THE PROSPECTS

1

Look no further than **Burham Down** once again for the title here (when will it end!). Streets ahead and could well go unbeaten all season IMHO. Behind him, there are a host of clubs who could easily finish 2nd. I expect **Ferenghi** to have a very good season. Tommo has had his magic wand out (no, not that one) and has a plethora of quality midfielders to do some damage. **Wandsworth Town** and **Red Castle** look decent, whilst **FC Amazons** might surprise a few if new manager Hudson spends quickly to bolster the squad. Down at the bottom end **Boleyn Boys**, **Ajax** and **Blackpool** could have a difficult season although they

all have a bit of cash to try and dig themselves out of a hole with **Lancs Villans** and the ageing **Newark** not too far ahead of them. Definitely going to be some close battles here in a tight division for 11 teams.

2

There's no runaway winner here at present but expect to see **Huddersfield** right up there again with cash to spend to fill those few holes created since ageing. **Brighton** (not as strong as they were) and **Berry Brow** will also be knocking on the door, and if Condon spends some cash they could well win it. **Galway** look decent too (the squad, not the manager obv's) along with **Manchester Devils** as long as the manager doesn't lose focus. Dark horses possibly **Newport Pagnell** if money is spent well. At the bottom well **Zeldatree** look like they might struggle with no manager in place now and **Bispham** certainly look like a trip to Div 3 is on the horizon with no cash to bolster the squad.

3

Great season last year for **Sporting Porto** and they will without doubt continue their rise here. Mr Wells has done cracking job and they look like a team ready for Div 1 already and we've not even started the season! I believe with some quick purchases the renamed **Dagobah Hawks** could go well under Mr Read, they are a far cry from the shambolic Gary Heath days that's for sure and **Ferencvaros** could also go close but they're well overdrawn so they can't strengthen and they really need to have a chance. **Dynamo Tooting** could have been mentioned as a top three club but a lack of keeper (total lack of slow-bike weirdo acumen) may have ruined their chances _ tut tut! There's quite a few that look like mid-table fodder but down at the bottom I'm afraid to say it will be two of our elder statesmen holding them up. **RYL Arsenal** (Blind Wadds) and **FC Groovus** (Sarnie King Butts) look like a trip to A&E is in order!

4

Three front runners here with **Alderaan**, **Ferguslie Park** and **Belle Vue** looking the pick of the bunch and I would expect at least two of them to be going up; particularly the latter with their hoard of cash to spend. A lot could depend on who spends well in this division with an average of £4.7m per squad the division is cash rich but manager scarce! **Athletic Lions** and **Shettleston FC** will be top half whilst I have a feeling this might be the best season for a while at **Real Scorb**, where Mr Butler could well test the top three if he gets off to a flyer and spends well. **Southport Kews**, **Womble Town** and **NJF Athletic** all have threadbare squads so I'd expect to see them lurking at the bottom.

THE REPRESENTATIVE LEAGUE

Magic man they call him, as Cranners takes the title in the first season back in the top flight

INTERNATIONAL TROPHY TEAMS

WALES - Rob Scott

USA - Simon McAuley

ASIA - Rob Lewis

SPAIN - Martin Smith

ENGLAND - Dave King

ITALY - Warwick Mansell

S.AMERICA - Paul Hansford

PORTUGAL - Harry Wells

GERMANY - Paul Hudson

NORWAY - Richard Barnsley

EIRE - Gareth Ashcroft

ROMANIA - Duncan Wells

The International trophy will last all season with two groups of six, and then play-offs leading to finals in session 14. The groups for the international trophy will appear in S1 news ready to start in S2. Remember that there is an extra charge for playing in this tournament, which is £7 and that this has been deducted from your account on start up. As usual ALL international managers, on the basis that they travel about the country more and see more players will earn a free SUPER SCOUT for their club team, on S1. A pretty big bonus indeed.

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that

there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, ***plus extras depending upon the division your team competes in in the International trophy.***

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today

we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE!** - It applies to you! **THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

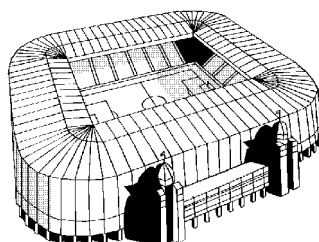

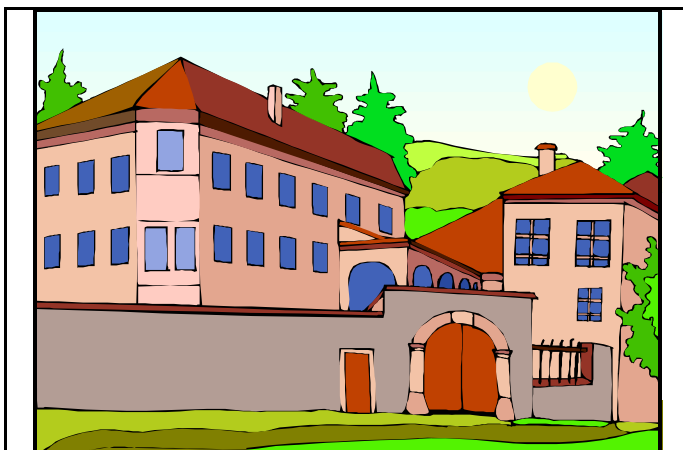

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or go on **ALL EMAIL** otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

CHECK YOUR START-UPS

Please check your start-up credit balance **NOW**. If there is anything wrong with it then let us know **NOW**. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say **TOUGH. YOU HAD YOUR CHANCE**. So **CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!**

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your turnsheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
