1

looks like the boys from **East Ham** are again the team to beat but it will probably be a fairly battle as promoted **Polishers** a young side do look more than easy. **PSV & Upton Park** will be hard to beat but might have to improve some to challenge the top two.

Down the bottom well there are a gaggle of clubs who have to look to their loins or their managers to avoid the drop **Shady Vale** have downward movement for sure while both **Los Abrigos & Stark Reality** might struggle

2

Two sides who have aspired their squads right down look to be in the promotion race in fact add a few players and they could be irresistible indeed Both **Gamla Stan** and the unmanaged **Lisbon Stags** are defo in this category. They both could dominate the division Only real challengers though in with a promotion shout are **Sunny Vale** back to the top flight at the first effort perhaps

Strugglers well **Marrakesh Broadstairs & Freedom City** have it all to do in my opinion.

Watch out for **Dynamo Lambeth** though Jack has it all to do but cash to spend and could be a surprise package in this division.

3

My faves in the third at the **Ninjas**. They look to have a good shot. Challengers could be **Blackadder FC** and **Orlando Bhoys**. A tight division I have to say Rock bottom are the awful **Lugg Vale FC**. They really don't have much of a team but they are the richest side in the league and buying their way to success is an option if Readie gets it right

THE MOORE AWARDS

Manager of the Year goes to Craig Lawton of **Inter East Ham** can he repeat the same this time?, what a season.

Most Improved Team Award was won by **Swinton Marine** a great title season for them

The Performance of the Year Award went to **Watchmen** a truly remarkable cup success,

The Fair Play Award was shared between was shared by **Shady Vale, Marrakesh, Lisbon Stags and Lugg Vale** zero DPPS

THE GMS AWARD went to manager ASHCROFT at **Global Titans** so near yet so far at **Gamla Stan**. after a fine season, with trophies galore, can he keep this up.

GM BITS

A few pointers for the forthcoming season.

1) One thing that holds up processing is the need for me to have to advise managers that, 'their orders are not in!' I do this as a courtesy, but sometimes I open orders for a league on the day of processing. If so you will get a, 'get your orders in within the hour' message rather than by the following day. As I say it is a courtesy not our RIGHT to have this done, and to be honest you get plenty of time to get your orders in and why I should have to hold up the game for IN THE MOST PART the same people, is a factor in holding up the game for the majority

2) Missed orders. In years gone by if you didn't get your orders in then I selected your team, but you got no contracts negotiated and your SPS were turned to cash. Nowadays both of these things happen because the programs elects the team for you. However, the computer is not me, and I make no apologies if you think it was not a good selection. The computer unplayed teams program, does not care about who you are playing but cares about developing your side. Got an unequal GK then it will play him instead of your star GK. YOU HAVE BEEN WARNED!!

3) Be careful in early season, managers seem to forget the way to DISCOVER players and tend to end up getting apps discovered twice. This is your responsibility to get right and if you don't your duplicates will disappear and you will lose an APP in the process.

INTERNATIONAL SCHEDULE

Ok, the international schedule starts on session 2. We have changed this for the new season for two reasons. With the finals on S16 we have found too many problems occurring because managers sell even good players of a certain age to the NL in the last couple of sessions and this means often int squads have to have lots of substitutes shoved into their teams. Also by having the finals on session twelve it will mean that your club sides have less chance of being affected by international injuries of all kinds. So please take note of the new schedule below.

.Remember that you get MPS and cash for winning these games which go to your club sides, so it is very worthwhile concentrating on it. Remember that every team plays the other once and that away draws and wins gain you an extra point in the league table.

Winners receive a cash prize of 500K for their club side, runners-up receive 300K and beaten semi-finalists, 150K each.

THE MATCH SCHEDULE

S2 - B v A/ D v C

S3 - C v B/ E v D

S4 - A v E/ D v B

S6 - C v A/ B v E

S8 - A v D/ E v C

**NOTE THAT THE
SCHEDULE HAS
CHANGED THIS
SEASON**
