

## LEAGUE CUP FINAL

A MIGHTY EFFORT

BLACKBURN RVRS 0:2 BOLTON WANDS

**Blackburn** with a chance of League Cup glory came to take the game to extra time and possibly penalties against their illustrious opponents **Bolton Wands**.

**Bolton** came with all their midfield stars and a swagger, they lined up 3-5-2 formation, with **Blackburn** coming with a slightly more defensive SW-2-5-2 formation, they also zonally marked which worked well for them. DAVOS LECHEROI had a poor game by his standards and was unable to contribute to either attack or defence as much as he might normally like. **Blackburn** unsurprisingly were consumed with defending and stopping **Bolton** playing, who ended up relying on NETO and BERHOFF in particular getting forward to create chances. KADINSKY doesn't need many chances with his finishing ability and he towered over the defenders to get his tenth goal of the season, halfway through the first half.

**Bolton** continued to create a small number of chances, and **Blackburn** continued trying to defend and defuse the attacks, whilst hoping for some magic to get them back in the game.

Unfortunately the chance never came, and in the last minute NETO poked home his first goal of the season to seal the cup for **Bolton** and end an excellent effort by **Blackburn**.

## CROYDON LATE RUN

**Croydon** played catch up this session. Firstly comfortably seeing off visitors **Belmont** whom they swamped with attacking play, the visitors offering no chances. JOSHUA BADNITZ and a brace for VAN DER MEJDE meaning the game was over in 60 minutes.

In their postponed game **Croydon** welcomed **Martino** who missing (G) INCCIE played for a draw and hoped to get something from the game. As a plan this went very well overall, but JOSHUA BADNITZ broke through in the 55<sup>th</sup> minute and then the visitors lost UTRECHT to a straight red as they lost their discipline.

The home side pressed their advantage immediately and scored 4 goals in 5 minutes, including a VAN DER MEJDE hattrick, and then got another one in the last 10 minutes. A humbling experience for **Martino** fans.

A little pressure applied on **Bolton Wands** perhaps as their six point gap closes to four, though they did everything right as they comfortably saw off **Charlatans**. The home side were missing BURGESS and BONSU through injury, as well as GOTYE. To say it made it difficult would be a massive understatement, arguably they did well to restrict **Bolton** to just a handful of chances, unfortunately FLOWERS in goal had a poor day and let half of them in??..

**World News** continue their push for a top 3 finish, with a solid 1-0 victory at home to **Cryogenix** only an inspired keeper and sweeper combination restricting the home side from a more convincing win.

**Owlerton** and **Belmont** continue to match each other in league form, a very tight game saw but a handful of meaningful chances, and it looked like a draw for sure with SAUUCE cancelling out YODA's early goal, only for EARLE to pop up with two minutes to go and steal all 3 points for the home side.

**Purple Hearts** win over already relegated **Crusaders** means they still have a chance at avoiding relegation, and with **Rapid Rapace** beating a miserable **Martino**, and then in a rearranged game crucially beating **Cryogenix**, there are now realistically 4 teams in the danger zone for the remaining 2 relegation spots.

## TOP 3 SORTED?

**The Family Cat** went defensively minded to **FC West Trip** and should have claimed at least one point, if not three, but instead ended up coming away with nothing as they conceded a single goal to a piece of brilliance from RONALDO. Unfortunately their defensive outlook inhibited their attacking opportunities and they were unable to at least gain parity and pick up a point that may have kept them in with a chance at promotion.

# KICKABOUT NEWS

As it is even though **Nelsoners** were soundly beaten by **Hannover96** (with a very early and very late goal that did not really reflect their dominance) the six point gap and inferior goal difference will make it almost impossible.

**St Peters** dominance against **Wolfpack** was also not reflected in goals, as the visitors performed admirably, with zonal marking and a defensive outlook almost stealing them a point, unfortunately now **Wolfpack** will need more than a point here or there to retain their 2<sup>nd</sup> division spot, this is because **Istel Palace** managed a rare win away, albeit to relegated **Anfield Stars**.

**Red Star Cevile** could only manage a point away to **Fulham Lumens** in a game of no chances whatsoever, 29,146 people had to watch that display!

**Wycombe** entertain their fans with a 5:1 victory over mid table rivals **Typhoon Loftus** a devastating attack overruns the visitors defence despite identical 3-5-2 formations, with FRINSKI getting his 23<sup>rd</sup> and 24<sup>th</sup> goals of the season.

## SLIPS GALORE

**Chiaroscuro** slip up away to **Walsall Heath**, salvaging a draw admittedly something with ZEFERELLI getting his 12<sup>th</sup> goal of the season with a brilliant solo effort. **Walsall** had given as good as they got and only begs the question as to why they are in danger of relegation?

**Elegant Chaos** missing KORYASKI's genius in midfield looked a little light on ideas against a spirited **United OB** who came for a draw and got it with a fine zonal marking display. The home side's slip looks less damaging than **Chiaroscuro's** though as they are still six points clear at the top.

**Viking Raiders** maintain their pursuit of the leaders with a somewhat flattering win away at **FC Nottingham**, in a remarkably even match on paper. The home side battled well, and on another day, or perhaps with some zonal marking may even have taken all three points. With a bit of luck they in with a chance of overhauling **Trachloe Villa**, who were poor at home to a very attacking **Paris Angels** missing the reliable GARLIC in goal they will need to pick up some points quickly to avoid relegation. Admittedly a nine goal thrashing is not a fair reflection of their outfield but it will be a massive concern to the fans at the moment.

Both **Twin Peaks** and **Redden Court** will likely be relatively happy with their scoreless draw, a hard fought derby, which the home side may have edged but for the dismissal of BUDA with 11 minutes to go.

**FC Skangers** pick up just their second league win of the season, to be fair visitors **Jovian Giants** didn't do a lot wrong, dominated midfield, defenders got forward, strikers created chances, they just couldn't score. **Skangers** meanwhile had one chance of note and TALAUI scored the simplest of headers which inexplicably BROUGHTON let in.

## MATHEMATICS

Bar the shouting, promotion is certain for **Blackburn**, who saw off **KU Clubbers** easily and could have scored double the six they did.

**Holland Pk West** are also definitely up, though a dull no score draw away to **Travellers FC** meant that there is a mathematical chance the **Travellers** could still gain a spot. Not that **Coral Sea City** really have anything to fear, their somewhat flattering victory away to **Tiverton Tigers** means they only need a single point from their remaining three games to be certain.

**Real Olivero** entertain the home fans with a solid and deserved victory against visiting **Dark City** an early goal setting them on the way to a fine display.

**Celtic Rangers** scramble an away win at **Old Josephians** a draw looking very much on the cards before HARPER loses his cool in the derby crucible and gets a red card, leaving his team mates hanging on for 19 minutes, which proves to be one minute too long as **Schillachi** steals a 90<sup>th</sup> minute winner for the visitors.

**Bluesville** welcomed **Cougars** to their place and both sides proceeded to produce a decent amount of chances, in a quite open game. Unfortunately noone could finish and the the keepers had a fine day, a no score draw it ended.

## UP FOR THE CUP

MARTINO 0:1 BLACKBURN RVRS

**Blackburn** prove their resilience (if they needed to!) and do it the hard way, but a fine away display sees them try and keep it tight perhaps hoping to dominate in extra time, or looking for the bit of magic their players are very capable of producing. They perhaps may not have expected it from STARK, but it was he who stole in unmarked and grabbed them an impressive win against the mighty **Martino** who did threaten but couldn't get past VAN KEEPA who picked up a slight injury making another fine save.

## BOWLING ALONG

### BOLTON WANDS 1:0 VIKING RAIDERS

**Bolton** do just enough to see off a spirited **Viking Raiders** both sides lining up 3-5-2, **Viking** employing a zonal defence and hoping to take the game to extra time or penalties. They indeed negated a lot of the **Bolton** creativity, but from one of the few chances **MONDRAIN** scored a towering header to put them ahead, and there didn't look a way back for the **Raiders**. However a late second yellow, and therefore a red, for **COLLINS** led to a nervy last 8 mins, not taking anything away from a fine effort from the 3<sup>rd</sup> Division side.

## TROPHY TRAILS

### 3<sup>rd</sup> round highlights

A plucky defensive effort from **Twin Peaks** sees them frustrate **Fulham Lumens** for a good 40 minutes, before conceding a relatively straightforward header from **SAMMER** for the visitors, no way back for them, though the visitors unable to finish the game off made for a tense finish.

**Wycombe Town** dominate visiting **Typhoon Loftus**, the game certainly over very soon after **PIETT**'s red card which then saw **Wycombe** flood forward and dominate, a 5-1 victory a fair reflection of their dominance.

**Holland Pk West** nearly match their higher division opponents across the field, not generating many opportunities, but affording the opposition very little. Unfortunately their keeper and sweeper let them down, conceding two goals which may have come as a bit of a surprise to **Elegant Chaos** who were probably expecting a somewhat sterner test.

A fine game between **Coral Sea City** and **Viking Raiders**, both sides really going for the win, **Coral** edging it from an attacking point of view, but **Viking** controlling the midfield well. The contrasting formations allowed for an open game and plenty of chances, with the **Raiders** coming back quickly from an early deficit to control the game and eventually see off **Coral** by the odd goal in 5.

### TROPHY Semi-final draw

ELEGANT CHAOS vs VIKING RAIDERS

FULHAM LUMENS vs WYCOMBE TOWN

## GOLDEN BOOT

**JOSHUA BADNITZ** of **Croydon Flyers** leads the way, his only real opposition **GOYTE** of **Charlatans** who is 5 ahead of nearest rival **VAN DER MEJDE** also of **Croydon**

Two in it in the 2<sup>nd</sup> Division - both from **Wycombe Town** - **FRINSKI** leads the way, but **PALPATIN** will be keen to change that. **AMOAH** from **Hannover96** is probably too far back to catch these two.

Only one winner in the 3<sup>rd</sup> Division - **DANIELS** has it sewn up - 16 goals clear of **DORTMUND** of **Paris Angels**.

**BRAZIL** looks like he has the 4<sup>th</sup> Division sorted too, his nearest rival is team mate **ZAKOPANE**

## MEANEST DEFENCES

No real contest in the 1<sup>st</sup> unless someone does something strange to **Bolton Wanders** only 5 conceded.

**Hannover96** look well set for the 2<sup>nd</sup> Division with just 4 conceded, only **St Peters** are even remotely close with 11 conceded.

**Viking Raiders** in the 3<sup>rd</sup> Division with just 9 conceded, closest rivals, **Elegant Chaos** with 16.

Bit tighter in the 4<sup>th</sup> Division - **Blackburn** have only conceded 4, but **Holland Pk West** have only conceded a single goal more, so could go either way.

# AUCTION

Remember the transfer deadline  
comes into operation at the end  
of session thirteen ie NOW

## ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

## AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

**In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item.** However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

**LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!**

**Your newsletter writer  
is  
Hugo Allen**

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

PLEASE NOTE THAT UNLESS YOU  
SUBSCRIBE TO TEAMPICK/SHOMATCH  
THEN YOUR TEAMSHEETS WILL  
ALWAYS BE SENT OUT BY POST.  
EMAIL TURNS ARE ONLY SENT TO  
TEAMPICK/ SHOMATCH SUBSCRIBERS

## SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

**FACEBOOK - kickabout online**  
**and Twitter**  
**Online Kickabout**

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

**You can pay by card/paypal through our new web-site**  
**kickaboutonline.co.uk**

# KICKABOUT BITS

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to **KA-kickabout+subscribe@groups.io**.

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

## KICKABOUT SERVICES

**MAILING** - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

**ALL EMAIL** - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

**TEAMPICK/ SHOMATCH/ MARKINFO** - all the info you need for these programs is at - [www.Teampick.co.uk](http://www.Teampick.co.uk)

**NEW WEB-SITE** is now up and running, [www.Kickaboutonline.co.uk](http://www.Kickaboutonline.co.uk) to see the goodies

**MARKING INFO** - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

## BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

# KICKABOUT BITS

## PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

**Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.**

I have some ideas about how to use this stat in the future so watch this space

## KA MUSINGS & MEANDERINGS

With only a few exception or so, the Kickabout leagues have all been hard-fought and gone down to the wire to discover who finish as champions. A couple of walkover leagues but hopefully they will change. Is the closeness due to improve managerial acumen or just the law of averages finally killing the super teams?

Shock win for the **Wellington** at **Disraeli** ends the home sides run as champions and gives the title to the **Ramsey** who have been in the wilderness for a long time. Stars come out in the Ramsey at the end of this season. Best season ever for the **Wellington** I think

**Raleigh** can do no better then draw with **Shakespeare** so the ex champs go back to the seocnd divison again

Winner takes all match sees the **Churchill** save themselves form disastrous relegation and send the **Montgomery**.

Draw at **Jackson** Wins the title for the **Nelson** who will hope to do better then their last promotion.
