## MORE FROM THE SOCIAL SECRETARY WITH HELP FROM SUPER SHEDMAN

LONDON BEER MILE - SATURDAY 6th JULY

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouts. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Barnie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth, Nursey Lewis, Steadders to name just a few as a starter.

We also here that Neil H & Collywobble are planning to descend on London for a binge! While Rob The Scottie has promised to show his face (What about you Mr Butler!?!)

And perhaps the perfect opportunity for John Samson to show his face and turn up

and for Ian Read, no excuses not during the week but on a saturday easy toto come along and play

### ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

| <u>SESSIONS</u> | <u>MIN LEVEL</u> |
|-----------------|------------------|
| 1 to 3          | 5                |
| 4 to 5          | 6                |
| 6 to 8          | 7                |
| 9 to 10         | 8                |
| 11+             | 9                |

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

## **SOMETHING FOR EVERYBODY TO REMEMBER**

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### **ORDER OF MATCHES IS**

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

## **MUTTERINGS AND MEANDERINGS OF THE KA MIND**

Just something to remember this time. Which is oft times not realised by managers. If you set a DF/A to mark a WG then he will follow him all over the pitch whether he plays in MF or FW line and mark him. WG cannot hide from a DF/A marking him

**BULK PAYMENT OF TURN FEES** - remember if you pay £63.25 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend monies!

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

### THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [Kickabout-subscribe@yahoo.co.uk](mailto:Kickabout-subscribe@yahoo.co.uk). For others you do the same except put the league, name with Ka-infront of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

### CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

## Premier Rules

This article is written for the several newcomers in this league and also as a refresher for the old timers of the league.

### TEAM DIFFERENCES:

- ? 3 times rule: not applicable to the Premier. No team re-arrangement by the GM if one area is more than 3 times that total of another area.
- ? Minimum number of players in an area is reduced from 2 to 1 eg: 5-4-1. However the 5 levels given for the formation is only valid for the same formations as all the other leagues. **THE MAX however is still five in an area**
- ? Youth scheme: there is an enhanced possibility of discovering someone special.
- ? Player naming: naming must be relevant to the team and the position.

### AUCTIONS

- ? Reduced auctions. Only auctions are on sessions 1+2 and 8+9.
- ? The auction criteria is for no MF specialists to be listed. Though the occasional add /A or /D has been known.
- ? Auction player bids must be named relevant to their club and position.
- ? You must state the correct and real nationality of the player else the bid is void.

### EUROPE:

- ? The top4 of the div1 go through to play in the Champions League
- ? Cup finalists go in the UEFA Cup. If one of the teams is already in the Champions league then the best runner up takes the spot.

TIPS: Various long standing players of this league were asked if they were willing to provide a short piece of advice. Most either refused or ignored the request. There was allegedly a meeting of these managers which was so secret that not even News of the World could not sneak their hidden microphones in. The discussions centred around keeping the div1 an exclusive club. However 3 managers who would welcome new blood into the elite division have spoken out and here is their advice:

- ? Bolton Wands Peter Brooks: due to the lack of specialists in this division older players with special attributes are best kept and coached up.
- ? Leeds Utd David Hargraves: Youth Youth Youth.
- ? Luton Town Paul Sutton: ignore Dave Hargraves advice.

.AND FINALLY?????????. In the first season all teams had the choice of creating their new team with either a MF/G, DF/A, FWT, FWS, WG or UT. All teams except 2 chose the MF/G. These MF/G's are now aged 24.

# MANAGERS NEEDED

## WHAT AN OFFER

Over the next three months we will be offering some unmanaged teams for you to take over and run. We expect you to keep running them at least until the end of the season and to pay for them, but here's the honeypot to make it tasty. When you take over a team you will get a ticket in a draw for a lifetime membership for one of your teams (your choice) if you are the lucky winner.

Draw will be made at the beginning of July

So time to get in there and takeover a new team

## QUICK LEAGUE

Or you could plump for **Lady Park** in the **Messi** fast turnaround league. Mid-table third division. Same offer as for Gobaith my friends.

## TOUGH LEAGUE

Or get a big kiss from John by taking on rock bottom **Desert Isle Utd** in the Veterans, just about to start another season here

# CONTRACTS UPDATE

---

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - Df/A X 2 / UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

***We suggest that you always add 1K to your bids***

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K

## CREATIVE/BALL-WINNER

### HOW DOES IT WORK?

#### SO WHAT DO THE NUMBERS MEAN?

The new statistics are aimed at a simple game mechanic - they are used to give a side additional chances of scoring during a game or they are used to nullify efforts created by the opposition; it doesn't take a genius to work out which does which.

The individual statistics of each player are only the "base value" for each formulae that uses them. The figures shown are modified by any number of different conditions before they are given a final rating, which is used to determine if he directly effects the match in any way. The kind of players he is playing with, the number of players in his part of the pitch, the weather and the team's formation are all mitigating factors in how this base value is modified.

Ball Winners are players that thrive in the heat of battle, that love to mix it with the opposition and find their talents easier to use when in packed areas of the pitch. They are primarily defensive players and tend to have more effect if the overall stance of the side is weighted in that direction. For each element of this make up that goes their way, they receive a bonus on their ball-winning ability, along with a subsequent penalty to their creative skill. So, if the Batty of our example starts the game with figures of 75/25 then he will be completely happy playing in a full Power side, with a 4-4-2 formation that uses a negative style. If the weather is cold and the pitch muddy then he has about everything he can get in his favour. The only way of bettering this if for him to be playing in a five-man midfield, but then you lose the negative advantage and his figures won't look all that much better. Each one of the factors in his advantage will add a certain percentage to his abilities and in the example shown it would not be a surprise to see Batty's eventual stats change from 75/25 through to perhaps 105/10 or so.

Creative players like the opposite end of the scale, as you can imagine, and they like warm days with a good surface to play one, they like space to play in and a style that allows them to attack the opposing goalmouth. It doesn't take too much to work out what sort of formations and playing positions will get the best from them.

It may well become apparently that there are more opportunities in the game for ball winners than there are for creative players - this is a fact.

The balance to this is that when a BW or CR affect kicks in, it only kicks in at the position the player is located. A BW gain by a player in midfield will kill off a shot from the opposing midfield area for example, while a striker picking up a creative chance will do so from his forward position. The creative chances always result in an additional chance where as ball-winners need to have something to stop if they are to be effective. If a side adds an extra four Ball-winner stops to their midfield and the opposition isn't creating anything in that area, then these efforts are wasted. Thus, while there are many more ways of aiding your ball-winning players, their abilities are not always as valuable as the creative players
