Div 1

1

Steelcity Hawks look clear favourites to add another title to their collection. Closest challengers could be the 3 B's.

Buckley Town, Bristol Rovers and Brutal Maniacs. Catton are still decent but may have missed their chance of a title now. At the bottom, well, Quantam MechS look in real bother after their surprise promotion but do have a huge pile of cash to spend. FC Trentside look likely to struggle and Westminster Utd need a bit of work as well. Not much to choose between most teams here to be honest.

Div 2

2

The 3 promoted sides, Newark Athletic, Estarcion FC and Ulysses Angels look set to dominate this division as well, all 3 look a cut above the rest. Keeping

pace with them will be tricky but look out for Greymouth Town, Sprowston Youth and Scandanavia to give it a go. At the bottom, Perfect FC look in dire straits and Heigham Town may not be lucky enough to escape the drop again. Romsey Rovers need reinforcements quickly if they are not to struggle but have cash to splash. Rio might be looking over their shoulder if they are not careful as well.

Div 3

3

I have never seen such a weak division 3 before, so many teams in rebuilding mode here. I back Telford United to continue their upward trajectory with The Red Devils challenging them for top spot. Gee Cross may be able to chase them but need some reinforcements fast. Maybe Roxy and Athletico Didi are the best of the rest but that's not saying much! At the bottom, I'd say Knotso Athletic are in most trouble, though AC Carfin and Hayling Rangers are not much better. Van Boro have hardly any senior players but they do have a couple of gems on their books. Could be one to watch as the season progresses.

Div 4

4

Looks like Gutter Press are finally ready to start their long climb back to the top, they are head and shoulders clear of the rest of the division here. Addington Palace could challenge but have to get the bank manager off their back first, which is likely to hinder them. Glencairn & Wee Rovers both look much improved as do Shoreham United and look out for FC Hope and Hawk Fields to have better seasons than recently. At the bottom end, well no one is really terrible. West Cross Wand still have a way to go to be competitive and relegated Roebuck look in need of some tender loving care from Oli. Everton Classics may struggle but a couple of good signings could see anyone into the promotion battle in a very evenly matched division.

THE REPRESENTATIVE LEAGUE

Bad season for the league as after last season's heights they get relegated. However it was a very close division so the League have decided to give manager Tim Dodge a stay of execution

ENGLAND - Duncan Wells

WALES - Steve Thompson

USA - Paul Sutton

AFRICA - John Samson

GERMANY - Tim Dodge

DENMARK - Danny Breznitz

EIRE -- Bard Moller

FRANCE - Simon McAuley

ITALY - Neil Barrett

ASIA - Harry Wells

SOUTH AMERICA - Anders Odegaard

SCOTLAND - John Carvin

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that this has been deducted from your account this session. on the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERScout for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session

- it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!
