MANAGERIAL CHAIRS

DIVISION ONE

PADRAICINS are now **HIGHFIELD**

THE REPRESENTATIVE LEAGUE

Mid-table but only one win off retaining the title manager MANSELL is confirmed in his job for another season

1

What a strong division the top flight looks this coming season Obviously **Comp City** are favourites to retain their title but both champions trophy winners, **Chintz & Celtic Nevada** (Squad very small though), look likely to challenge them. Watch out for another great season from **Ugle**

Betis As well.

Strugglers, well **Mega-byte** are likely to go straight down while **Vintage Clarets** might have to rely on their famous defence to stay up this time. Tough decision for sure

2

Real Royals to make the climb back to the top flight this time I feel and with them looks like another promotion season for the **Titans**. This pair look to have their jump on the rest

Down at the bottom, well I would go for **Highfield**, **Peters Town** and the unmanaged **Tallin Twisters** to struggle If they don't flesh out a bare bones squad quickly then **Croydon** could be among them

3

Thesps could well go through another division as well here. Can't see anybody to stop them though this side desperately needs some younger blood Both **Sao Paulo & Dynamo Tinsley** could well be up their fighting for promotion also.

At the bottom well cash-strapped **J-Rebel** look likely to have a season of pain. Can't see anything other than a season of struggle for **Cwmpalis & Bush Juniors** to be honest

4

Preston Villans are another side with a bare, bare bones squad who will need some strengthening if they are to turn the nucleus of a decent squad into challengers.

Pandemic City could challenge at the top. while both **Boundary Park & Portsmouth** look in with a shout

Bottom dwellers, well **Canine**, **Wall Street Bodiam & Grimsby Aces** look in trouble, though with the exception of the latter they all have cash to spend and need to improve their respective seasons

THE DISRAELI AWARDS

Manager of the Year goes to **Warwick Mansell** for The third year running

The Most Improved Team category was won by **Millwall**, though was a tight battle with both Southend and Inter Annealing picking up lots of votes

Performance of the Year was won by **Chintz Chianti** after their amazing success in the Champions trophy

The **Fair Play Award** was shared between **Gessle Warriors**, **Portsmouth**, **Castel Disangro & QPR** all with zero DPPS to their names

Finally we reach the **GM's Award**, which goes to **Southend Titans** great season behind them but what is ahead?

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow

you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority

pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and

The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
