THE PROSPECTS

1

Top of the pile should see **Dakin** leading the way again as they have the team to take the title. Plenty of cash reserves too so the fans are surely expecting another title by end of season.

Neptunes are next up & just behind **Dakin** levels wise, so with some acumen we could see them really push for top spot this season. Manager Hails is a generous sort with some the highest paid players in the entire division.

Promoted **Durnovaria** could shake up the division with possibly **NMAC** & **Raith** close behind although the deadly Daggins needs to sort their wage bill, currently 400k a week!

Down towards the bottom is a bit of a tough call but potentially **NFL** & the recently promoted **Baker Street**, could have their work cut out for them. So fleshing out the ranks fairly sharpish will be the order of the day.

2

The **Saints** should get their act together this season & finally top the pile but that old Lawton curse still has them stinking the place out. Not too far behind could see Northwich up there with **Little Moscow** & possibly **Mercury** in tow.

The swash buckling **Foxes** are in big trouble unless Smaug Jondahl gets off his treasure chest and spends some of his considerable dosh on some badly needed replacements. The newly named **Ukrainian** outfit under Wadderz are also in the mire, big job here for the wide boy.

Mirus Marvels could also be on the slide too with some truly shocking wages to be sorted asap.

3

The third division is a real toughie with many better sides here than in the tier above them.

Wellham are on their way back, barring any silly injuries they should make back to back promotions as Big Bad Bo has already assembled a talented team that could compete at the very top.

Malwinka should really be joining them but Manager Dave Hargraves has a tendency to sell off his talented players so this will be one to watch. Currently an excellent side & should go up. **Kernow** will be eyeing the third spot as they have the talent to join the potential top two.

There could be a real relegation scrap in the third this season with many of the remaining sides all very similar in quality.

Both **Ultra Milan** & **Reel Elvet** look to be in Barney Rubble with **Finn Harps** also looking nervously at the trap door.

4

You have to feel that this will be the year for **Stockport Devils** to finally begin their ascent up the league again.

Reigate Albion should be there or thereabouts come seasons end, as could the wily Mansell's **Beddgelert**.

Club Formosa & **Newark** are the dark horses here.

Rivendell look like a lost cause with the massive rebuild ongoing, while **Elementals** & **Ironopolis** may also struggle to make headway.

All to play for though & the purchase or discovery of one or two starlets could make a real difference.

You can blame Seamus for this at end of season!!

MANAGERIAL CHAIRS

DIVISION THREE

Bravehearts FC are now called **Zaporizhznia**

THE REPRESENTATIVE

LEAGUE

Not a fantastic season for the league but manager HUMPHRIES retains his place as manager by the skin of his skinny skin teeth! Time to pull your crabby finger out Sir! Last chance saloon.

INTERNATIONAL TROPHY TEAMS SEASON TWENTY-TWO

NORWAY - Morten Jensen

GERMANY - Scott Abraham

SCOTLAND - Tim Dodge

EIRE - Neil Humphries

USA - Hugo Allen

WALES - Simon McAuley

ENGLAND - Paul Sutton

AFRICA - Dave Hargraves

FINLAND - Colin Armstrong

ITALY - Richard Barnsley

ASIA - Warwick Mansell

ROMANIA - Paul Stevens

The groups for the International trophy will appear in S1 news ready to start S2. remember that there is an extra fee for playing on the International scene, which is £7 and that this has been deducted from your account. As usual now, ALL International managers, on the basis that they travel about the country more and see more players, will earn a free SUPERScout for their club team in the league on S1. A pretty big bonus indeed.

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, **plus extras depending upon the division your team competes in in the International trophy.**

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such.

After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you

the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your timesheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
