

HAWKS LOOKING OMINOUS

Steelcity move clear at the top with an extremely comfortable 2-0 win at The Mashers, the home side badly missing injured Zurbruggen for this one. Lozza needs him back soon as they remain winless in the league this season. *** Catton can only get a goalless draw with Limetrees Park. Cranfield came for a draw, played zonal and bored the life out of everyone. A bit like at pub closing time when he starts telling everyone Andy Impey is England's greatest uncapped right back. Great point for Limetrees though! *** Brutal and Buckley play out an entertaining 2-2 draw that does nothing for either sides outside title prospects really. Buckley probably would have won this if goalkeeper Skog hadn't been sent off in the first half, deservedly so for playing in such an aggressive fashion in a non-derby. Boo! *** Quantam Mechs and Bristol Rovers also share 4 goals, with both sides scoring very late on. Quantam were well up for this one, perhaps sensing a chance of 3 points with Bristol Rovers missing so many players after last session's horror but with creative shots flying in from all angles, a 2-2 draw was about right *** There was an excellent 1-0 win for Bilbao Rocks at Westminster Utd, never an easy place to get 3 points. As expected, this was a game of very few chances and the first goal was always likely to win it for either side and so it proved. Just one of those days for Ashcroft, we all have them! *** Newark Harriers whack poor old Trentside for SEVEN! Harriers were decent for sure but it looks like being a long old season for Trentside and these type of beatings might become more frequent as they look like a team at the beginning of a long spiral downwards.

TIGHT AT THE TOP

The big derby clash between Ulysses Angels and Newark Athletic ended in a goalless draw. Ulysses actually had slightly better of the game here with double the shots of their opponents. Both sides were missing their first choice sweepers and Dag will be the happier of the two managers, surely seeing this as a valuable point gained. *** Estarcion march onwards with an impressive 2-1 win at Rio FC. Both sides were quite attacking in this one, which made for plenty of chances but Estarcion had such control of the midfield as well so they always looked the more likely winners and so it proved when Michal popped up with the winner on 75 minutes. *** Greymouth Town will be kicking themselves after dropping points at home to Romsey Rovers. McCauley got all his marking spot on and Cunha gave them a very early lead after 2 minutes but Romsey hung on in there with a defensive masterclass before McCoist scored from their only opportunity to claim a fortunate point for Presland and his boys. *** Goal shy Scandinavia go goal crazy as they stick seven past Heigham Town. Has Seamus become more Ancelotti than Moyes all of a sudden? Well, maybe, or perhaps it was just because they were playing a side in rebuilding mode. Chris Moore has a plan. Is it a good plan? Let's give him the benefit of the doubt and say yes (GM _ yeah right!) ***

Game of the day was probably Villa Rangers 3-2 derby win at Perfect FC. Loads of shots, lots of goals, this was liquid football. Cap Tom Moore scored the all important winner, quite impressive seeing as he's over 100 years of age and deceased. Still has a right foot like a traction engine though!

HASTINGS BATTLE

Poor old Reale Hastings have not had a great time of late, with an injury blighted relegation season last time out and things not going much better early this season. However, John Canvin has been in place for a few months now and is beginning to sort out the wreckage of this squad. Today saw high flying Farndon come to visit and the home fans would not have been expecting much, especially after a 5th minute Icarus goal gave the visitors the lead. Canvin told his lads to keep their focus and attack in the second half and this paid dividends with a couple of very late goals sealing a deserved 3-1 comeback win. Onwards and upwards now, especially with some new recruits to the squad heading their way. *** Replacing Hastings at the bottom are Knotso Athletic, following a 5-0 tonking at home to Athletico Didi. No blame attached to Fingers for this defeat, he has inherited a car crash of a squad and Didi would have probably scored another 5 if they hadn't

KICKABOUT NEWS

bizarrely played for a draw! *** Kickabouts get a welcome 2-0 win at AC Carfin despite the early sending off of defender Cago. Perhaps the first sign of those green shoots of recovery for Kickabouts here though still early days of course. *** The Red Devils stay clear at the top after a fine 3-1 win at Gee Cross. The Devils offside trap was extremely effective against the large Gee Cross attack but Samson will still feel his men were a little hard done by in this one but Presland's men were certainly clinical *** Fast improving Van Boro will be happy with their point at Telford United in a 0-0 draw but Roxy will feel a bit miffed they couldn't break down a poor Hayling Rangers side, as this also finished goalless. Playing for a draw here was probably not the best option for Colly, who with an extra attacker would have almost certainly won this game.

HAWK FIELDS HIT TOP SPOT!

Yes it has really happened! Hawk Fields are top of the fourth division. Traditionally the worst team in the Wellington, Mr Butler has done the impossible and turned this club into a side to be feared. Today's visitors were Rob Lewis's Wee Rovers and they were lured into a false sense of security with whale music playing in the dressing room and Lewis taking advantage of a head and beard massage from Butler before the game. The Rovers boys went out on the pitch in a befuddled daze and were simply overrun by Hawk Fields, in a 4-2 romp. Lewis said afterwards he enjoyed the beard massage so much, he wasn't bothered about the defeat! *** Wow, look who has turned up at Shoreham United! It's only Rob Scott! Mr Scott arrived for the pre match press conference in his trademark black leather trousers to the surprise of all present. Paul Stevens had only been in charge for 2 sessions but the board had already seen enough of Fingers profligate spending of the cash that had been carefully built up by the caretaker manager over the past couple of years and moved fast to replace him with the safe and steady hands of Mr Scott. His first game saw a very welcome point in a 1-1 draw at high flying Gutter Press, a decent start no doubt. A promotion challenge next season has to be the aim here for Shoreham. *** FC Hope get a welcome 2-0 win to move off the bottom, with the team they beat, Roebuck FC replacing them. After the match it was announced that Roebuck manager Oli Jones had been sacked by the board, with them saying it was completely unacceptable to be the worst team in the entire league. A new manager is being sought with

rumours that a half blind Gooner oaf with dodgy knees is under consideration. We will see. Oli certainly took his eye off the ball here in the last season or so *** Glencairn are looking likely promotion candidates and Mansell will be well pleased to pick up 3 points at The Levellers. They were a bit fortunate with Gurdwara's shot being their only effort on goal all afternoon but Levellers keeper Daffydd has seen better days and should have stopped this one *** Gorgon are looking better already under Presland and a top half finish has to be the aim after a 1-0 win over West Cross. *** Finally Addington disappoint once more as they are held to a 0-0 home draw by a very ordinary looking Everton Classics side. Palace really need to be winning these sorts of games if they are going to challenge for promotion this season.

THE CUP

1st round highlights

A last minute Quizcrans goal for Rio sees off first division Newark Harriers. Great result for Steadders *** Greymouth Town grind their way past The Levellers with their only shot on target. Napier can count himself unlucky not to get a replay *** Buckley see of non league Alfreton but victory comes at a cost with a nasty injury to Spencer *** Villa deservedly squeeze past Romsey by a single goal *** Easy for MM Marauders as they hit 4 *** Newark Athletic hardly break sweat seeing off Knotso easily *** Bilbao enjoy their trip down to Margate, you can keep your Costa Brava says Dave Hails *** Hawk Fields hold Sprowston but has their chance gone now? *** Farndon fall to a couple of Perfect sucker punches, rather undeserved it has to be said *** Telford and Ulysses both thrash non league sides *** Limetrees put three past Addington, should have been more really but Cranners won't care, job done *** Brutal make hard work of Woking but just about squeeze through *** Roebuck get some respite even without Oli at the wheel *** Quantam leave it late at Shoreham to spoil Scottie's hope of a shock *** Bristol Rovers hit Didi for 6 despite their continued injury woes *** SHOCK! Gee Cross fall at home to non league Enfield. There's always the bowl John! *** Easy for the Catton bully boys *** Carfin can't get the job done against non league Hastings and now face a tricky replay *** West Cross hold Hayling Rangers but the 3rd division side should get through now *** SHOCK! Everton Classics fall to non league Telford. Not that much of a shock actually! *** The Mashers are too strong for Wee Wee Rovers. Not the best session for the Nobster *** A Craigie away double as Van Boro

KICKABOUT NEWS

and Steelcity both reach round 2 in a flurry of goals and clean sheets. Bad session for Gareth though, no hugs given out this week *** Estarcion win at Scandinavia, I haven't seen Seamus this upset since Jens dipped his todger in Seamy's pint of Guinness *** Heigham get another thrashing, this time from Gutter Press. Dave H still not happy in the press conference afterwards, rambling incoherently about star goalkeepers or something! *** SHOCK! Glencairn thrash first division FC Trentside. What a performance from Mansell's boys, keep an eye on them *** Kickabouts hit five in a rare win *** Reale Hastings continue their good form just about seeing off FC Hope, great session for Canvin *** Not often Gorgon win away from home but they all count, even if it was non league Hednesford! Well done KP.

THE LEAGUE CUP

<CENTRED>Second Round 1st Leg Highlights

Perfect FC get lucky to take a slim lead to Romsey next week, KP's men will still be favourites to progress *** The Mashers also have a single goal to protect as they head to Ulysses Angels, not sure they'll hold on against the expected Angels onslaught *** Wow, what an impressive win for Estarcion as Ashcroft's nightmare session continues. Game over for Westminster I feel ***

MM Marauders miss their chance to put pressure on Bristol Rovers and Read will be confident now *** Hawk Fields great start gets a dose of reality as they come up against the Newark Athletic juggernaut, all over here *** Newark Harriers and Buckley Town cannot be separated, expect similar next week, too close to call this one *** Harry and Duncan Wells go head to head but it is Duncan's Athletico Didi who blitz higher division Villa Rangers 6-1 to gain the family bragging rights *** Everyone though Red Devils against Greymouth Town would be tight and so it proved in a goalless first leg. First goal next week wins I reckon *** Scandinavia show their class against Gutter Press but don't write off Dave Hargraves' men just yet, they might just still have a sniff here *** Bilbao Rocks blow away Kickabouts, no way back here for Odegaard's men *** Brutal Maniacs tear apart The Levellers with a four goal blast, the 3 division gap showing all too clearly here *** Wow, Telford United stun Rio FC 3-0. Not quite game over but much to do to turn this one around for Steadders *** SHOCK! Rob Scott inspires his new Shoreham United side to a 1-0 away win at first division FC Trentside. Surely their best result for many, many seasons. Can they see the job through now? *** Easy for Sprowston against poor Everton *** Limetrees Park will be slightly worried to hold just a single goal advantage against Quantam Mechs, we all know how creative Mr Sutton's boys can be at home *** Oof, tie of the round sees heavyweights Catton and Steelcity battle it out and it is advantage Steelcity as they grab a vital advantage away from home. It will take something special from Thommo now but he's a crafty old bugger so who knows?!

TRANSFER TRAILS

Big movers this week are Reale Hastings, who sell young midfield general Jones to Perfect FC for 3000k and use this to bring in exciting flair players in Horus and Korchev, good business for Canvin. Knotso put themselves in the red to bring in young forward Kyiv. A decent prospect for sure but the fans are concerned that Stevens could have used their limited money more wisely perhaps? Van Boro pick up a couple of good youngsters in Nobchenko and Integral, Lawton quietly building another decent side here, one to watch.

9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

KICKABOUT BITS

MARKING

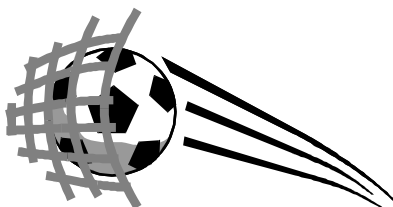

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

KICKABOUT

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FORTHCOMING KA WEEKENDS

Glasgow weekend dates 9th-12th October

Craig & Jens are first men in here

Gerard, Seamus, Gareth, Rob, Cranners, Wadders, Neil B, Adrian, Colly, Bo, Morten, Wadders & Morten all know that they will be coming along

NOW FULL

And Bo has offered to host us all at his place in Odense during the spring of 2026 Dates now settled 14th to 17th of May

Bo, Rob, Tim, Dennis & Jens are first men in

Craig, Gareth, Nigel, Cranners, Seamus, Gerard, Wadders, Nick Wilson, Adrian, Pete Jorgie, Danny Brez & Morten have all said they will be there

(looks like it could be a twenty player weekend at this rate. Tickle Jens tummy folks and make it so)

October 2026 will be in the lovely city of Sheffield. Pete Condon has promised to make an appearance as, I am told, will Danny Smith and we will all be able to shame Danny into returning to the fold

First men in are Gerard, Seamus, Jens & Wadders

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

DATE FOR YOUR DIARY

London pubmeet tentative date 17th of July

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S12 - FINAL GAMES ALL TWLEVE TEAMS

INTERNATIONAL ROUND-UP

France put 5 past a poor Italian team *** Wonnil Dennis lives up to his name as he scores the only goal for Denmark against the Germans *** Great result for Eire as they go to darkest Africa and score 4 with O'Shay and Conall each bagging a brace *** A late Cwmbran goal grabs a point for Wales against England *** Asia and South America cannot be separated in a goalless bore draw *** Scotland thrash the Yanks 5-0, was Donald Trump in charge for USA by any chance?

MANAGERS NEEDED

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend. **COME ON LADS SHOW CRANSTUFF HOW TO DO IT!!!**

there is a team free in the MESSI Quick league. **Brecon Rangers** are on the slide and wnera the bottom of divison three . Bit of a challenge side really. Free season for the new manager

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the
