Bitteswell sweep aside both **Nationalistas & Terroirs** but both their opps have been tipped to struggle this season so who knows. Question will Jens baby concentrate his efforts this season on winning the Champions Trophy at long last? Great starts for the Hails at **Gdanski** six points and up there with the Bits. another team to beat poor old **Terroirs** and a six goal haul against the Lewis, come his trip to Oz he will probs be looking forward to next season in the second

Unfancied **Toronto Storm** start with a bang and six points in the second . They are the only team to win their opening pair of fixtures. It was a strange start to the season here with so many tied games and only four games finishing with a definite winner.

Gooners are one winner a five goal thrashing **Bracknell** cheering the fans, but the Town look in trouble again, shipping ten goal in two matches. Poor start for the tipped **O'Donovan** but as was forecast this is going to be a tight division

DIVISION 3

MAIDEN FC Att 22481 Pitch: Hard	0 : 0 SMITH ATHLETIC (A - 0.3) Wind: Light

NORTON FOLGATE Att 20740 Wind: Light Pitch: Good	0 : 3 LOUGHBOROUGH AC (A - 1.1) Tracsout 10 Dresden 45 Siesta 58

Castle Park & Leeds were tipped at start of seasn but are in the wake of **Capital City & Lionhearts**. Neither of this pair were fancies in pre season but both burst into life infront of their won fans. **Capital** hammer **Norton Folgate**, who ship eight gaols in a dreadful performance. Their fans are streaming through the exit gates well before half time. **Lionhearts** hit five at home to the **Sons of Anarchy** Both the Sons and Norton look in for a tough season . **Castle Park & Leeds** meet and it ends in a draw. Well placed as the season unfolds I think.
