

## Four team league already?

### Game of the week

The Hairy back versus the Golden Mane? Bruticia announced her intention to be front, centre, and most definitely adored this season with a win against the forever birthday boy. It's always tough visiting the Glasgee shed, and the Forest faithful looked at the line up and sighed? is the manager getting desperate with a 3 man FW line?

Taking a lead gave the Eastwood Gardener hope, but as always it is the hope that kills you? that and a bear hug from Bruticia.

Celtic in the leading pack, Eastwood dreaming of slowly fading memories? don't give up Morten!

### On the up

Chintz really are backing up their European title, and maybe that win last season has psychologically launched the Chianti?

### ACUMNE NEEDDE

The bottom 8 are a much of a muchness, but I am worried about Kings Town. They were once a mighty force in Europe and Dizzy, but they are pointless after 4 games. They had chances against Ugle, but they need to start putting them away quick.

### Money money money

Zelenskky to Comp spells trouble for the top 4, if he stays fit. Celtic, Gessle and Vintage pick up squad players

## Tomatoes grow in the Arctic circle.

### Game of the week

Top of the table clash as the Beaming Bomato travels to deepest darkest Konningswulf to try to understand and calm Deadly Dag. Eikrem was out, and that may have affected Dag's marking plans, as the home team tried to calm the creativity of The Odense Tomat. It didn't work, with the first away goal going in after 6 minutes. The defence held until the second half, but the home team had no response to the away creativity.

### On the Up

Croydon and Gee Force had great sessions, both with very different but important wins

### ACUMNE NEEDDE

Neptune and Highfield look in trouble. Both have experienced managers, so there is time to turn this season around.

### Money money money

Some spending from Southend will not go unnoticed by both the 2<sup>nd</sup> and first divvy, whilst Real start taking the season seriously with a new scout.

## Nothing clear yet

### Game of the week

Tough one as there are some honorable mentions. Sao Paulo leading the way, Sporting getting off the mark, and a creditable draw for Ipswich, but I suppose one should suck up to the boss, as Deeping beat the newly managed QPR

# KICKABOUT NEWS

with a one shot one goal tactic? it's all it takes! The question is, does managing a soft southern club turn Kev's stomach?

## On the Up

Great result for Tinsley against the much favoured Thesps, and Annealing keep up the pace, even if it was against lowly Bush. McCrudden and Lawton, hand in hand, skipping in to the 2<sup>nd</sup> divvy? Scarey image? are there nude pictures?

## ACUMNE NEEDDE

Ipswich need to start their rebuild to reach their old heights, though this sessions result was a good start. The other worry would be Thesps, who many thought would challenge? gout in the brain for the manager?

## Money money money

Chris B makes a move for young talent Kovalenko, Stig will help fellow Rob, and Grand Ballon jumps from one sinking ship to another.

## Birthday boy flying the flag for human managers?

## Game of the week

Boundary were nearly as dire as the infamous Preston when Mr Barrett took over. Last season was probably too early for fireworks, but after a close season of hard training, and a ban on pool tournaments (because the manager just cannot win), Boundary are bounding! This week they put unmanaged but still wily Portsmouth in their place with a win based on attacking football.

Given that there is only one team above him, and that team is unmanaged, this look slike a season of joy for the Romford radical.

## On the Up

It is not often Ashburton score 4, so it was important to highlight Oli Jones' team. They beat a very poor Bodiam, but it takes Oli to 3<sup>rd</sup>.

## ACUMNE NEEDDE

Canine and Grimsby look like they need something, as both are winless. Peter will take heart after procuring Thjissen in the auction for a good price. Meanwhile Mr Butler has been passing around new shiney Greenpeace badges

to his team, and telling them all they are jolly good fellas for not conceding a goal? maybe, just maybe, find the other teams goal? but that's not a criticism fellas!?!?

## Money money money

Canine are the only spenders, and there is some decent cash in the 4<sup>th</sup>?

## THE CUP

### 1st round highlights

Worrying for Ipswich as they cannot get a shot against Highfield? Replay looks dangerous

Great result for Pandemic, as the writer managed team shuts Bruticia down! The replay may involve tricks and deceit? Look out for those knives in the shed?

Great win for Eastwood and they muller the great Margate! Goals at last Morten

Easy win for Gessle as Gehanna roll over.

Sao Paulo go to Castel and tickle the tummies of Mr Butler.

Rushen are wasteful in front of goal, and need to go back to Mr Napier's mannor. Could be an interesting replay.

Seamus shows what he can do when given a crap team, as he beats cup specialist Fingers due to a poor away goalie performance.

Baddad rolls on to the next round with a good away win against an unusually quiet Jack.

Great effort from Fadey as he almost holds the mighty Comp. Craig's Mum cooks a great dinner for the almost heroes (as she cannot score goals anymore!?!?)

Millwall are slowly growing into this season, with a good cup win against The Publicans

Kings Town are also up and running, against 3<sup>rd</sup> division Stevens. A cup run will help the morale for Stevens!?

Massive win for Clifton Magic as they beat Southend in a classic cup derby! Great win for Colly, and Jeorgie Bast sent to the stands with a ban!

# KICKABOUT NEWS

Vintage have no shots against non league? something Mr McAuley will need to worry about if he played a first team?

## THE LEAGUE CUP

### Second Round 1<sup>st</sup> Leg Highlights

Eastwood sneak a home win, and are the slightly better team despite having less possession. Can Morty hold on to his rubber ring and not sink in that pool?

Great win for Mega-Byte as they are the better team against mighty Gessle. Interesting 2<sup>nd</sup> tie.

Boundary really do have a great session as they win away from home in the first leg.

Close between Perth and Underground, as Lozza can come back from this.

Great defensive play by West Diamonds, who will hope the home crowd can pull them through to a fantastic win.

Great home win for Tinsley too, as they should have scored more against Rushen.

Bo is bouncing this session, those tomatoes are well ripe and juicy!!!

Chianti take the first match honours against Ugle, but still a long 90 mins to go.

Finally, great win for Colly as he looks to double up in the cup!

# KICKABOUT BITS

## MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

**MARKING INFO** - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO  
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE  
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/  
SHOMATCH SUBSCRIBERS

## ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

| <u>SESSIONS</u> | <u>MIN LEVEL</u> |
|-----------------|------------------|
| 1 to 3          | 5                |
| 4 to 5          | 6                |
| 6 to 8          | 7                |
| 9 to 10         | 8                |
| 11+             | 9                |

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** -. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io).

For others you do the same except put the league, name with Ka- in front of +subscribe.

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league match should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

## THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

# KICKABOUT MONEY

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**BULK PAYMENT OF TURN FEES** - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

# MANAGERS NEEDED

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend.

## NO FRIENDLY POOL

# CONTRACTS UPDATE

---

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

---

## NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an \* by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an \* by
