG or UT. All teams except 2 chose the MF/G. These MF/G's are now aged 24.

NOVEMBER VIRTUAL WEEKEND

I have settled on a date for this. So you have plenty of time to plan and not book anything else.. Going to be on saturday the 18th of november.

FUTURE WEEKENDS

Spring next years looks like we may well be back in Glasgow

Autumn next year could be back in Sunny Galway

2025 back to Denmark perhaps, Copenhagen even

Fun, fun, fun, get them in your diaries

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
