

SHAYMOOSE FIND A WAY TO WIN

At the top of Division 1 Lawton (not so fadey) continues to set the pace with only Fingers of the chasing pack able to match **Rhuddlan** in winning both games. Seven points clear with seven games to play it is looking increasingly likely that the Division 1 title could be going back to **Rhuddlan** for the first time since 2006 when Danny Smith was still in charge.

At the bottom of the table the battle to avoid the drop is heating up with the games starting to run out for the managers to pull off a few good results to pull away into mid-table safety. **Kernow** look to be dead and buried. The Cooncillor has now officially left the club and without his guidance they slipped to two heavy defeats this week. Warwick's arrival at **Puddletown** looks to have come too late to save them it seems. They are now more competitive and gave Fingers a good game in both fixtures but ultimately still slipped to two defeats and a lack of goals (only one scored all season) will prove to be their downfall I think. The last relegation place is the one that is still not settled. Dave Hails **Utah Saints** side now occupy 10th spot after two defeats. In the first game they succumbed to the now tried and tested Brutus creative stab in the back tactics and fell to an unfortunate 1-0 defeat. In mid-week they faced champions elect **Rhuddlan** in what should have been a fiercely contested derby game. There was certainly plenty of effort and desire from **Utah** but two first half goals from T'chala and Iovan for the visitors took the wind out of Hails men's sails as they failed to land a glove on their opponents. The reason **Utah** are now in 10th place is because Shaymoose managed to pick up two draws from his two games this week. A great rearguard action steered them to two 0-0 draws away at **Sunningdale** and at home to **Havenmates**. That's nine draws this season and only one win yet as it stands they are out of the relegation places. Can Shaymoose loosen the shackles and actually try to win a game the boring fecka? If he can, then he could steer his side safely away from the relegation places.

GREAT SCOTT!

Rob Scott has his **Atlantic Aces** side on a roll and he is looking increasingly likely to slip in through the proverbial Back Door into the last promotion place. Two 1-0 home wins over the sides directly above them allows Scottie to close the gap to three points from **Winners** in 3rd place. First up was the match against KP's **Strasbourg** and whilst the visitors controlled the midfield **Atlantis** were always in the game thanks to their creative players. On 70 minutes captain Breitner was tripped 25 yards from goal and it was the captain who dusted himself down and cracked the resultant free-kick into the top right hand corner to send Scottie home to the family with a smile on his face. In mid-week it was John Pritchard who rocked up fully intent on giving his **Winners** side some daylight between one of his promotion rivals. It was back to the wall stuff for Scotties men here but their GK/SW combo repelled everything **Winners** threw at them. Then on 88 minutes they delivered the ultimate sucker punch. A long ball out from the back should have been dealt with by the covering Baartling but he dithered a split second too long and Breitner robbed him of the ball. Full of confidence after his match winning performance earlier

in the week he strode into the penalty area and clipped the ball past keeper Lapong. Rock on Scottie!

The battle between **St Judes** and **Gdansk** rages on and it's Lawton's boys who hit top spot on goal difference despite being surprisingly held to a 1-1 draw by lowly **Shankil** whilst Hugo Allen's men put three past visiting **Chorley**. Lawton did then come out on top of a brilliant attacking game with **Wickford** 3-2 whilst **St Judes** lost 2-0 to **Chorley** who were indebted to returning captain Reid for a MOTM performance to guide them to victory and knock Hugo off the top of the table.

READ IT AND WEEP

Camlann Town have been odds on for the Division 3 title since the start of the season but after this week's games Ian Read knows he has a job on his hands to deliver the silverware. The reason why the title could be swiped from his hands is the form of **Preston N.E** who rocked up for their derby game against **Camlann** and left with all three points. Both Disco Dave and Ian Read have built sides that wouldn't be out of place in the top three of Division 1. With so much midfield talent on show the game could have got dragged into

KICKABOUT NEWS

a midfield battle of attrition but Disco gambled with a three man forward line and it paid off handsomely. With just eight minutes on the clock a fine through ball from Walters found Osgood racing through on goal with sweeper Hargravesson flat footed and calmly chipped the ball over Brookiesson as he went to ground. **Camlann** tried to rally but just before the half hour mark the game was over. Jean Claude skinned a couple of defenders on the left wing and his low cross was anticipated by that man Osgood to fire home from 6 yards. Crucial win this for Disco as he pulls his level with **Camlann** and sits 2nd on goal difference. Both managers won their mid-week games with ease and it's going to be a brave man who can call who will win the Division 3 trophy at seasons end.

Poor week for the Dagmeister at **Southend Seas** as his side ships 12 goals in two heavy defeats to see his side slip into the relegation zone. The Welsh Cat Lover picks up two hard earned points to move **Viking Lords** above **Southend** on goal difference but will now be without Ian Freely for the next few games. **Dickhead** picked up a vital three points from their derby game at **Martian** to also leave them level on points with **Southend** and **Viking**. All to play for here!

WADDS UP?

Royal Wadds certainly are on the up after this weeks results with boss **Blind Gooner Wadds** starting to make his mark. Plenty of movement in the playing personnel is now paying dividends it seems. Just the one win all season before this weeks fixtures so few would have expected a six point haul. **Ham Hill** are the Divisions draw specialists so **Wadds** decided to throw caution to the wind with a five man forward line. For the most part the GK/SW combo and four man defence kept the home side at bay. With just three minutes to go a Pumice shot was saved by keeper Rhys but the ball fell kindly for midfielder Tudor to ram the ball home to seal three points. It was much easier in the 2nd game as opponents **Soviet Samara** are drifting without a manager. **Wadds** knew this was a great chance for a 2nd win of the week and by half time they were already 4-0 ahead. They eased off a bit in the 2nd half but still ended up 5-1 winners. A great week for the returning messiah _ his words, not mine!

Chelsea Cons and **Mega-City** both look assured for promotion but the third promotion place is up for grabs. **Bradfield** and **Temasik** are locked together on 28

points and look set to take this contest through to the last game of the season. Their match against each other ended in a 0-0 draw and both of their 2nd matches of the week ended the same way but has KP dealt a decisive blow by signing midfield starlet (Z) Sante Fe from **Westwood Celtic**?

UP FOR THE CUP

REPLAY HIGHLIGHTS (IF ANY)

Preston gave it a real go against top flight **Sunningdale** but Disco Dave's marking didn't go to plan which allowed Dag's men to overpower them in midfield. **Sunningdale's** pressure finally paid off on 68 minutes when Odegaard eased past Pastatelli and ghosted into the box at the back post to convert Palermo's cross. No way back from this for Dave and he bows out after a valiant effort***Close game between **Palmeiras** and **Rhuddlan** but only the top flight leaders ever looked like scoring. Steadders had his side well drilled though and **Rhuddlan** were mostly restricted to long range shots. No goals after 120 minutes of football so the game ended in a penalty shootout where Lawton emerged victorious which was probably deserved on the balance of play.

BOWLING ALONG

REPLAY HIGHLIGHTS (IF ANY)

Petey Brooks set his **Lone Pine** side up in a 4-4-2 formation designed to frustrate **St Judes** with hopes of a penalty shootout. The plan was working well until the 55th minute when Bohochic played an audacious back heel on the edge of the box to send Sassoula through to finish emphatically into the top corner. Hugo was left to wait to see if VAR replays ruled the goal out for offside but the decision stood and so it's his side that progress.

HEADLINE WHAT A GRIND

RESULT RHUDDLAN ROVERS 0 VS 0 WESTWOOD CELTIC

Another excellent performance from Shaymoose's bhoys as they park the bus to grind out yet another 0-0 draw. You can't blame him for setting his side up for a draw against the league leaders and whilst Lawton's side did create chances yet again they failed to hit the net in a key Cup match. One puzzle for Lawton to sort out in the replay otherwise it's back to the penalty roulette.

RESULT HAVENMATES 0 VS 0 PRESTON N.E.

Excellent tactics by Disco Dave today with his man marking this time working a treat and they controlled the game from start to finish. **Havenmates** rarely ventured out of their own half and the only reason Colly is still in the League Cup is due to the performance of his back two. Keeper Oxis and especially sweeper Garettio were outstanding throughout as they repelled wave after wave of **Preston** attacks. Can Colly sort out his tactics for the replay?

Arafat signs on at **Sunningdale** as Dag looks to the future with a couple of his ageing existing all purpose midfielders in danger of their careers in the top flight coming to an end next season***Petey Brooks spends £2.7m on three players that will make his side stronger next season with keeper Glazier an absolute bargain***Disco Dave also picks up a bargain in forward targetman Dead Sea. At a smidge over 300k it's worth the risk seeing if he is a fader or not***Lawton has complained to the KA authorities that the player who turned up at his first training session (Ajer) was not the one he thought he had bought. Investigations are ongoing!

In private deals Shaymoose, Dagmeister and Lawton (not so fadey) all move midfield stalwarts on to pastures new to boost the Bank balance as they start to plan for

next season. Shaymoose then had fans baffled by the purchase of the ageing Tetsuo, is he really what is needed for the relegation dog fight?***Another KA inquiry has been launched after the Blind Gooner Wadds sells instinctive forward Brady from his Royal Wadds side to Dial Square, also managed by Mr Waddinghamhamaham for just 700k. MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

t

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

**NEW
LINNK**

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU
SUBSCRIBE TO TEAMPICK/SHOMATCH
THEN YOUR TEAMSHEETS WILL ALWAYS
BE SENT OUT BY POST. EMAIL TURNS ARE
ONLY SENT TO TEAMPICK/ SHOMATCH

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to remember this time. Which is oft times not realised by managers. If you set a DF/A to mark a WG then he will follow him all over the pitch whether he plays in MF or FW line and mark him. WG cannot hide from a DF/A marking him

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S8 - A v D / F v B / C v E

S12 - FINAL GAMES ALL TWLEVE TEAMS

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

LONDON BEER MILE - SATURDAY 6th JULY

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouters. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Barnie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth, Nursey Lewis, Steadders to name just a few as a starter.

We also here that Neil H & Collywobble are planning to descend on London for a binge! While Rob The Scottie has promised to show his face (What about you Mr Butler!?!)

And perhaps the perfect opportunity for John Samson to show his face and turn up

and for Ian Read, no excuses not during the week but on a saturday easy toto come along and play

KICKABOUT

**NEW
TEAMS**

MANAGERS NEEDED

WHAT AN OFFER

Over the next three months we will be offering some unmanaged teams for you to take over and run. We expect you to keep running them at least until the end of the season and to pay for them, but here's the honeypot to make it tasty. When you take over a team you will get a ticket in a draw for a lifetime membership for one of your teams (your choice) if you are the lucky winner.

Draw will be made at the beginning of July

So time to get in there and takeover a new team

FIRST TEAMS UP FOR GRABS

QUICK LEAGUE

You could plump for Lady Park in the Messi fast turnaround league. Mid-table third division.

TOUGH LEAGUE

Or get a big kiss from John by taking on rock bottom **Desert Isle Utd** in the Veterans, just started a new season here. A real big challenge

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2** /

UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

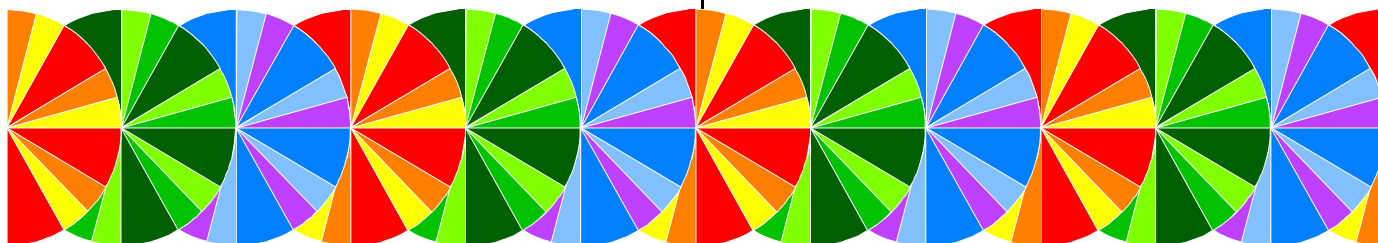

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

· so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K

CREATIVE/ BALL-WINNER

HOW DOES IT WORK?

SO WHAT DO THE NUMBERS MEAN?

The new statistics are aimed at a simple game mechanic - they are used to give a side additional chances of scoring during a game or they are used to nullify efforts created by the opposition; it doesn't take a genius to work out which does which.

The individual statistics of each player are only the "base value" for each formulae that uses them. The figures shown are modified by any number of different conditions before they are given a final rating, which is used to determine if he directly effects the match in any way. The kind of players he is playing with, the number of players in his part of the pitch, the weather and the team's formation are all mitigating factors in how this base value is modified.

Ball Winners are players that thrive in the heat of battle, that love to mix it with the opposition and find their talents easier to use when in packed areas of the pitch. They are primarily defensive players and tend to have more effect if the overall stance of the side is weighted in that direction. For each element of this make up that goes their way, they receive a bonus on their ball-winning ability, along with a subsequent penalty to their creative skill. So, if the Batty of our example starts the game with figures of 75/25 then he will be completely happy playing in a full Power side, with a 4-4-2 formation that uses a negative style. If the weather is cold and the pitch muddy then he has about everything he can get in his favour. The only way of bettering this if for him to be playing in a five-man midfield, but then you lose the negative advantage and his figures won't look all that much better. Each one of the factors in his advantage will add a certain percentage to his abilities and in the example shown it would not be a surprise to see Batty's eventual stats change from 75/25 through to perhaps 105/10 or so.

Creative players like the opposite end of the scale, as you can imagine, and they like warm days with a good surface to play one, they like space to play in and a style that allows them to attack the opposing goalmouth. It doesn't take too much to work out what sort of formations and playing positions will get the best from them.

It may well become apparently that there are more opportunities in the game for ball winners than there are for creative players - this is a fact.

The balance to this is that when a BW or CR affect kicks in, it only kicks in at the position the player is located. A BW gain by a player in midfield will kill off a shot from the opposing midfield area for example, while a striker picking up a creative chance will do so from his forward position. The creative chances always result in an additional chance where as ball-winners need to have something to stop if they are to be effective. If a side adds an extra four Ball-winner stops to their midfield and the opposition isn't creating anything in that area, then these efforts are wasted. Thus, while there are many more ways of aiding your ball-winning players, their abilities are not always as valuable as the creative players
