Division 1

What a battle next season looks to be with some very strong teams at the top. **Whitestar** will take some stopping but this is an old team and a small

squad so the manager is going to have to think carefully. One season wonder then crash? Challengers well the old stagers of **Martino & Bolton** will be in the fight again while **Wycombe Town** will be up there I think.

At the bottom well two team stand out as **Owlerton** (again) & **Hannover96** are going to have it all to do to stay up

Division 2

looks very close in the second div with perhaps **Viking raiders** looking the strongest team, but not by much. Watch out for for **Typhoon Loftus, FC West Trip & Blackburn Rvrs** making it a real fight

At the bottom I go for Paris Angels b in trouble and **World News** to be relegated again though they have cash to spare so could escape. Oldest team in the league but the manager is an expert at managing old boys

Division 3

Jovian Giants & FC Nottingham are the stand out teams in the third. They might get a challenge for **Anfield Stars** who have cash to spend to bolster their bid.

At the bottom well not much to choose between a number of sides but unmanaged **Elegant Chaos** look in deep shite to be honest Rest could be anybody filling the relegation places

Division 4

The youngsters of **Uptown Funk** are going to walk the fourth in think. **Trachloe Villa** could be there but the manager id going to have to pad out his squad I feel. Both **Wolfpack & Dark City** might get in a challenge as well.

Down among the dead men, well certainly **Cray Wanderers , United OB, Redden Court and FC Skangers** are going to have to work some miracles but some of them have cash to spend which could turn round their fortunes

THE REPRESENTATIVE LEAGUE

Pipped for promotion by a point the league keep faith with Mr Jondahl to do it this time

THE AWARDS

Manager of the Year goes to **Pete Brooks** and **Bolton Wanderers** again.

new teams

Div 4 - Travellers are now **Cray Wanderers**

Div 3 - Real Olivero are now **Mansfield AFC**

The Most Improved Team Award was shared between **Old Josephians & AFC Corella**

The Performance of the Year Award was also shared between **Crusaders Fc** for their trophy success and **Charalatans** for lifting the cup

The Fair Play Award was shared between **Owlerton, Walsall Heath & Hanover96** who all amassed a round zero of DPPS

Finally the GMS Award went to **Blackburn Rovers**, great season and promotion with ease. Can he keep it up

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to

think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to

drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE!** - It applies to you! **THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority damned well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your timesheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
