

THE SLEEPER HAS AWAKENED

It seems like ages since the session nine round up & yours truly has seen the Galway Weekend come & go, a great time had by all with wonderful food, beer & the company of course. The sun even came out on the Saturday for us which was superb as we basked in the last of the rays in the beer garden. The clocks have since gone back & the autumn is slowly making way for winter with the dreaded darker nights closing in. Thankfully the Christmas pubmeet beckons at the regular haunt of the Shakespeare Tavern which should be great fun with Santa Claus Dempsey bringing many presents for the attendees, well the first two rounds would be nice! (GM CRANNERS IS DOING THAT!)

So its back to the Churchill newsletter grind & NFL Franchise stand out this session as they have had a fairly poor season to date, slumbering around mid table up to now with a mixed bag of results. But recently they have certainly managed to reawaken, especially so in their past three league fixtures to record victories in each with a nine point haul. Manager 'Snoozy Thommo' was cock a hoop as they overcame a floundering Baker Street with ease at the Superdome & then followed this up with another two nil win, this time on the road at relegation threatened Bravehearts. Up to fifth place now & top of the also rans. All this action has left our poor chum Thommo a tad on the weary side, time for an afternoon nap.

W.B.A also managed two badly needed victories to ease the threat of relegation. Leicester got absolutely hammered this session shipping ten goals at Neptunes with an orange coloured loser named Trump in goal.

The Dagenham Bad Daddy's woes go from bad to worse with two defeats, time to start planning for next season in the lower reaches with the scummy low lives such as Sutton & Seamy

The biggest talking point of the day though was how the Carlisle title charge has become derailed. With the nervy Brutus at the helm, you just know that he is going to make an absolute hames of it in the run in as Dakin breathe down their neck. Brutus enjoys such frivolities though but he does tend to over think things when the going gets tough as he admitted in the post match presser after a poor draw at home to KKS Spartans that he had got his tactics wrong. Oh well, mind you I for one am delighting in this spectacular public unravelling & humiliation, muhaha, muhahahaha....

Dakin on the other hand managed to close the gap to just three points & with their game in hand quickly approaching they should hit top spot barring no slip ups. The pressure is on Carlisle to attack & score goals to aid their goal difference which might be key come seasons end.

CAANT STOP WINNING

Woolwich are clear at the top with another two victories as they continue on their quest for promotion. A five nil rout over Presland's Patsies followed by a narrow one nil home win over Ultra Milan has them clear at the top by two points from Dags NMAC who managed four points this session. The gap then to third spot & Raith Rovers is a whopping eight points. At this stage it would be safe to assume that the top two are going up followed by one from a pool of about four others. Raith lost ground on the top two as they could only manage two scoreless draws & a nasty niggling injury to Dabayaro picked up against the dirty sinners of Saints doesn't bode well for next session either. Celtic Warriors & St Andrews follow with neither showing enough form at the moment to be really pushing Raith for third spot.

The bottom three are well adrift at this stage, Steve Wright is in rebuilding mode with The Psychedics so can be excused as he has a big job on his hands. SPG Derby continue to slither their way to the trapdoor but two draws this sessions meant that the fans have temporarily given up on their chanting of 'You don't know what you're doing' to the manager, while John Samson of

Ultra Milan is also treading water & needs a season of rebuilding in the third division before reassessing the fortunes of this former first division outfit. The second divison is taking shape & unless a surprise package comes from nowhere then things could well end up as they are just now, but who knows plenty of time yet.

UNBEATEN RECORD GOES

Mercury have lost their unbeaten record this week in a session of mixed fortunes. First up they travelled to Derby rivals Club Formosa & despite dominating for most of the game they only had Ostenstad's early goal to put them narrowly in the lead in a bad tempered affair. Many bookings later & a sending off for Formosa's Daavid late on curbed the homesters' push for an equaliser & Mercury Manager Napier breathed a sigh of relief as his boys came away with all three points & no injuries. Next up though they didn't fare so well as a trip to Malwinka proved a stumbling block. Manager Hargraves is reknowned as bit of a scrooge when it comes to his defensive management style so it was no surprise that Mercury got no change from the home side's sweeper 342 set up. Despite the man marking not going so good, Danny Clambake did settle in well to the midfield, it

KICKABOUT NEWS

was a game of very few chances that would ultimately be settled by a wonderful weaving run & chip over the keeper by Eloptich to give a one nil victory to Malwinka. Mercury are still top but Malwinka are tucked in nicely behind Peterbro in second as they also had a good session with six points in the bag. Little Moscow & their green fingered Manager Morten could be the only side to upset the top three now but with the nasty injuries to Ghent & Petrescu in the defeat to Peterbro this session who knows, but that might well be an end to their promotion effort. Can Moscow rediscover their form? Morten has been known to unearth a few gems on his day.

YOU ARE ALL MY BITCHES

It's really refreshing that in a division of so many illustrious, historically famed kickabout managers with the likes of Lawton, Lewis & Mansell, (Seriously...Lewis?- GM) that the top dogs of the division are under the stewardship of none other than Paul Stevens.

Two more wins this session has them nicely placed in top spot & with Stevens recently retiring from his other 'secret' job at MI6, not 'M' or 'Q' but in fact 'T' as that's what he made all day long, one might wonder if he will now have the time on his hands to offer full concentration to his Northwich project.

A five nil hammering over Acre Rangers was followed up with a decent two nil win over Midland. Scoring goals again for fun & promotion beckons. Kernow are right on their tails though & will push them all the way to the end as they had a decent session too.

Reigate & their manager Paul Butters are going very well, displaying some great play to see off the faders of Stockport & then taking all the points in a hard fought 3-2 victory against Beddgelert.

The middle of the table is crammed full of old pond life from Midland down to the Devils, anyone of them could make a drive for promotion if they put a few wins together but in truth most of them have found their level in the lower reaches of the fourth division. Managers Gregersen & Lawton in particular are struggling to make any headway at their clubs, comfortably fading into mid life obscurity. Even a combined tally of both managers points to date would still see them two points short of Paul Stevens' Northwich. Pardon me but I believe my sides have just split.

UP FOR THE CUP

Quarter final replay highlights

NMAC make no mistake this time around as they hammer Bolton Rangers by five goals to zip. A hat trick from

E-si-duzzit the highlight here.

The Raith & W.B.A tie goes all the way to penalties with Raith taking the deserved victory in the shootout by a score of 5-3.

Carlisle manage to zonal mark the much vaunted Dakin attack out of this one while Sun Tzu escaped his marker with ease. The mercurial Baddadi rose to head home the only goal of the game to send Carlisle through in what potentially could be

their only silverware of the season. A beaming Brutus was delighted at the end, boasting & chirping to anyone in the press conference that would listen how he had got his tactics spot on.

Forty five minutes later he was still rabbiting on, to an empty room.

NFL finish off a great session as they overcome a toothless Saints who were missing their captain & midfield marauder Thomasson which left them well short of making this competitive. Job done for Thommo, back to bed son.

BOWLING ALONG

Quarter-final Replay Highlights (IF ANY)

Such a tight affair between Newark & Durnovaria, so no surprise it went all the way to extra time & penalties. Ozil hit the post for Newark while Scusi netted in fine style to give a 5-4 win for Durovaria & they go through to the semis.

LEAGUE CUP

Semi-finals

WE GO AGAIN

NEPTUNES NOV. 0 : 0 DAKIN UNITED

Dakin bossed this game & you wouldn't have argued if they had won it with reasonable comfort. Finding a way past the impressive keeper sweeper combination of Neptunes' Valentine & Bletch was another thing entirely. All to play for but maybe Neptunes could opt for some zonal or man marking in the replay if they are to have a chance of progressing?

LOZZA CROONS

BAKER STREET FC 5 : 1 LEICESTER CITY

League form goes out the window when Baker Street take to the pitch for a cup tie & they simply blew away the Leicester opposition today who had rookie Trump in goal again. Five shots on goal all found the back of the net & Leicester will be rueing the fact that they didn't have a reliable back up goal keeper as the score line may well have been very different if the injured Bantu was fit. Lozza won't mind at all & they will be up against it but a shot at the league cup beckons in the final now.

Some interesting ties here most notably, defensive Malwinka against the misfiring Saints, SPG will find it tough going at Mercury, while Colly takes his Finn Harps to Lowly Lewis' Elvet. Stockport could do with a trophy run & a home draw is all their big moaning fanny of a manager could ask for, Warwick will also be happy that his new side Beddgelert managed a home draw against the inconsistent Acre Rangers, Double Bubble Scotty will be up against it facing off against Peterbro, Barney will be happy enough that Formosa are facing the Beards while Butters will need all his experience if they are to overcome the Clean Foxes. Young Jack could see his Newark side sneak through against the Jellies (some aggression & head biting needed), while the Midland/ Mirus tie could be interesting too.

Trophy Favourites have to be : St Andrews, Clean Foxes, Mercury & Peterbro.

Bloody no hopers can only be : SPG, SPG, Stockport Faders & SPG.

TRANSFER TRAILS

Some interesting purchases here as the wheeler dealer type managers look to add a bit of quality late in the season, whether or not it's the final piece in the jigsaw though remains to be seen.

Shock purchase of the day was the 3.7m spent on the ageing, whingeing, Scottish PM loving 'Craig O'Moaner'.

A 28 year old mid level midfield general who was recently only good enough to play for Accrington Stanley (who are they? - GM) was snapped up by the eager beaver Foxes' boss Torliev Jondahl. The Clean Foxes manager must have faith (blind faith? _ GM) that creaky old Craig will be able to shake off the cobwebs & prove his worth. This one has panic buy written all over it (or maybe Torleiv meant to type the number three instead of two into his auction entry in his kikfile?)

Dakin boss Niel Humphries, who has recently been afflicted by the dreaded covid (get well soon Niel!) made a subtle move normally reserved for the like of his Brutusness of Ashcroft, a little stab in the dark, in the shape of a 2.7mill punt on the unknown quantity Lubi-Loub Lewis. When Niel recovers from his bed ridden delirium he will surely be greeted by the bearded, latex gloved, mask wearing new signing. Nurse!!!!!!

Malwinka shore up their goalkeeping options with the signing of Stockdale for decent money while the Saints flogged off

some of their fringe players to tempt the ball winning utility player Olseen to the club, for just under 800k. Good business all round.

The most fertile man in the auction, 'Bak Door Robbie', arrived in his customary black leather pants to sign on the dotted line for W.B.A, a small outlay for small risk here & if he can rise quickly enough, could prove an asset? If not the manager could always put him out to stud.

A few players of note were transferred in private deals. Most notably the deal between Malwinka & Bolton Rangers as two very talented players were traded. Goal poacher Holdsworth will certainly add quality up top for the goal shy Malwinka while excellent midfield prospect Zulu Bantu will surely shine for Bolton in the near future when he reaches his peak.

MANAGER OF THE MONTH

DIVISION ONE: goes to manager McAulay of **W.B.A**, two league wins just about nick the award this session. Shout out to Brutus for the cup win over Dakin though.

DIVISION TWO: goes to manager REID of **WOOLWICH**, still leading the way for promotion.

DIVISION THREE: goes to manager BROOKS of **Peterbro**, going great guns, nice transfer deal too. Big shout to Dave H for ending Mercury's unbeaten run.

DIVISION FOUR: goes to manager STEVENS of **Northwich**, onwards & upwards for the fourth division pimp.

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

Remember the transfer deadline comes into operation at the end of session thirteen

SOCIAL MEDIA

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

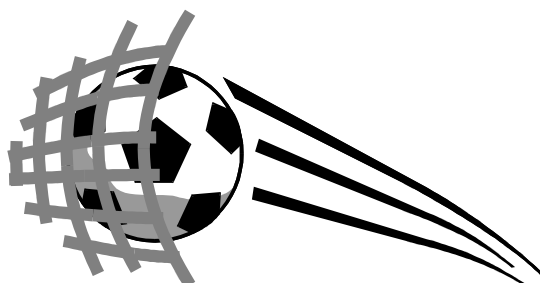

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

KICKABOUT BITS

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MANAGERS NEEDED

We still have some teams that require a manager to pilot them towards glory.

So SPECIAL OFFER. name a league and we will send you a team. Once you have looked at it then tell us how much credit you think is needed to make it right. Then we will negotiate the actual amount.

Can't say better than that can we?

RAMSEY Moskovich 11 Fortunato 35 Bo win 39 Trondheim 75 McAllister 83	5 : 1 WELLINGTON Tai kwan do 53 Att 61033 Wind: Light Pitch: Muddy	(H - 0.5)

Another good result for the **Shakespeare** as they hold **Disraeli**. Game in hand could be important in what looks like a three-way battle for the title now. **Ramsey** hammer **Wellington** and they are in deep trouble

DIVISION 2

CHURCHILL Att 57098 Pitch: Muddy	0 : 0 NEWTON Wind: Light	(A - 0.1)
---	------------------------------------	-----------

Newton get a point and are going up as champs. Relagation sees the other three teams all in danger of the

DIVISION 3

JACKSON Att 38046 Pitch: Wet	0 : 0 DRAKE Wind: Light	(A - 0.1)
---	-----------------------------------	-----------

Despite a good point at **Jackson**, **Drake** finish rock bottom. Three way battle for promotion with the **Nelson** perhaps faves.
