THE PROSPECTS

1 Got to say that it is going to be a bit closer this season than the past few. I have high hopes that both cup-winners cup tyros **Eschtergom Utd** are going to put in a challenge. **Stalin City** will be up there again and promoted **Readieonians** will have a good un. Mr Hails is going to have to pluck some **Seaside** rabbits out of the hat if he is going to retain his title methinks

At the bottom two teams stand out or should I say don't stand out. Both **Silent Running & New Lords** have a long hard season ahead of them

2 Their squad might be small and they will need some injury covers but **Midgard Vikings** are almost certainties to bounce straight back as second div champs, take my word for it. The rest are fighting for the other two promotion places, **Albion Thistle** & relegated **Pluto pirates**

seeming to be the best of a bad bunch form what I can see. Bottom pilers well **Lilyput** for sure, and trophy specialists **Applejack** but Jack has cash to spend so it might be different. **Ponte Bridge** also need pulling together if they aren't going to struggle

3

It is almost impossible to call the third division, so many teams so evenly-matched. **Tatooine** are cash rich so if Readie spends his warchest wisely then the sky isn't even the limit for them. **Bricktop Pigs & Norsemen** also are in the money so I think this division could be transformed by money. **Santiago Wanderers** have a young team so they might be one to watch in the future

THE CLOUGH AWARDS

Manager of the Year Award, was overwhelmingly won by David Hails and his Seaside Town juggernaut yet yet yet again.

Most Improved Team was won by **PSV Barking**, the boys are back are back

The Performance of the Year went to **Comics Utd** stupendous cup efforts against Seaside

The **Fair Play Award** was shared between **Aqualina, Forever Utd & Readieonians**.

The **GMS Award** I give to **Warwick & Eschtergom**, lifting the cup-winners cup a fine achievement,

TEAM NAME CHANGE

Aqualina are now called **Norsemen**

Balamban are now called **Balamban Pi FC**

Castle Duloc are now called **Bricktop Pigs**

Borders are now called **Dun Duchathair**

CLOUGH SEASON SIXTEEN DETAILS

This season we will be using the normal snail-mail league schedule, thus there is a league game every session except for S1, 6,9,11,12 & 15 when there will be two league games.

The Cup

S3 1st round ((bottom eight in div two last season, all division three from last season and twelve non-league sides)

S5 2nd round

S7 3rd round

S10 Quarter-finals

S13 SF

S16 final

Replays are always in the following session extra time and penalties to decide.

The League Cup

The league Cup will have six groups of six everybody playing each other in the group once (thus away wins and draws will get you an extra point in the table).

S1 - A v B/ C v D/ F v E

S2 - B v C/ D v F/ E v A

S3 - C v A/ F v B/ D v E

S4 - A v F/ B v D/ E v C

S5 - E v B/ C v F/ A v D

The six group winners qualify plus the two runners-up with the best points totals, failing that with the best goal differences.

S8 & S9 Quarter-finals

S11 & S12 Semi-finals

Both played to extra time and penalties over the two legs.

S14 Final

One game. If drawn there will be a replay on S15 this season.

THE TROPHY

This will consist of twenty teams. All the third division along with the bottom eight of the second division as at the end of S11

1st round is on S12 (Bottom eight teams in Div 3 at end of S11 will be drawn against each other at random in this round)

2nd round is on S13 - winners of 1st round along

with top four from 3rd and the eight from division two will be drawn at random here.

3rd round is on S14

SF are on S15

Final is on S16

All games are one only with extra time and penalties to decide, no replays. SF and Final are on neutral grounds

Friendly Games

GM BITS

A few pointers for the forthcoming season.

1) One thing that holds up processing is the need for me to have to advise managers that, 'their orders are not in!' I do this as a courtesy, but sometimes I open orders for a league on the day of processing. If so you will get a, 'get your orders in within the hour' message rather than by the following day. As I say it is a courtesy not our RIGHT to have this done, and to be honest you get plenty of time to get your orders in and why I should have to hold up the game for IN THE MOST PART the same people, is a factor in holding up the game for the majority

3) Missed orders. In years gone by if you didn't get your orders in then I selected your team, but you got no contracts negotiated and your SPS were turned to cash. Nowadays both of these things happen because the programs elects the team for you. However, the computer is not me, and I make no apologies if you think it was not a good selection. The computer unplayed teams program, does not care about who you are playing but cares about developing your side. Got an unequal GK then it will play him instead of your star GK. YOU HAVE BEEN WARNED!!

4) Be careful in early season, managers seem to forget the way to DISCOVER players and tend to end up getting apps discovered twice. This is your responsibility to get right and if you don't your duplicates will disappear and you will lose an APP in the process.

INTERNATIONAL SCHEDULE

Ok, the international schedule starts on session 2. We have changed this for the new season for two reasons. With the finals on S16 we have found too many problems occurring because managers sell even good players of a certain age to the NL in the last couple of sessions and this means often int squads have to have lots of substitutes shoved into their teams. Also by having the finals on session twelve it will mean that your club sides have less chance of being affected by international injuries of all kinds. So please take note of the new schedule below.

.Remember that you get MPS and cash for winning these games which go to your club sides, so it is very worthwhile concentrating on it. Remember that every team plays the other once and that away draws and wins gain you an extra point in the league table.
