## THE PROSPECTS

1

Going to plump for **Dow Crag Rovers** to be the team to beat this seasn. Is going to be a battle through as the MOLLOY boys won't give up their title without a fight for sure while both **Walton Rangers & Putney Celtic** might get a strike on the title

Relegation fodder. Well, **Red Star** look as if they will be down there as will **Wycombe Falcons**. Also **Univ Nanterre** might have to cling on, but this is a young side who are only going to improve over time I feel

2

Relegated **Flamengo** to bounce straight back up, while **Zion Gardens** to go at least one place better than last season's narrow fourth spot. Wouldn't be surprised to see **Faarevejle**

**Faarevejle** up there and promoted **Bolton Tigers** should have a god seasn also.

In trouble this time in the second. I think **Royal Spurs** are relegation fodder while **Q of N** will continue on their downwards march. **Southdown** also look in for a tough season.

3

Two teams stand out in the third. Promoted **Ord Mantel** could well go straight through this division while **Lang Gah** will look to build on lasts season to go wit them **Kirkwood** moneybags could well join them if the manger spends wisely indeed.

Managerless **Trumpton**, well certainly relegation for them They desperately need a manger and somebody to sort out their bloated squad to start with. **Tudor Avenue** are also in trouble while **St Johns** look likely to continue their fall from grace and the heights by yet another relegation season to come

4

**Balderton** look the best of a bad bunch in the fourth divvie. **Puxi Pandas & Real Santiago** are probs the only teams who look as if they might be looking upwards this season. Poor division around and the rest all basically look the same, and of poor quality. However **FC Barca** look head and shoulders worse than the rest. The manager is probably following his tried and tested rout of pulling his side apart and rebuilding it, but will not be this season. However he has oodles of cash to spend as do **System Lords** which could turn their seasn around

## MANAGERIAL CHAIRS

### DIVISION TWO

Showboats are now called **Swanley Town**

Azalea Athletic are now called **Farndon Town**

### DIVISON THREE

Fatal Flops are now called **Trumpton Towers**

## THE REPRESENTATIVE LEAGUE

Just missed promotion yet again and the board are getting frustrated **Paul Butler** is given one last chance at the promotion cherry

## THE DRAKE AWARDS

**Manager of the Year** award goes to **Gerard Molloy** after lifting the title, but the closest of possible margins

The award for **Most Improved Team** goes to **Barnet FC**

**Performance of the Season** went to **Lang Gah**, great runs in the cups

The **Fair Play Award** was won by **Ziona Gardens** with 0 DPPS

Lastly we reach the **GM's Award** which I could have given to a number of teams but went for **Terra Firma**, amazing season without conceding a goal

## THE INTERNATIONAL TROPHY

### TEAMS

ENGLAND - Paul HANSFORD

EIRE - Mark Napier

AFRICA - Martin Sm ith

ASIA - Richard Sharpe

GERMANY - Harry Wells

SOUTH AMERICA - Paul Stevens

SCOTLAND - Peter Jorgensen

USA - Gerard Molloy

UKRAINE - Dag Overli

SWEDEN - Anders Odegaard

SPAIN - Simon McAuley

NORWAY - Richard Barnsely

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that this will be deducted from your account on S1 so make sure you have enough to cover this in your account won't you! on the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERSOUT for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

# NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

## HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

## SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

## THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

## POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

## DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

## A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

## MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your turnsheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
