SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the

Park hold on despite being under the cosh. and a late goal swings it for them again the run of play

New Lords defy **AC Mailan** who have to go to penalties before they got their dereved victory

Potato perhaps shock winners against **Inter** but on their own patch they just about deserved it.

The **Bits** always had the upper hand to see off **mailers**

THE INTERNATIONAL ROLE OF SHAME

The following players are all suspended next session for the number of games shown besides their name :- ROBERST [1] (ENGLAND) / HUMES [1] (SCOTLAND) / BRANDYWINE [1] (GERMANY) /

Two teams in the final who have never won the competiotn before. Congrats to **Paul Sutton** (is he now getting used to winning things), as he triumphs over the mighty BO

Prize money for international success has been added to the managerrrs club team accounts

FORTHCOMING KA WEEKENDS

We have three KA weekends planned for the future, taking to players recently it seems they might be very full, this is especially so with the Glasgow on next year, so you really need to get your names down if you are planning to attend any of these, to avoid disappointment. You don't need to send cash at present just get your name on the list

Spring 2025 Back To Norwich

Main house accomodation already booked for this

Tommo McTomface is first man in
Geraldo, Jens, Seamus, Craig, Gareth, Nigel, Rob, Chris Moore, Wadders, Neil
B & Adrian have all indicated that they are coming
dates 9th-11th of May

Glasgow weekend dates 9th-12th October
Craig is first man in here
Gerard, Jens, Seamus, Gareth, Nigel, Rob, Cranners, Steadders, Neil B, Adrian &
Colly all reckon that they will be coming along

And Bo has offered to host us all at his place in Odense during the spring of
2026

Bo, Rob, Tim & Dennis are first men in
Craig, Gareth, Nigel, & Cranners have all said they will be there

October 2025 will be in the lovely city of Sheffield. Pete Condon has promised
to make an appearance as, I am told, will Danny Smith and we wil all be able to
shame Danny into returning to the fold

Kickabout will be forty years old in 2027, so perhaps somewhere special could
be planned for then?

VIRTUAL WEEKEND

We are hoping to run another virtual Kickabout weekend in 2025. tentatively the date is the weekend of the 22nd of February.

Cost for this extravaganza as always is £22.50 and will use Craig's new weekend set up and 16 team format (unless we are oversubscribed).

So have some fun during the dark nights of winter and get your name down.

Gerard, Scott, Wynne, Rob L, Gareth, Dag, Adrian, Craig, Morten, Jens & bo have all said they will be taking part. Come on the rest of you sluggards

MANAGERS NEEDED

Got a couple of good team free that might interest some of you out there.

Premier league is just coming to the end of another season. Hands on your own team with your own real life players, what fun. Got a couple of free teams, one of them very good indeed £30 credit to start you off both are ideal for those who have just one or two clubs to manage to bolster their stable??

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

THE MUSINGS AND MEANDERINGS OF THE KA MIND

Seems not to have ever percolated the understanding of some out there, but if you only have ten men and a SBY, you do not have to play the SBY and qualify him. You can ask for a NL player. This has never been a 'rule' but long ago it was decided that this would be the case and you can 'save' your GK. As 95% turns are now sent in by teampick it doesn't really matter as teampick just takes what you want to do and sends them to us. We do not have a rule and never really see your kik files so no way

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

How to build a challenge side by Craig Lawton

Let's get right down to it. They are a challenge side because they are shit. More than likely it will be full of low to mid-level 20 somethings.

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

? Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

? Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 13 _ sales to NL go to half price after that.

? Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Trophy.

? Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

? Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

? Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

? If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

? Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

? Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

? You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

? Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!

COMPETITION TIME

We know that what you kickabout players like is a good competition, the chance to win something which doesn't involve skill (unlike in Kickabout). So as the nights get darker and longer we have decided TO REPEAT last year's xmas competition to brighten up your dull and dreary lives

We have a competition about to run with far, far more prizes up for grabs. So how is this going to work you ask. Well, for every £30 you pay into the credit of any account (in fact or every \$30 you pay for any reason ? even Chris beer money ? you will get a ticket in a massive draw. A 100% chances to win something).

SO, what can you win? Well, Unfortunately, there will be some, 'tough titties Prizes, i.e. no win (25), but
You will still win the joy of taking part

There are twenty prizes of double turn credit (any amount paid in)

There will be thirty prizes of between two and five turns credit

There will be one lifetime membership prize for one of your teams

There will be one prize of £100 free credit that can be spread around all your teams

There will be two prizes of 30 free turns

There will be two prizes of 20 free turns

There will be ten prizes of a new team in any league of your choosing with a Season free, plus every season there will be a chance (50%) of that team receiving another free season (until you get to a season where you have to pay, then it ends)

There will be five prizes of a free entry to a KA Weekend

Finally four mystery prizes that could be anything, a lifetime membership, a used pair of Cranners postie shoes, a bottle of lube recommended by Hattie, a pair of super ear plugs for use in KA weekends when Spud goes ballistic or Wadders does his Johnny Cash impression, or a copy of Adraans' latest snakes and ladder campaign, you just have to wait and see what and see!!!

So get in there before the big buck prizes disappear cos this competition only runs until all the postal leagues S16 are processed and sent out.

Oh nearly forgot. You have to claim your ticket when you send in the cash
