THE PROSPECTS

1

The return of the king can anybody stops the Daggins form taking back his title on his return to the top flight then I'll make Brutus eat his hat. They perhaps need to strengthen their squad in case of injures but they are the boys to beat. The **AC / Firm** dominance is over. Bo baby will probably be up there but can't see martin retaining his title. Other team to watch are **The Warriors** as the skandis continue to dominate the first division.

At the bootom I think **Lemmings** long sojourn in the top flight might be coming to an end and **Port Glasgow** might be going straight back down, but the oldboys of **Parisian Foxes** might have an interesting season, whether near top or bottom depends on whether and how well Torleiv spends that warchest.

2

The second divvie is going to be close I feel. Can't see a dominant team at all. Perhaps cash rich **Chancellor** are the pick but not by much **Milpitas** could have a good un as could

Leeds Rhinos as they attempt to bounce back into the top flight at the first chance.

Strugglers well to be honest a bad injury a bad use of money lack of acumen and any team in this division could be battling for promotion or against relegation. it's anybodies

3

well **New Jersey** could go one better than last season and get promoted. Uberwald b look as if they could make a challenge while **Galway Utd** might surprise everybody as well.

At the bottom well defo **Antarctica** . The long fight back to the top starts now and manager Hails knows how to do Aruwa Reds & Canticles **both need a kick up the ass in my opinion bad times ahead while** red Star b managerless snow they have been sorely dumped have a young squad so something to build . and he is the richest team in the league so who knows

THE VULCANO AWARDS

The **Manager of the Year** award goes to **Martin Meienburg** again after a tight and exciting season

Most Improved Team goes to **East Jerusalem**

The Performance of the Year was won by **FC Firm** suite a season even if second in the league again

The **Fair Play Award** was shared between , **Uberwald** gain and **Swan Districts**

Finally the **GM's Award** I give to **Rob Lewis Starbug** no longer the yo-yo side

NEW TEAM NAMES

Hogwarts School are now **Huddymania FC**

Quinton Utd are now **Galway Utd**

GM BITS

A few pointers for the forthcoming season.

1) One thing that holds up processing is the need for me to have to advise managers that, 'their orders are not in!' I do this as a courtesy, but sometimes I open orders for a league on the day of processing. If so you will get a, 'get your orders in within the hour' message rather than by the following day. As I say it is a courtesy not our RIGHT to have this done, and to be honest you get plenty of time to get your orders in and why I should have to hold up the game for IN THE MOST PART the same people, is a factor in holding up the game for the majority

2) Missed orders. In years gone by if you didn't get your orders in then I selected your team, but you got no contracts negotiated and your SPS were turned to cash. Nowadays both of these things happen because the programs elects the team for you. However, the computer is not me, and I make no apologies if you think it was not a good selection. The computer unplayed teams program, does not care about who you are playing but cares about developing your side. Got an unqual GK then it will play him instead of you star GK. YOU HAVE BEEN WARNED!!

43 Be careful in early season, managers seem to forget the way to DISCOVER players and tend to end up getting apps discovered twice. This is your responsibility to get right and if you don't your duplicates will dissappear and you will lose an APP in the process.

INTERNATIONAL SCHEDULE

Ok, the international schedule starts on session 2. We have changed this for the new season for two reasons. With the finals on S16 we have found too many problems occurring because managers sell even good players of a certain age to the NL in the last couple of sessions and this means often int squads have to have lots of substitutes shoved into their teams. Also by having the finals on session twelve it will mean that your club sides have less chance of being affected by international injuries of all kinds. So please take note of the new schedule below.

.Remember that you get MPS and cash for winning these games which go to your club sides, so it is very worthwhile concentrating on it. Remember that every team plays the other once and that away draws and wins gain you an extra point in the league table.

Winners receive a cash prize of 500K for their club side, runners-up receive 300K and beaten semi-finalists, 150K each.

THE MATCH SCHEDULE

S2 - B v A/ D v C
