MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

t

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league match should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this.

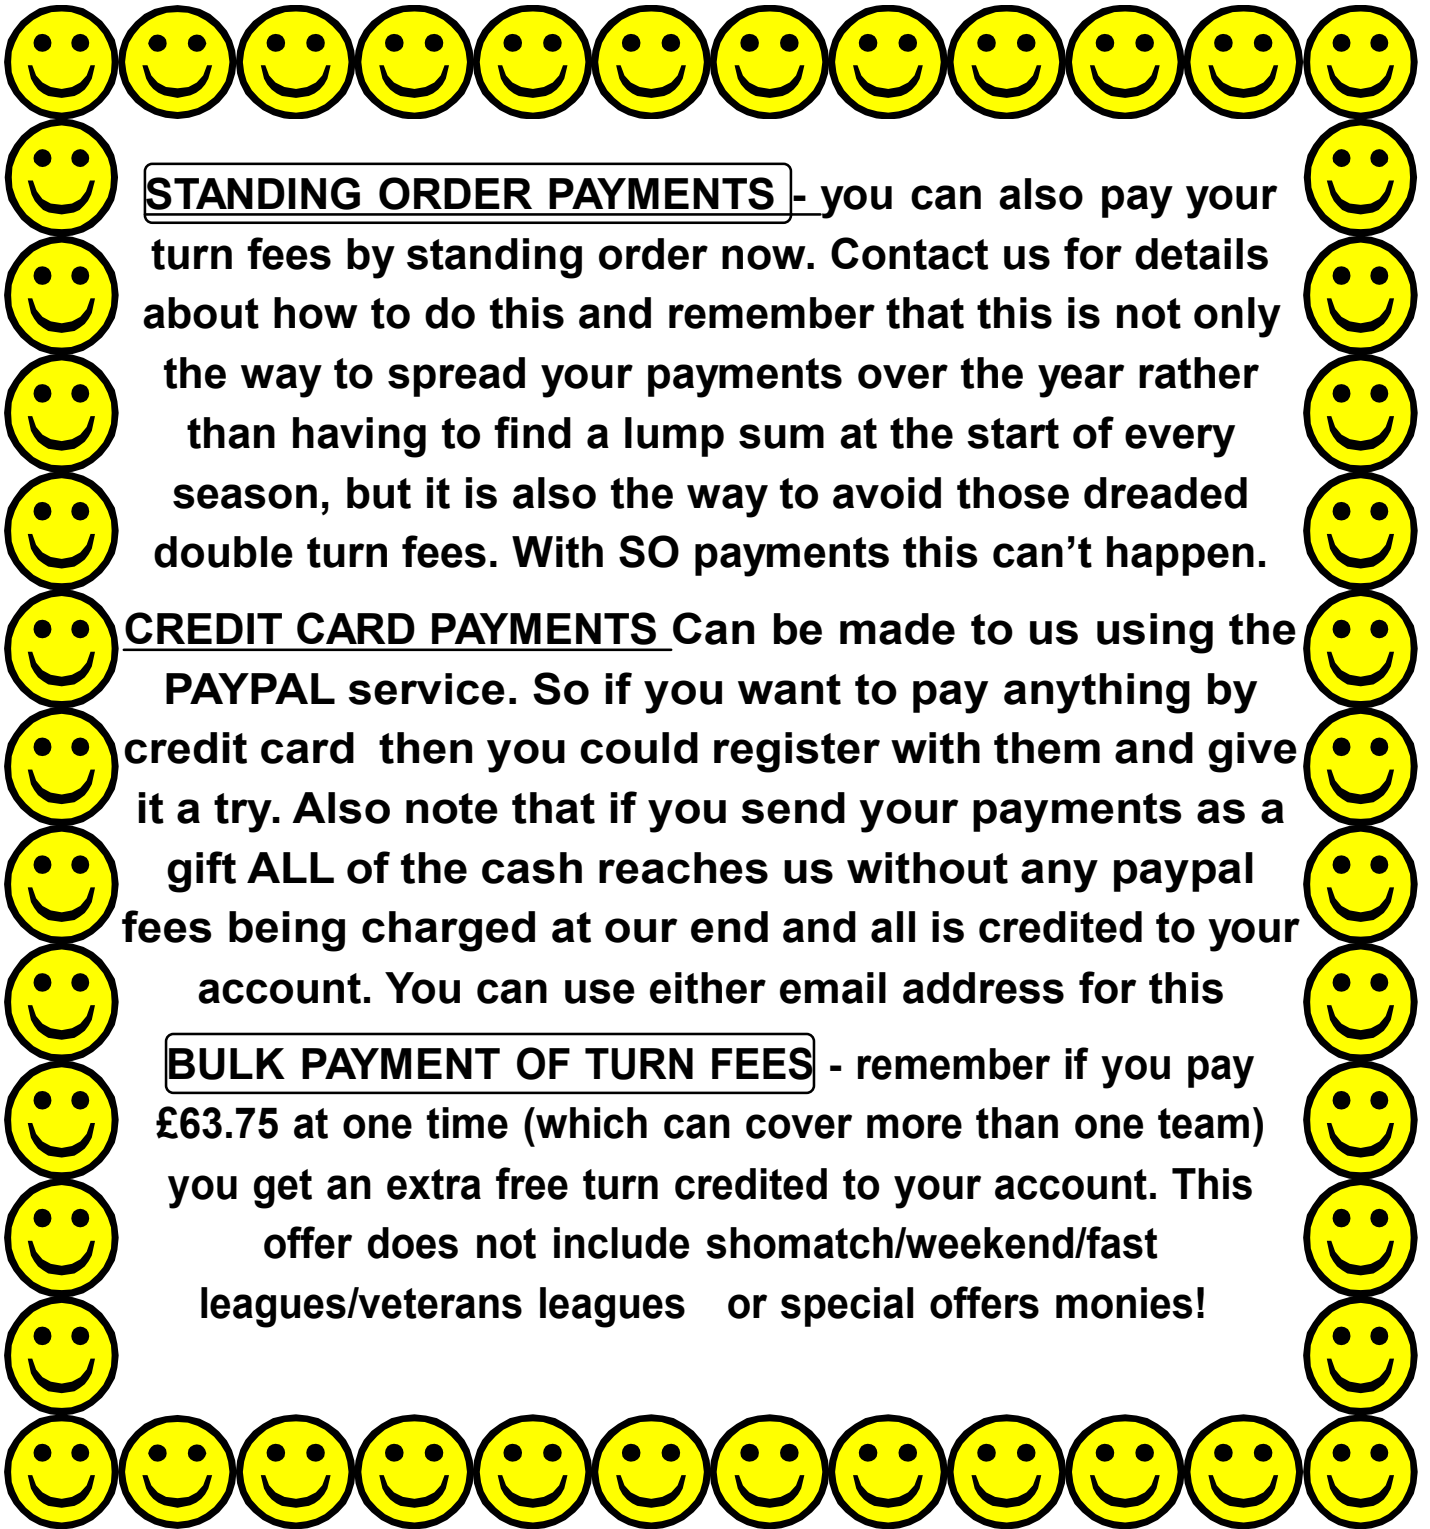

MUTTERINGS AND MEANDERINGS OF THE KA MIND

It is strange how managers can't read messages to the chat lists. 'Ooh I didn't know that', they exclaim when it comes up. Not sure how we get round that. Brain transplants perhaps, new glasses, a course in concentration. Anyway for those who missed a long thread about postponed games. **THERE ARE NO POSTPONED GAMES ANY MORE!!** Read twice, thrice or more and remember

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FUN

FORTHCOMING KA WEEKENDS

After an amazingly fun and successful weekend in Glasgow minds have turned to the future. Unfortunately, the dastardly Seamus has pulled the rug out from under us by selling his place for millions of filthy lucre so we won't be able to sue the amazing Padraiscins again. Boo Boo!!

However a hardy few would still like to go to Galway and use the same system we have successfully used in both Norwich & Glasgow of late. I.E. hiring a big house to sue as the venue for our gaming extravaganza

The following hardy souls (or should I say the ones who want to enjoy life with like-minded nerds have elected to go so far. Cranners, Seamus, Gareth , Rob Lewis, Gerard, Craigins, Nigel the Smith, Jens baby, Dennis (PAID) Colly, Tim Dodge (Paid), Steadders & Baddad

Galway 2024 10th-13th October

The following have suggested they are interested in appearing, but have blankly refused to acknowledge my recent message on the list

Morten, Steadders, Danny B, & Pad Reiser (about time he showed his face again!!0

So could you all let me know soonest whether you are interested as need to plan this soon. Anybody else who wants a marvellous weekend of fun and games, zone in now!!

Spring 2025 Back To Norwich

dates 9th-11th of May

Craig is happy to plan another Glasgow weekend in October 2025

dates 9th-12th October

And Bo has offered to host us all at his place in Odense during the spring of 2026

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

KA becomes 40 years old in 2027, perhaps something special to be arranged?

DIDN'T THEY LOOK
YOUNG??

Glasgow KA Weekend May 2024

Well, I guess this is not actually a weekend anymore for a lot of us, it's more of a 4 day festival of food; lots of food, road trips and laughs, plus KA, and this one, over four gloriously sunny and hot days in Glasgow, was superb. It began with Cranners meeting Craig for lunch in 'Grumpy Pedros' for Sarnies and Salads on Wednesday! Not long after devouring that we had time for a couple of cheeky drinks (despite walking past a pub that Craig knew four times with google maps in hand! - and which had about 2,00 Whiskey choices) before we entered the AirBnB, claiming our rooms and waiting for others to arrive. Gareth, Matron, Chris and Seamus (in his new puffa Jacket), seemingly at the airport, but held up - due to the bar being open! Once they arrived, and then Danes (Jens, Morten, Bo) plus Nigel Smith (a returnee to the game) and Neil H followed, we were off for food - Burgers and Beers followed by more beers in the town square and lots of chat to catch up on what we had all been up to. Thursday took 9 of us in a private taxi up to Loch Lomond, Luss and Loch Fyne. Breathtaking views, fresh air and then a lovely afternoon in the sun with a large brewery garden almost all to ourselves for three glorious hours. The return trip saw 9 players creating a new Loch with a toilet stop next to some lovely trees! Money well spent there I guess! A quick Italian meal Thursday night, joined by additional arrivals of Adrian (now a Scotsman in Scotland), Wadders (minus blind man's stick) and Fingers (plus walking stick), before an early night for some (me included) - the Highland fresh air taking its toll on us I guess. The large Air BnB hosted the event come Friday morning, Chris said 9am start, so when he turned up at 8.40 no one was in sight - we'd all taken off to Greggs for Bacon Rolls and Latte's. Game on about 9.45 then and KA underway. Gerard had got the sweeper in Auction 1 - a sure-fire winner we thought and started very well, until two derby defeats to Cranners brought him down to reality or worse - or was it his stomach ache? His weekend was fading worse than Wadders eyesight! The Danes lurked in the background no one making a move just yet although I think Jens was up there with Matron and Gareth, (I could be wrong) and Nigel Smith was also hitting the heights early doors. A power cut brought a halt to proceedings, it didn't last long, Scottish Electricity getting things back on track way ahead of Jens 11.34 estimate! The fridge was well stocked with chilled Loch Fyne ales and some other drinks so the afternoon progressed nicely. Cranners en-suite room became the general toilet for some (I should have charged a turn fee really) and we broke up early ready for a trip to the west end for the Ashoka curry house. Taxi's and trains got us there, great food and a few drinks in the Iniss & Gun Tap Room followed with myself, Seamy and Fingers bringing up the rear at midnight. On Saturday the Celtic fans were due to hold their parade for winning the title; little did they know there were much more important goings on at 140 Renfrew Street; Nigel Smith had forgotten how to win a game (apart from one he tells me!), Craig and the Danes were moving rapidly up the ratings, Matron was in it, with KP and Fingers down the wrong end, Gareth was struggling and Gerard had almost given up. However, one man was smashing everyone to pieces, Big Bad Bo couldn't lose a game all day. Soaring up the table, winning the Cup and eventually 5th in the ratings to finish. Craig won the Bowl (not Seamy) and Jens got the League Cup. Division Winners were Seamy and Matron. Top Three in the ratings were Morten, Craig and Jens; in that order. As the game finished, 26 degrees reached us outside, Morten and Gareth stripped off their tops - I know which one the girls fancied more! Strewth!! A trip to Drygate Brewery followed early evening for a few of us before a cracking Chinese meal where once again Morten caught the waitresses eye. She was sure he was lead singer of Aha so we let that one ride, said it was his birthday and the restaurant serenaded him with a free cake, unknowing he was No 1 in the Ratings also - does it get any better? The Saturday night finished with the Usyk fight and Gareth pushing Wadders down the steps, broken collarbone and cracked ribs! Its entirely possible that Gareth wasn't actually there and Wadders fell due to the amount of beer and wine consumed! I'll let you guess which was the correct version of events. A brilliant weekend; Onto the next one we say!

GM ADDITIONS

Thank you for the write up Cranners.

Stand out moments. Wadders doing his Johnny cash dance as he came back form 2-4 down in the last 20 minutes to knock Rob Lewis out of the League Cup.

The amazing twenty-plus penalty shootout that had everybody on their feet

Fingers with his massive bag being driven down the platform at central station like a king

Adrian struggling with his daughters laptop, not happy man

Massive burgers at the fat Hippo

Those bloody hills

A trip on the underground with the children

And a great time with a great bunch of lads

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 /**

UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -

MANAGER'S NEEDED

We have some teams that we would like to get managed in the ramsey league. Will do a good offer for anybody who takes one over. You sugest the offer ok

Battersea Blues in third division. a challenge team mainly due to the squad being quite old.

Aliens Utd in seocnd divison they have FOUR stars but need som work sorting out the squad for various reasons.

Geographic FC in first division. Wow. FIVE MF specialists in the squad. TWO stars and three million in bank. A team to build on and make a challenge at the very top.

Come on take the plunge

The Shakespeare League

The Shakie is ncie league whcih ahsn't really got a supert team, so competiitve indeed. However, for soem reason it has been leaking players and now is in the position that it needs a fresh infusion of new blood. I have a fix for this and that is to inject some 36-1 clubs into divison four.

Suggestion is the nornal set up in terms of ground/ sps etc

But starting cash would be 1000K

ten random 36-1 players

one 19-12 outfield player (not gk or sw) (managers choice)

one unqual sby of 6.5 qual (random outfield)

one 18-2 FUT (manager chooses position)

No promotion or relegation at end of first season

Certain parts of each auction would be just for div 4 managers

First season free, second season £20

If interested let us know, sugestions about th set-up warmly received
