Hope League - Session Five

Season 12

Email:

ROUND-UP TIME

This session sees the Mighty **Migs** finally arriving as true title contenders. Been a long time but Mr Sutton is knocking on the door of the Pantheon of Kickabout Gods no doubt. Fine session sees his boys down **Leamington** twice to keep abreast of **Brutus** at the top of the table. Can Mr Sutton keep it up is the big question.

That dastardly Barrett chap however is lurking just three points behind. Bets on him retaining the title gents?

My Lord the bells are certainly ringing as old Cranstuff comes alive. One win changes his outlook as relegation strugglers into fourth place and back in the fray. Very close in mid-table though where one win or defeat can really affect your position drastically.

In the second **Darkside Arts** continue their run of form and forge to the top of the table. Nobody is dominating here and you could look down to about tenth to think they have a chance of promotion.

Two goals in five games previously, **KA Royalty** hit four against fading **Athletico** to move out of the relegation zone.

Division Three sees **Gobaith** continuing their fine form to set the pace Plenty of teams behind them though just awaiting a loss of form

A large foray into the transfer market this session does this mean that Mr Condon is going to cut loose and the rise begins?

A Quandary of Nerds

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

I have to repeat this now and again, why? It is the managers responsibility to get his orders in by the stated deadline. I try to send out reminders for those who haven't done this, if I have the time. But sometimes I don't . It should be easy enough to keep a record of deadlines or consult the Despatch Schedule. Rather than blaming me, which does not compute

FORTHCOMING KA WEEKENDS

After an amazingly fun and successful weekend in Glasgow minds have turned to the future. Unfortunately, the dastardly Seamus has pulled the rug out from under us by selling his place for millions of filthy lucre so we won't be able to sue the amazing Padraiscins again. Boo Boo!!

However a hardy few would still like to go to Galway and use the same system we have successfully used in both Norwich & Glasgow of late. I.E. hiring a big house to sue as the venue for our gaming extravaganza

The following hardy souls (or should I say the ones who want to enjoy life with like-minded nerds have elected to go so far. Cranners(Paid), Seamus(Paid), Gareth(Paid) , Rob Lewis(Paid), Gerard(Paid), Craigins(Paid), Nigel the Smith(Paid), Jens baby, Dennis (Paid) , Colly(Paid), Tim Dodge (Paid), Steadders(Paid) & Baddad (Paid)

Just one who can't be bothered to pay!!

Galway 2024 10th-13th October

Spring 2025 Back To Norwich

**Tommo McTomface, Geraldo, Jens & Seamus Are First Dogs In
dates 9th-11th of May**

**Craig is happy to plan another Glasgow weekend in October 2025
dates 9th-12th October**

And Bo has offered to host us all at his place in Odense during the spring of 2026

Looking for somewhere new after that and Sheffield is in the frame

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

KA becomes 40 years old in 2027, perhaps something special to be arranged?

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

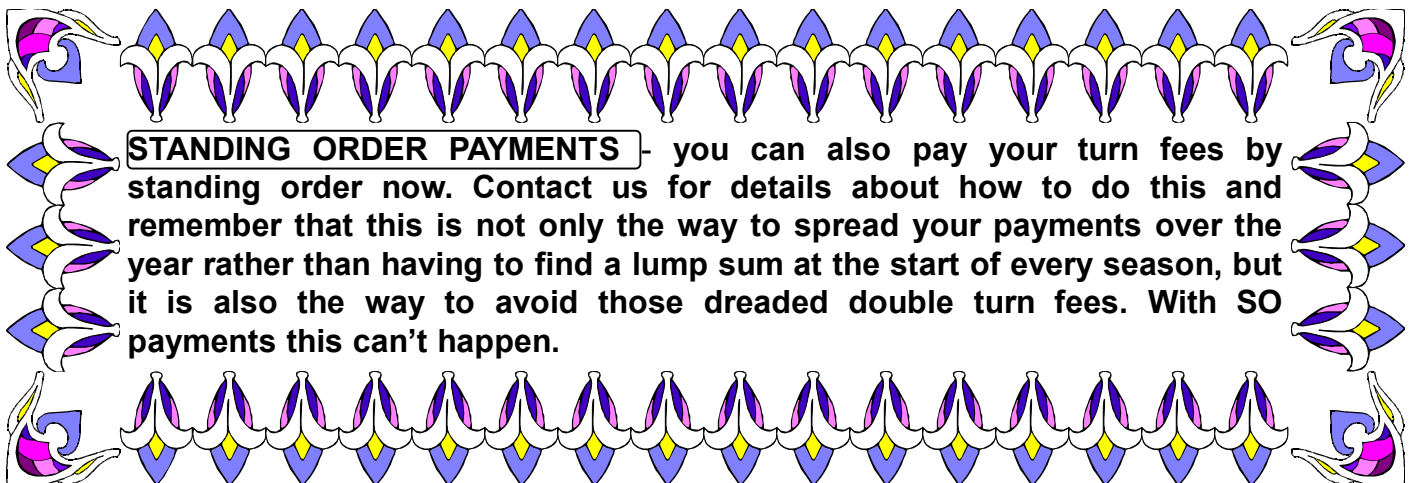

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the tempick maestro will change this

CREDIT CARD PAYMENTS

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K

the shakespeare league

The Shokie is nice league which hasn't really got a super team, so competitive indeed. However, for some reason it has been leaking players and now is in the position that it needs a fresh infusion of new blood. I have a fix for this and that is to inject some 36-1 clubs into division four.

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
