

## Go big or go home

Well well well. Will the real Ade Williamson please stand up please stand up. This session Ade didn't just walk into a room and stun it into silence, he made everyone stop and clap.

Reason one - It was his wedding so the guests kind of had to.

Reason two - He cleft asunder the giant Craig shaped cucumber that is Tartan Terrors sending out the biggest shockwave since Colly o'dodgychicken ordered a diet coke

Reason three - He not only spent £99 on a wedding but 6m (yes 6m) on a brand spanking new plaything. time will tell if he's more Jude Law or Jude Bellingham

Elsewhere, there were tight games everywhere. Hopkins and Southland played out a dull affair that will only suit fantasy football managers who picked the big power ball winners on display

Great result for Polski to see off departing manager Danny Smith. No news on a new manager yet albeit our esteemed GM advertising them as being in the Jackson league may be a reason :)

City Blues continue to impress, this time a good away win at once powerful Janeiro. Not that the home team were well beaten and Steadman should be looking up (and not for the first time) the table than down

Another draw at Jaffa who say goodbye to Manager Humphries who is off to play Mister Mistofelees at the Bridgend Theatre, in a modern take on the musical Cats, described by critic Rhian Lewis as 'MMA meets hip hop'. Jaffa's new manager is Jack Presland who has taken no time in rebranding the club, 'brand is important these days. I respect them but managers like Woy Hodgson, Cranners and Lawton, well they're analogue in a digital age. My granddad has rebranded to Kaypee and now he's friends with Anton du Beke on Insta. Young up and coming managers like me and Morty Jensen - who I'm thrilled has just secured the job at Eastwood Forest in the Disraeli after years of mismanagement. He was up against Frank Lampard, so it was erm you know, a tough field'.

We wish Jack well and Morten too and hope the latter can reverse the years of poor ineffective mismanagement of such a famous club.

Big next 3 sessions ahead with lots of crucial games. The chasers will want to pin Xanadu back before Mr Game changer steps on to the pitch.

## Uk and Greece agree non extradition treaty to keep Cranfield in Greece

In a swap deal for guaranteed future cucumber exports, including overripe brown ones, Manager Cranfield had better get used to cheap lager, English bars serving watered down drink, egg and chips and Sticky Vicky tribute acts, as UK agree an extradition treaty to keep Cranners in Greece. Apparently holed up at the Brexit Arms drinking John Smiths and Tetley tea, rumours that the EU will intervene and extradite him as an unwanted alien are rife, as are rumours he was an innocent victim of a beer smuggling ring, centred around a Glasgow hotel room, leftover beer and a vacuous sac. Rumours of cucumbers and eggplants found in Cranners shed as 'training equipment' to help him hide the beer 'in his person' are believed to be true and not denied by man himself. 'oi oi saveloy. I can fit fackin loads in my guffer, its fackin huge like me calves you caaant. Free the Cranfield fackin One.'

All this hullabaloo distracted from a really positive point on the pitch for Cinema against leaders Stalingrad in a bad tempered derby game. Good point to build on for the eggplant boys.

Great results for Hayle Vikings ad PSV Gessle as they edge tight games that do no harm in cementing them in the top 5.

Belfast win again to claw themselves to the top, show their form isn't off the hoof and have one foot in division one. Can they be stopped? Don't gout against it.

Kudos to Central Select who continue their unbeaten run, can they turn those draws into victories to help secure promotion in a v competitive division. Norwich though look in a bad way as do Salisbury who although got a good point at a solid Custom Car City, Kaypee may want to make some tough decisions about where they want to be next season.

## ARE YOU NOT ENTERTAINED

You want goals. Tick. You want drama. Tick. You want unpredictability. Tick. You want more? You greedy bawbag.

Division 3 has it all. It's the Bermondsey Beer Mile of Kickabout. It's Debbie Does Dallas meets Porkies. You've got leprechauns, Vikings, artists, pi\$\$ artists, Effu Sutton, Angussss, Stevens x 2. BOOM.

Clifton Classic somehow manage to trip Bel Fierste off the top of the table, the unmanaged club getting a bit fortunate here.

# KICKABOUT NEWS

Colly wobbles at home to Al Khali, perhaps a more aggressive approach - channelling the managers inner imp - may be worth doing

TV Gold simply pull down young keeper Venom's pants and watch him do a doo doo as the poor kid is beaten time and time again. Effu Sutton says Mrs Venom as she lays the blame at the managers door for failing to protect her little darling.

Doonhammers are more central at the top of the league than on the fringe (see what I did there) with a spiffing 4-2 victory against Starlight who'll be relegated. Manager (H)Angus unveils a rednic before the game, much to the home fans delight as Cotton Eye Joe confirms their 10m sponsorship of the club. 'It's all about the braaaaand' bellows the manager

The team in 6th at the start of the session win, no point writing about it as Mogwai Jens doesn't read the newsletter and especially not after midnight.

Shout out to all the aspiring artists out there. There is hope for you, as Spalding show in getting their first win against Topside who could never be described as an oil painting

## A LEAGUE OF TWO HALVES

Division 4 reminds me of the school discos I went to as a kid - on one side there's all the cool kids, David Hails, Bard, John S et al and on the other side there's the not cool kids, especially me and Bobcat Lewis. I'm (erm sorry I mean the teams at the bottom) are looking over to the other side in the desperate hope that I'll (erm I mean us teams at the bottom) will get a result with one of them. We do sometimes. But it's the hope that kills us.

But the cool kids underestimate us. They think they're safe, untouchable in their ivory tower, smug, drinking nice booze, whilst we're at the bottom looking up necking twenty twenty and vomiting in the bushes.

Well think on cool kids, because there was enough in this session to show you won't have it all your own way well except for against Keymer. Ammon and Elistra snuck tight victories, Lima were held, Haggis worried Enborne briefly. Oh and London lost again as Kings Parks new managers continue to make an encouraging start. Well done to you. Watch out cool kids.

## UP FOR THE CUP

### 3rd Round Highlights

Tartan draw. Nothing to see here :)

Ammon and Central too although Central will be pleased with a draw overall.

Stalingrad and Southland secure good victories, whilst Starlight will want to reflect on what exactly happened against Weymouth?

GREAT RESULT for Clifton Legends to be sure as City Blues wobble and will thank their lucky charms not to lose and won't want to look like taytos in the replay.

Xanadu march on. Nuff said.

### Quarter-final Draw

Very open draw but you can't look past Xanadu as favourites.

## BOWLING ALONG

### Replay Highlights

Inter Fauna lose their manager and their bowl game. Bad session overall I'm afraid.

Clifton get a confidence booster as do Norwich and Spalding will be delighted to go through, real great session for them.

## LEAGUE CUP

### 3rd Round 2nd legs

Is Adrian actually King Soloman is one of the most search for items on the internet now. Can anything go wrong for the Scottish Clooney?

Amazing scenes at Stalingrad as Janeiro secure a superb away win and must be looking now to win the league cup.

High fives at Elistra as a win on away goals is still a win and the 4th division club march on

Analogue Lawton beats the fuzz to finish the job and is defiant 'I may look 90 but I'm not a day over 60'.

Toolbox turn the pitch red with Khmer dreams - too easy for the home team

Polski a little fortunate to edge past Hopkins, perhaps Pete will think what could have been

BOOOOOM - Enborne finish the job and show why they are genuinely not to be underestimated to win this. Fine team.

## AUCTION HIGHLIGHTS

We've already talked about a couple of signings, but you have to say clearly the Monty hasn't been affected by the Saudi money going round as prices feel on the low side and I'm sure there'll be a lot of happy managers. Interesting that aside from Xanadu purchasing the stand out player, all other players went to non first division teams. This will no doubt strengthen an already strong div 3 and 4.

## MANAGER OF THE MONTH

DIVISION ONE: goes to manager ADE of **Xanadu**, how can it not.

DIVISION TWO: goes to manager STEPHEN of **Belfast**, great session and moving on up.

DIVISION THREE: goes to manager BUTLER of **Spalding**, MOTM may not quite be the Turner Prize but it's not bad. Great session.

DIVISION FOUR: goes to manager BARD of **Enborne**, very strong session and looking ominous.

## Rolling Auction for Session eight

### SPECIALNAMED PLAYERS

1) **WONNIL DENNIS** - Dull, dreary footballer, makes even 1-0 to the Arsenal seem exciting, but he is a defence of awesome proportions. Nothing gets by him, never ventures upfield, except for corners where he oft-times nicks a goal while keeping a cleansheet at the back. Would he fit into your team? DF / Power / BW 95 / very exceptional marker / level 13 star fader

2) **SALTY MOLLOY - FWS PS 12 STAR RISER** . Argumentative bastard though so comes with 42 DPPS to his name and arrogant enough to demand a short term contract of 100K for 9 sessions.

Salty is a Ronnie Sullivan/ Eric Cantona type who might well give up playing come end of season if something better in his life comes along!!

(both players are of DANISH Nationality)

3)	FW	19-10	P	-	Cabral of City Blues {RES 595k - 43% BW/ 54% CR}
4)	MF	20-9	P	-	Mazda of Custom Car City {RES 360k - 59% BW/ 41% CR}
5)	MF	20-7	S	-	Somme of Haggis Rivers (Res 280K)

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

**(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)**

**NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this**

### **CREDIT CARD PAYMENTS**

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**You can pay by card/paypal through our new web-site**

**[kickaboutonline.co.uk](http://kickaboutonline.co.uk)**

---

---

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

## SOCIAL MEDIA

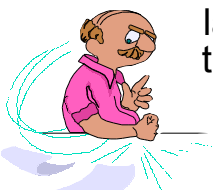

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

[FACEBOOK - kickabout online](#)

[and Twitter](#)

[Online Kickabout](#)

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

## BULK PAYMENT OF TURN FEES -

remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

# KICKABOUT BITS

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io).

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

## KICKABOUT SERVICES

**MAILING** - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

**ALL EMAIL** - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

**TEAMPICK/ SHOMATCH/ MARKINFO** - all the info you need for these programs is at - [www.Teampick.co.uk](http://www.Teampick.co.uk)

**NEW WEB-SITE** is now up and running, [www.Kickaboutonline.co.uk](http://www.Kickaboutonline.co.uk) to see the goodies

**MARKING INFO** - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

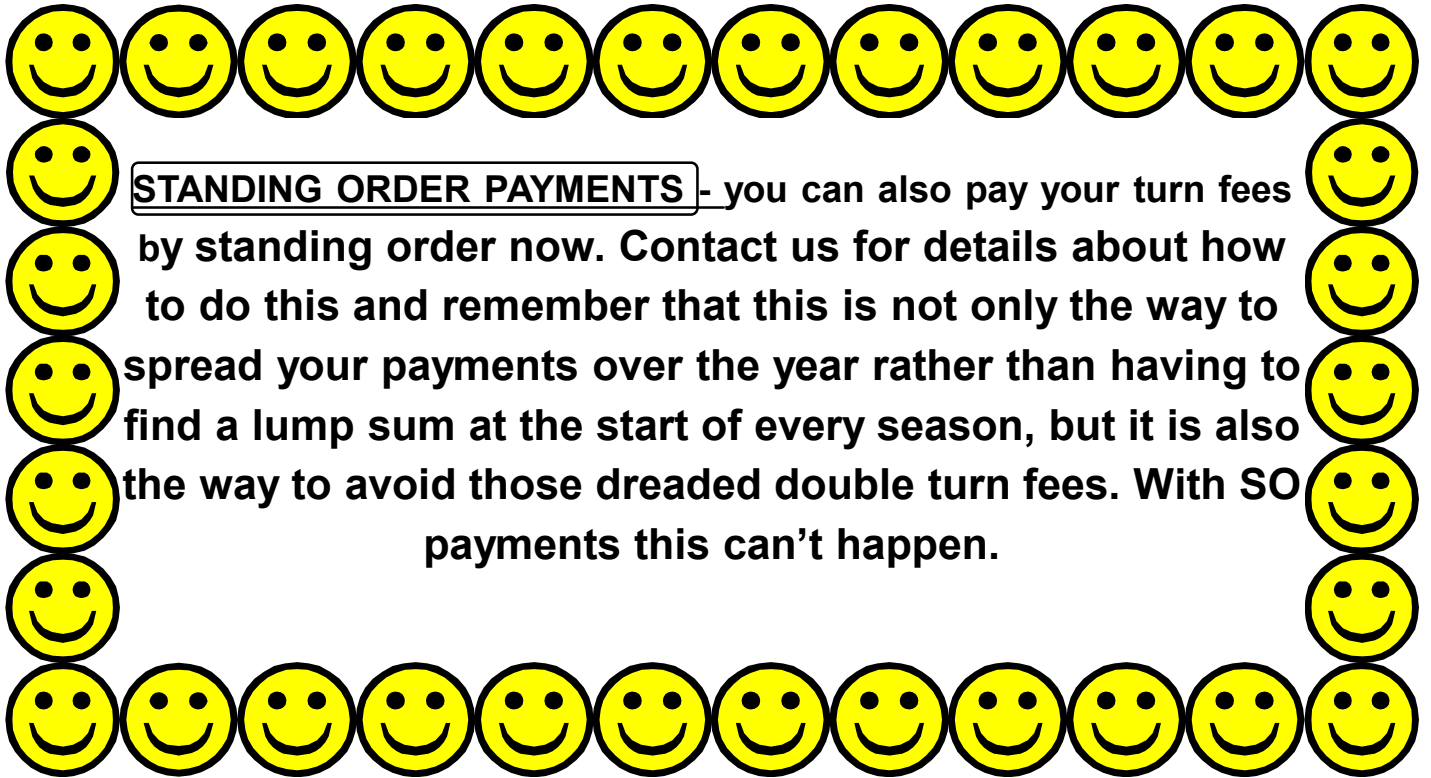

Latest version now available at

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With 50 payments this can't happen.

## MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to point out to you all. It has been pointed out that the rulebook is incorrect with regard to the cost of a NL player. It is not around 120K but around 3220K to borrow a non-league player if for some reason you require one. Even worse for a GK or SW (not that I can ever see a reason for wanting a NL sweeper it is double

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

### FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

S8 - A v D / F v B / C v E

S12 - FINAL GAMES ALL TWLEVE TEAMS

### PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

# MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

## SPECIAL OFFER

Good teams, leading the top division don't come along very often needing a new manager. Well in the Jackson league there is one, another Danny Smith dropout team. **FC Polski** are top of what looks likely a tightly contested division. Many trophies to their name in the pat. this will be an interesting team to take over for a new manager. Not much cash in the bank, the rivals snapping at their heels, but a very good side to run and see what you can do with them?

# CONTRACTS UPDATE

---

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 /**

**UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

***We suggest that you always add 1K to your bids***

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -
