THE PROSPECTS

1 Division 1 It looks very much as though the title could be going to Sprout once again but they aren't quite the force they used to be and I have the feeling this will be a close-run thing at the top this year. Favourites to challenge have to be Saints once again who are looking good early on. Sunderland could well be there or thereabouts.

As for the relegation places, it looks as if un-managed Centurions will struggle this season, along with probably Immortals and St Helens with possibly Daggers looking over their shoulders for the best part of the year but there's lots of quality throughout all the sides barring Centurions and relegation is hard to predict this year.

2 4 Division 2 Immortals should steady the ship this season. Aqua Sulis are looking quite strong but may be forced in to selling their best players to balance the books if they are not careful. 5

Favourites again have to be Harleys Heroes with Burnden Villa more than capable of pushing them along with Inter Walls while Borussia Wigan are favourites to go down along with Forest Island and possibly Sofia Utd or Botafogo making up the trio.

3

Division 3 Any 4 of these to win it I think with the othes fighting for promotion - FC Porto, Crazy Town and Purley Kings and Cheam while Flowserve could well be dark horses Aethulwulf are the team to watch in this division and their season could either be a roaring success or a spectacular crash and burn. They are certainly going to struggle early on I feel but may well come in to their own in the latter half of the season or maybe not??? Hobbiton aren't looking great and BUTLER will have to repeat the heroics of last season if they want to survive this one. I think they may well be joined by Snowdonia and New Caledonia down at the bottom this year.

4

Division 4 Ifk Didi and Western Raiders are the 2 teams that stand out from what is a pretty mediocre pack in the 4th and it will be 1 of these 2 teams who take the title this year. Horizon may well mount a challenge and will certainly be looking for promotion this season along with Redstox I feel who are the only teams looking likely to come close to the favourites.

As for everybody else, it will be a case of who can be most consistent and end up with a decent 5th place finish but I can't see anyone challenging the Big Four this year.

Wynne the Phillips is the man to blame for this

THE REPRESENTATIVE LEAGUE

Pipped for promotion again, manger **Dennis Engslev.** is confirmed in his post for yet another season. Come on Dennis Get em up!

THE JACKSON AWARDS

The **Manager of the Season** goes to **Craig Lawton** many of you went for Dag, but as he only took over the **Sprouters** very late in season, more went for Craig. have to agree with that

The vote for **Most Improved Team** went to **HaFlowserve FC**, though the vote was very very close here.

Performance of the Season went to **Harleys Heroes** again, a team in the groove and probably so again this season

The Fair Play Award was shared between **Forest Island & Wycombe FC**

The GM's Award goes to **Burnden Villa**, trophy and promotion, what a season

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that this has been deducted from your account this session. On the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERSOUT for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made

a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for **SESSION ONE MATCHES**. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not. **THE EUROPEAN COMPETITIONS THIS SEASON**

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. **THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE!** Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about

it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE!** - It applies to you! **THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority damned well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or go on **ALL EMAIL** otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the

CHECK YOUR START-UPS

Please check your start-up credit balance **NOW**. If there is anything wrong with it then let us know **NOW**. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say **TOUGH. YOU HAD YOUR CHANCE**. So **CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!**
