Division 1 The top division really isn't an easy one to call this season but looking at the squads, I would say that Gillingham FC will have their work cut out for them to retain their title as there are a few teams that will definitely challenge them for the big prize. In my opinion the team that could rock the boat this season are Westhill AFC who've built their team really well and I can't find many, if any, real weaknesses in their team but Reebok Wanders also look likely to be up among the top 3 though I think they do need to trim their squad down a touch. As for the dark horses, I have 2 in mind....firstly we have Scaynes Hill who look like they are almost ready to become champions once again and have the cash on hand to buy the missing link. The other dark horse are Wexford Wraiths, who started last season so well but just fell away although they do need a couple of additions if they want to challenge. As for the bottom of the table, that seems a bit more clearcut with Metropole IF looking the weakest of the teams and it looks like a season of struggle for them and their fans. Laizy Town may also find life harder but the Doc definitely seems the perfect prescription for their ills, other than those 2, every other team could be dragged into the relegation battle this season.

2

Division 2 Although they need some additions to their squad, I would make Art of Noise my favourites to win the division as Big Bad Bo has got himself a team that wouldn't look out of place in division 1. Hot on their heels is likely to be Liverpool Stars but they need to find a bit of consistency as though they certainly have a good enough team to challenge, they maybe need a player more. When it comes to dark horses, the main teams that stand out to me as Noises's fellow promotees Real Kickaveg as well as the relegated Rosinborg FC could well challenge the teams above them, as might Trent Vale FC as they certainly can pull off some excellent wins.

At the bottom of the table, it looks as if Roxley Foxes will really need to spend their warchest as this is the weakest I've seen them but Torliev has proved me wrong before so I expect him to do it again. FC Garvock really need to pad out their squad as it's so threadbare and without sufficient reinforcements, they could well go down once again or hope that there are worse teams in the division to prevent that happening.

3

Division 3 The battle for the title looks like it could be close this season with Tolpuddle just about having the edge over Aonghasa, with Galway Loftus maybe chasing them, once they find a manager that is. There looks as if there could be a couple of dark horses if any of those 3 slip up, the first is AFC Karori, who with a couple of astute buys could easily make themselves part of the equation, the others are N.F.F.C. or Burbage Moor, who certainly have cash available for improvements.

I'm expecting Banks Allstars to finish rock bottom of division as they are going to need all of manager Hails team building skills and most of the cash they have on hand as well, if they buy wisely, they may not finish bottom. If I'm being fair and honest, there are a few teams that could well struggle this season but I feel that Steel City and Buckkeep Town will be likely to make up the bottom 3.

THE REPRESENTATIVE LEAGUE

The league only managed fourth spot, but were only two points off of taking the title so manager OVERLI gets another shot at it

THE SHAKESPEARE AWARDS

Manager of the Year Award, goes to **Adrian Williamson** of Gillingham FC, first season in top flight and he wins it, what a first season back in the top flight!

Most Improved Team Award was shared between **NASL & Art of Noise** both topping their divisions

The Performance of the Year was won by **Scaynes Hill**, lifting the cup

The GMS Award I give to **Banks Allstars**, they need all the help they can get!

The Fair Play Award is shared between Westhill AFC, Steel City & Cuthberts Cats with nil to their names

NAME CHANGES

Galway Loftus are now called **Aonghasa**

Osuna Orlata are now called **Trent Vale FC**

Welcome to the new looks Shakespeare league. AS the league was getting short on managers, we decided to form a fourth division made up of 36-1 teams. luckily it filled up so the league, as a result, is now basically a full league.

This will mean a few difference for the next couple of seasons.

First is that THIS season the fourth division sides will NOT compete in the cup or the League Cup (we would get too many crickets cores!)

Thus the first rounds of both comps will just have eight sides in them to get them down to the usual 32 teams in the second round.

The cup 1st round will consist of the bottom eight sides from last season, the cup of eight randomly drawn teams

Secondly, the normal auctions will appear but from the next auction there will be a few lower skilled players who will just be for the fourth division sides to bid on.

Some things to note

For fourth division sides, Yes, the messages on your start up under the close reports don't refer to your sides, just ignore them.

For div1/2/3 sides your derbies might not have worked , as some teams are not in the divisions you thought they would be in or might. If so, let me know and we can sort something out.

If any teams in divs 1 to 3 are in a different division, and you feel you might be outclassed a bit as a result, again let me know and I'll see what can be done

New division four sides, please check your turns closely. There was an awful lot of data to be typed in and am sure there will be mistakes.

GOOD LUCK TO YOU ALL

THE INTERNATIONAL TROPHY

TEAMS

ENGLAND - John Pritchard

PORTUGAL - Mark Napier

SCOTLAND - Paul Handsford

WALES - Wynne Phillips

ASIA - Paul Sutton

AFRICA - Dave King

NORWAY - Seamus

ROMANIA - Torleiv Jondahl

GERMANY - Bo Gregersen

ITALY - Simon McAulay

USA - Richard Barnsley

HOLLAND - Paul Steven

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int Trophy which is £7 for the whole season and that this has been deducted from your account on session !. On the basis that int managers travel about the country more and see more players, Int managers (those in place on S1) will earn a free SUPERScout for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams during the season)

CHECK YOUR START-UPS

Please check your start-up credit balance NOW. If there is anything wrong with it then let us know NOW. Don't come back in six months time and say 'I think there was a mistake with my credit balance on turn one', cos we'll say TOUGH. YOU HAD YOUR CHANCE. So CHECK IT NOW AND LET US KNOW IF

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not#

EURO DRAWS

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 £25.00 (Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your timesheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
