AUCTIONS

THERE ARE AUCTION LISTS ON the following sessions (ie the items will appear for bidding on) 0/ 2 / 4 / 6 / 8 / 10/12

The transfer deadline also comes into play on S13.

THE PUNDIT SPEAKS

Could be another shock winner this season, watch out for **Corella Pirates**, they could be leading the way. However, it is going to be close this time out I think. Another promoted team, **Ton-Eighty** will have a good season as will **Tusken Raiders**. Looks like the promoted teams have all planned for the coming season better than the first division outfits with all three of them in the mix. **Hill Valley** might be the best of the old-stagers though. At the bottom, well sad to say looks like bye bye for **Leamington** after so many years of success and they are accompanied in the bottom stakes by **Kessel runners** I think.

division two looks like a real battle. **KA Royalty & Darkside** are looking good, though both **Dynamo Kash`** and **Star Command** will be up for the challenge I think. Dropping like a stone are cash rich Moseisley, rebuilding time in the third ahead I believe, as well as **Han Shot**, once champs now continue to struggle and expect **Galerie Bleu** to complete the journey back to the third after their meteoric rise.

division three sees three clubs with good but small squads likely to do well if they can continue to flesh out their squads **Atletico Smith**, **PFC Lubos`** and **Andrassy Ave**, are the ones to watch though might well be that **Park Street** could pip them all to the title. Could be close and don't rule out the re-emergence of **Stile Common** as they continue their improvement. The richest club in KA ought to really be able to challenge this coming season. Down among the deadmen, well head and shoulders above/ below? the rest are the dreadful **Seaside FC**. Quite the worst squad I think I have ever seen in Kickabout Still the manger has built a very young squad and has oodles of cash to spend so who know? Apart from that lots of teams very much of a muchness though if **Beggars Canyon** don't spend their warchest they could be propping up the rest come end of season

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

SOMETHING TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. So emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged matches should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline. co.uk to see the goodies

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on our chris.spelbinder@btinternet.com address only.

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

THE MUCH MALTREATED DF/A

After much discussion with the KA fraternity at large we have decided that from the end of this season DF/A's will qualify for getting the best defence bonus just like SW & DF do. So DF/A's are even more important a player.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

The latest version now available at
<https://dodge.me.uk/markinfo.exe>
