## MUTTERINGS AND MEANDERINGS OF THE KA MIND

### ESPECIALLY FOR WARWICK

Why does my FWT not work even when playing with a WG(Best option) or a DFA (not quite as good). Simple answer if that he will only get you those crucial extra shots if you opponent is not playing a Sweeper. the sweeper automatically latches onto the FWT and tries to stop him playing. This depends though on the relative levels of the players involved. A level two SW will get blown away by a level 12 FWT etc.

## ROLLER LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

**MARKING INFO** - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

Remember the transfer deadline  
comes into operation at the end  
of session thirteen

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

You can pay by card/paypal through our new web-site

[kickaboutonline.co.uk](http://kickaboutonline.co.uk)

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

# MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

## SPECIAL OFFER

Fancy a different challenge, then what about the Veterans league. Fast action, tight on cash and some rules that differ to the normal leagues, the Veterans poses a quite different challenge to the other leagues. Looking for a new manager at present are **FC Westeros**. twice they have finished third in the top flight, and have also lifted the cup once. Alas their former manager lost interest and has left them to flounder in the second division. Yes they are a challenge now, but a different one for sure. Would dearly love to see them managed again so will give the lucky man who raises his hands to takeover, TWO free seasons to resurrect them, plus your next payment of real money to one of your teams or two, will get a 50% bonus added to the credits. Can we say better than that. NEVER!!

By the way the veterans league only has twelve sessions per season?

Or what about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Free season here for the hot dog who takes them on?

# CONTRACTS UPDATE

---

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

***We suggest that you always add 1K to your bids***

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

---

---
