THE PROSPECTS

1

Division 1 It looks very much as though the title could be fought out once again between Sutton Rovers and Sun Inn, and I think that the winner will be who is the shrewdest at wheeler dealing. ICI Bolton look likely to be the closest contenders, though I may well

pick Empire City after last season's showing and Harold Wood after their promotion as my dark horses but the other 2 that were promoted may be able to cause a few ripples. As for the relegation places, it looks as if Carleton City & Ramsgate Utd may well struggle this season, although Brutus does have cash to buy his way out of trouble as do Red Star Rovers who may also struggle while will this be the season that Uffington FC's luck runs out, or will their creativity save them once again?

2

Division 2 Ratcliff Rovers look to be the slight favourites for promotion and there's money in the bank for strengthening the

to be 2 promoted sides in Confederates and newly christened Plumstead Comon with dark horses looking to be Juventus, although it looks as if this could end up being a '2-tier' division as the other teams that could make up the top 6 do seem stronger than the others. It looks very well as if Newport Exiles might well be heading straight back down again although Pad does have some cash available to stop that happening, other teams that may well be down there with them are Bignor Hill, Venus Volcanos & Olympiakos, while the brothers Pritchard (Vitoria XI & The Heebees) could well be dragged into the equation as though both teams have cash, their wage bills are both appalling.

3

Division 3 There's no doubt that Ale Can City look to be head and shoulders above their competitors, their nearest rivals are likely to be Ewood Eagles and Richmond Park with both teams having cash available to improve their squads more than they already are but

if I'm honest these 3 teams do look to be far better than the rest of the division. Appleby FC look to be the only team that may be strong enough to be classed as dark horses, they certainly know how to grind out wins and draws as last season's Bowl winners proved. As for the rest of the division, it really looks as all 8 of the teams could get relegated. Most at risk look to be Red Storm as they look the weakest team in the division though if anyone can save them, it's KP. AFC

Scrumble look likely to finish their descent through the divisions but if they spend their cash wisely, they might arrest their fall, the other team that 'may' struggle came as a real surprise to me as it's Firefal Down but I'm fully expecting manager Moore to prove me wrong.

Division 3 is honestly the hardest for me to guage as there looks to be so many weak teams in it.

4

Division 4 It could well be an interesting fight for promotion from Division 4 this season with there being next to nothing between Phoenix Reds and Barracuda Bay, though Barracuda have the edge on money, while Phoenix have the younger squad. Both of them could well be pushed all the way by Pacific Heights who, if they could turn some of those draws into wins, as they are also quite strong. As for dark horses, there appears to be 2, firstly there's Northern Spark and then there is Crockenhill Utd, but they flattered to deceive last season, so I'm not holding my breath. At the bottom, the weakest team appears to be Blurorange Stars but with Cranners as the manager and with some cash available to him, I expect him to turn things around. Coniston Rovers are another matter as while they have the ability to get creative shots, they need soemone to be able to put those chances away and apart from those 2, there are Connaught FC who started showing shoots of a recovery in the final weeks of the season, and there is also Hawarden Castle who's manager Thornhill knows something about rebuilding sides.

(N.B. While choosing these tips, I did forget to take into consideration the squad sizes for the teams, so there's every chance my picks will be horribly wrong - Fingers)

MANAGERIAL CHAIRS

Wigan Warriors are now called Plumstead Comon

THEREPRESENTATIVE LEAGUE

No promotion but second spot in their division yet again so manager PETER BROOKS retains the job - just - but perhaps this is his last chance to get out of the divison

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow

you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE!** - It applies to you! **THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or

go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

INTERNATIONAL TROPHY TEAMS

ROMANIA - Paul Waddingham

WALES - Dag Overli

HOLLAND - Paul Stevens

ASIA - Rob Scott

AFRICA - Simon Pritchard

ITALY - John Pritchard

ENGLAND - Richard Pickup

USA - Wynne Phillips

GERMANY - Gareth Ashcroft

SCOTLAND - Chris Moore

RUSSIA - Phil Stocks

SPAIN - Simon McAuley

The groups for the International trophy will appear in S1 news ready to start in S2. Remember that there is an extra fee for playing on the international scene, which is £7 and this has been deducted from your account **THIS TURN!** As usual now ALL international managers, on the basis that they travel about the country more and see more players, will earn a free SUPERScout for their club team on S1. A pretty big bonus indeed.

CHECK YOUR START-UPS

Please check your start-up credit balance **NOW**. If there is anything wrong with it then let us know **NOW**. Don't come back in six months time and say 'I think there was a mistake with my credit balance on turn one', cos we'll say **TOUGH. YOU HAD YOUR CHANCE.** So **CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!**

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your turnsheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
