DIVISION 1

Palmerias look to be the team to beat this season. Much like their manager they have a small squad but it's packed full of talent. Challengers will come from the likes of Wembley (if they can get past a tricky few opening weeks), Sunningdale and Furze Hill. Champions Rhuddlan look to be a one season wonder with rejuvenation doing them no favours at all.

At the wrong end of the table will be Hornchurch who actually look weaker on paper than last season. Can the hairy albino ape perform miracles again? Surprisingly St Judes may struggle but they do have plenty of cash in the Bank to get out of trouble. The rest of the Division is very evenly matched and a good auction buy or two could make all the difference here.

DIVISION 2

Preston to win Division 2 I think as they look to be a cut above everyone else in the Division. Camlann look to be another side where rejuvenation hasn't been kind but should still challenge for a promotion spot. Although

Strasbourg and Westwood have problem areas in their

squad if they spend their cash quickly that could make them contenders at the top end of the table.

Managerless Richies and Kernow will struggle and will be joined by FC Babylon who look likely to have another torrid season.

DIVISION 3

After playing 2nd fiddle to Chelsea last season I think Bradfield will lead the promotion charge in Division 3. Chelsea will be challengers but they aren't as strong as last season. Depending on how they spend their money Martian and Southend could challenge and Mr Dempsey is sounding confident of a decent campaign over at Premier Utd.

Down at the bottom will be Wared who look in a bit of a mess and no manager to speak of. Racing Porto's tactics of we will score more than you will need to be effective again otherwise they could find wins hard to come by as will Shankil.

DIVISION 4

Look no further than Temasik Lions to win Division 4. They look set to dominate the Division this season and have a cash balance more than double that of anyone else in the league. Hoping to ride on their coat tails will be Thunderbirds and possibly Balamory.

Trying to avoid the wooden spoon will be Rainham, Soviet Samara and Spartak who are all unmanaged and needing a guiding hand. Ham Hill could also be dragged into a fight at the bottom too.

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some8doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the British banking system and their nasty charges!

N.B. These fixtures are given to ensure that players SHOULD NOT be able to overlook a match in a coming session. The same information is shown at the bottom of your timesheet each and every turn. The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
