Mailers clinch the title though everybody expected it. Their final game of the season was a toughie away to third-place **Dynamo Avuton**, but apart from goals they were never in danger. Always in control of the game it took just one effort from captain fantastic midfield maestro WEMO to clinch the game and the title. Their first ever league championship to bring to an end four seasons of **Club** dominance. Next season we shall see what happens.

Tense at the bottom as **Newark**, basically needing a point to stay up just could not get going against a visiting **Nakuru** outfit who always looked the better side. Unfortunately for them they produced little in front of goal and the home side held on for that much-needed point. But it was tense indeed with **Famagusta** skating to victory in their game to keep the pressure on until the final whistle

All basically done and dusted in the second division bar that third promotion spot. **Real Paris** just needed a point from their last home game against mid-table **Oils Masters** and they waltzed it with a stunning 6 goal salvo to trounce the Masters and clinch promotion. Will the top three make an impact in the first next season though, that is the question

What a climax to division three. **Jossy Giants** had the advantage in the battle for third spot but had to go to rising stars **Johnson Fold** in their last game. A win would gain them promotion, a draw would depend on how rivals **Black Hills** went at home to lowly **Ajax Tavern**. Goal difference was slightly in **Black Hills** favour. In the end the Hills and Svengali Jensen, swept to promotion, taking no prisoners against Lozza's mob. At the same time **Jossy** could not get the goal they needed at **Johnson** then managed to concede two late goals which handed promotion to Black Hills

THE COPENHAGEN CUP

FINAL

TRENTO	0 : 1 MAILERS	(H - 0.1)
Att 48301	Molby 113	[AET]
Wind: Light	Pitch: Good	

What a monster of a final this was. **Trento** . proving what a threat they might be next seaosn, almost fought **Mailers** to a standstill in a pulsating final that went to extra time before the league champs clinched the double with a late goal. Quite a performance form the division two side but you always felt that in the end Doc Martin's side would pull something out which they did with seven minutes of extra time to go. Doc takes the trophy, Craig the plaudits here

THERMIDOR ATH WIN PENALTY SHOOTOUT 5 - 4

Another tight final which went to penalties as two second division sides fought out an exciting match. **Thermidor** always looked as if they were the better side here and created lots of chance but keeper ROTHCHILD was in fine form for **Dresden** and apart from once occasion, kept the opposition at bay.

Not bale to do it in the shootout though which again was super close. Congrats to Fingers, good effort from Oren, his side not quite up to it, better season next one

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

CHAMPIONS TROPHY

Bitteswell swarm all over surprise semi-finalists **Real Potato**. Inability though to get that crucial second goal made it tense right to the end but result wasn't in doubt. Can the Danish ion finally lift the trophy, could be so.

He will have to beat the cup-hardened **AC Mailan**. Runners-up last two years in the cup0winners cup. manager Meienburg will hope his team can go one better. Left it late to beat Katie **Upton** but deserved their win. Quiet a final in prospect

Manager MANSELL will be looking to lift the Cup-winners cup after his team **Eschtergom** went to **Grim** and came away with the only goal of the game. They made hard work of it against a team who really should never have got this far. But some silverware in view now perhaps.

Swans looked as if they are going to take this one to extra time after LARSEN's spot-kick levelled the game, only for a very disputed 89th minute penalty decision allowed GERALDO MAHREZ to get the goal that put the **Reds** through to their first ever final. But it was close

DATE FOR YOUR DIARY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

THE MUSINGS AND MEANDERINGS OF THE KA MIND

It has been said before but many seem to have forgotten this. The rulebook is incorrect. Weather effects. etc are added BEFORE any MF/G additions. Bear this in mind chappies

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

SHOMATCH

For those who don't already know Shomatch is our very own tele-printer in which you get the results, the newsletter and league tables on it, plus a minute by minute printout of the state of your game. Nail-biting to watch if you've got a particularly important game to play. Far better, and definitely more nerve-wracking than just tearing the newsletter open and seeing your fate decided in the flash of a micro-second. This is only available to those who have email players as everything is sent to you as an email which shomatch interprets and displays to you on your PC screen. But not only do you get the tele-printer printout and the league tables, but we send you a number of extra files which include the results, suspensions, Euro results, international results, rep results and the like. All of these can be displayed and watched as they tick through minute by minute as well. Thanks to the programming skills of Paul Sutton, shomatch now runs under windows, with pictures, sound effects and the like making it an even more gripping experience for the real masochists amongst you!!

If you are playing the game from abroad by Email, and who doesn't receive any hardcopy newsletters (mainly those who are playing from outside of continental Europe, MUST purchase shomatch as it is via this that we send your results, newsletters (in PDF format now), and the like. It's up to the rest of you whether you subscribe to this and get your results earlier than the hardcopy comes out. But for the overseas player it is a boon allowing them a little bit extra time to complete their orders - something that they were always moaning about in the past!

What is the cost then. Well you have to pay a single fee of £17.95 which covers a season of sign-ups for Shomatch. For this you get all the information above, and for this one fee you can request shomatch and related details for any league you want to. You aren't restricted to just the leagues you are playing in,. Euro contestants can watch their rivals and plan for when they meet them in this way. You'll see a box on your season start-up sheets which says sign me up for Shomatch. Tick this, enclose the cash and indicate which league you want to subscribe to and we'll do the rest. Remember it's a once-only £17.95 amount for all the leagues that you ant. What fun!!
