

## STEADDERS GOING UP IN THE WORLD

Looks as though Ding Steadders, the platform shoe wearing, Gamma Ray drinking Chelsea fan is set to be the new top dog in the Nelson this season. His side is more prolific than Disco Dave on a night out in Blackpool in the late 2000's. An extraordinary 7-0 rout of Hugo Allen's **St Judes** could have been worse if young keeper Stestki hadn't performed far better than expected. Spudeyes and Clinton both helped themselves to a brace in a game that was already over by half time.

Ozzie Lozza lost ground at the top after succumbing to the old Brutus 1-2. First employ effective marking on the opponents' key midfielders and second give the creative players free reign to cause havoc in the opponents defence. It was looking like Lozza was going to hold on until Brutus got that little bit of luck he often seems to get and scored twice in the final two minutes of the game to secure the three points that catapults his side into joint 2<sup>nd</sup> place. Not bad for a side I tipped for certain relegation!

Puffo Samson can count himself a lucky man after steering his **Wembley** side to a 1-0 win over **Gdansk**. Very even game this one with young keeper Seryt saving everything the visitors could throw at him but the visitors usually reliable keeper Sokolov was badly positioned at a corner and could only watch on as Regis headed home the only goal of the game.

It's early days but **Utah Saints** look in real trouble. Four games played and no points on the board. Has Dave Hails already decided to rebuild ready for next season in Division 2?

## HOPLESS SEAMY BECOMES "EL GOUTO"

**Westwood Celtic** haven't enjoyed the best of times over recent years (oh how I have laughed!) but the fans have stuck with Hopless Seamy through thin and thinner. This season though the almost daily calls to Brutus for Kickabout advice seem to have paid off with **Westwood** riding high in the table. More good news arrived this week with the star fairy visiting twice and giving a great big smacker on the lips to two very important players. A visit to caretaker managed **Richies** looked a more than winnable game but a goal from Van Der Man just before half time saw the home side take the lead. Time for Seamy to show what he was made of during the interval. He put his bottle of favoured Spanish Rioja down for a few minutes to warble on something about getting the ball forward as quickly as possible and stop fannying around with it at the back. On 60 minutes these "tactics" paid off as Tunis latched on to a long ball forward, turned his man and blasted the ball home from 30 yards for the equaliser. Both sides seemed to settle for a draw after that but with 3 minutes to go **Westwood** got the winner. Cinn Mhara's header from Dripunkt Padich's corner lacked any real power and looked to be a routine save for Musiala but the youngster elected to punch the

ball rather than catch it and it ended up hitting the bar and then bounced into the back of the net. Post match interviews were conducted, with another bottle of Rioja of course and the local press proclaimed afterwards Hopless Seamy is dead, arise "El Gouto"!

Wengers 11<sup>th</sup> minute strike is enough to see **Strasbourg** retain their two point lead at the top. It seems 1-0 wins were the order of the day as both Disco Dave and John Pritchard also recorded 1-0 wins in tight games. John will be particularly happy with the win in a feisty game against derby rivals **Camlann** which saw Passitsson sent off for the visitors.

Strange goings on as **Dial Square** beat unmanaged **Kernow** with Blind Gooner Wadds shouting at the empty home teams dug out that this would be a LESSON in football. Time to get your eyes checked out again you weirdo! To be fair Wadds did "see" his side pick his first league win of the season but they remain in the bottom three for now.

## ALL HAIL HAILS

At the beginning of the season I was unsure if Dave Hails would be able to dominate Division 3 as he had Division 4 last season. It's four wins out of four so far so it's already looking ominous for the rest of the

# KICKABOUT NEWS

managers in the Division. A 4-1 away win at **Racing Porto** was achieved despite going behind after just 11 minutes but Harry Wells side just didn't have the defensive organization to stop **Chelsea** creating plenty of chances.

KP is trying to keep in touching distance of the leaders but a 0-0 draw away at Dag's improving **Southend Seas** resulted in them dropping their first points of the season. On paper, **Bradfield** are more than a match for **Chelsea** so the fixtures between the two sides could prove vital in deciding the eventual winner of the Division.

First wins of the season after three consecutive draws for both Brooksie at **Lone Pine** and Simon Pritchard at **Dickhead**. Could both managers be turning their teams fortunes around at last? Green shoots and all that!

## LESSONS BEING LEARNED

For those of you not at the Norwich weekend (and why not, the weekends are what keeps me playing this ridiculously addictive and frustrating game) I will set the scene that will go down in KA folklore. It's the last session and it's time to watch the Cup final on shomatch. The lovely gentleman teacher Richard Pickup from Walsall vs Blind Gooner louty Wadders sat at opposite ends of the room. Wadds, almost sat on top of the TV for the best view, obviously. Before the game starts Wadds shouts across the room to a startled Richard, "this will be a LESSON I tell ya, a LESSON in football". The room fell silent, Richard's expression went from startled rabbit in headlights to disbelief followed by a nervous grin, unsure of what had just happened. The rest of the room looked at each other with shrugged shoulders before watching on as the confident Gooner proved to everyone he was right as his side triumphed, wanker. It looks as though he has brought his form from the Norwich KA weekend to the Nelson as he recorded his 3<sup>rd</sup> win in the league over Duncan Wells who is, to be fair, trying to rebuild a poor side in **Soviet Samara**. Up to 2<sup>nd</sup> now for **Royal Wadds** and a promotion campaign looks to be on the cards.

**Balamory** remain top dogs as Fingers steers his side to a 3-1 win over Ping Pong Pete's **FC New City** who had been undefeated in the league before this game. Salty Molloy with his sides 3<sup>rd</sup> goal here around the hour mark to make the game safe.

First league win of the season for **Viking Lords** as the Welsh Lady Boy bar lover surprised a few people here

with a 4-1 win over **Spartak**. Only way is up now Niel?

## THE CUP

### 1st round highlights

Easy game for Napier and no injuries against non-leaguers Alfreton, result!\*\*\*Job done for Hails against Mansell and he will be hoping to get the job done in the home replay\*\*\*Some respite for Lawton with a win, although not a very convincing one, away at non-league Kettering\*\*\*Five goals for Ping Pong Pete against poor **Wared**, you can only beat the side that is put out in front of you though\*\*\*Brooksy eases into the next round past part timers Sutton\*\*\*Great win for Hugo against 2<sup>nd</sup> Division **Richies**\*\*\*The Dumpster can only watch as his side fluff their lines in front of goal so now face a tricky away tie at non-league Telford\*\*\*Lozza will be delighted with his sides 2-0 win over Chopper Dag but not with the injury to Maina that will rule him out of next sessions games\*\*\*Hasslebaink is the hero for Simon Pritchard and **Dickhead** march on to the next round at **Barneys** expense\*\*\*No joy for Dag against Dave Hails 1<sup>st</sup> Division **Utah** but he gave it a good go. Dave has to be the favourite to progress now with the home replay to come\*\*\*Puffo was 2-0 up and cruising against Brutus after 34 minutes but then a brace from Doo Wot within two minutes of each other levelled up the game. Time and again it looked like Puffo's side would get the winner but were denied by the visitors defence. Don't accept Brutus's offer to stay in the Shed the night before the replay John as he sometimes loses the key!\*\*\*KP is through to round two with **Bradfield** without having to move out of 2<sup>nd</sup> gear against non-league Woking\*\*\*Creativity provides the spark for two first half goals that secured the win for **Wickford** against **Thunderbirds**\*\*\*4-0 win for MacAulay away at rebuilding **Rainham**\*\*\*El Gouto was reaching for the red wine (again?) as the chances went begging away at part timers Southport. Troy finally got the goal they deserved with quarter of any hour to go\*\*\*Despite the constant whale music, group therapy sessions and hugs a plenty Lawton managed to get the better of Butts at the first attempt thanks to T'chala's close range finish after 21 minutes\*\*\* Pete Thornhill's wedding day happiness was torn apart by Harry Wells who was unashamedly ruthless as his side thrashed their opponents 5-0\*\*\*Disco Dave is through to round 2 after a 1-0 win away much to Niel's disappointment. Time to drown his sorrows at the Lady Boy Club?\*\*\*Who says power teams don't score goals? John Pritchard's in form **Winners** score five in the opening 30 minutes against a shocked **Shankil**.

# KICKABOUT NEWS

Less excitement in the 2<sup>nd</sup> half though as they win out 6-1 in the end\*\*\*It's another lesson from Blind Gooner Wadds with poor Duncan Wells on the receiving end of his mind games losing 1-0\*\*\*Ian Read hands out a bit of a thumping to an unhappy KP. 5-1, ouch!\*\*\*Fingers will be happy with a draw away at 2<sup>nd</sup> Division **Dial Square**. Can the Blind Gooner come up with better tactics to keep his side in the Cup at Fingers expense?\*\*\*SHOCK! Dag's 3<sup>rd</sup> Division **Southend** knock out Hugo's 1<sup>st</sup> Division **St Judes**. The appropriately named Woe Wee scored the only goal of the game with Butts being the first on the phone to congratulate Daggins victory\*\*\*A late Sicilia goal keeps **Recwand** in the tie against **Strasbourg** but with an away replay to come has Fingers grasp on round 2 all but gone?\*\*\*Butts sees his **Babylon** side dictate the play but can't find the back of the net against NL opposition. Home game to come though and plenty of time for some group therapy and motivational chats to get the boys ready for the replay\*\*\* Brilliant result for Colly at home against Steadders in form Division 1 leaders. He's going to need more of the same in the replay though and perhaps plan for penalties as the best way to get into round 2\*\*\*No problem for the **Aces** and **Leeds City** away at non-league opposition\*\*\*

## THE LEAGUE CUP

### Second Round 1<sup>st</sup> Leg Highlights

A brace from Turienzo helps **Strasbourg** to a 3-0 away win over rebuilding **Soviet Samara**\*\*\*A mixture of a man of the match performance from Spudeyes Ashcin and another terrible performance from **Gdansk** keeper Sokolov has already decided the tie in favour of Ding Steadders whose season continues in fine form\*\*\*A brace from Pence gives Dempsey a great 2-2 draw away at **Recwand**. Could the GM "cruise" into round 2 in the replay?\*\*\*Despite Helgea's sending off on 16 minutes Ping Pong Pete's side gain a 5-3 victory over **Shankil**. Two Cup games in a row where his side bag five goals, nice one Pete!\*\*\*Sterling efforts from Messrs Mansell and Pritchard as they manage to secure draws at home to top flight opposition but they both face difficult away legs now\*\*\*Group hugs all round for Butters after an excellent 1-0 home win against Fingers Division 1 **Wickford**. Whale music anyone?\*\*\*Terrific win for Scottie as **Atlantis** score six without reply against **Kernow**\*\*\***Bradfield** battled back from Sanders early goal for **Royal Wadds** to end the home leg 2-1 victors. KP was in no mood from a lesson from the Blind Gooner\*\*\*A late goal from Honeyball gave Pritchard the draw he came for and with the home leg still to come **Winners** have the upper hand now\*\*\*Two goals in the opening quarter of an hour gave **Chelsea** a surprise lead but Ozzy resident Lozza masterminded his side back to a 2-2 draw, just! Can Hails go one better in the home leg?\*\*\*Lawton's **Rhuddlan** manage a draw against in form **Wembley** put Puffo will be more than happy with a draw\*\*\*Brutus does it again, played off the pitch for large parts of the game away at **Martian** but it's the big albino ape who walks away with a 3-0 win\*\*\*No goals in the final three games with the away sides managers now favourites to steer their sides into the next round.

## TRANSFER TRAILS

Puffo Samson is the biggest spender in the auction as he signs instinctive striker Dovbyk for just under 2.7m. It's been a good start to the season for **Wembley**, could he be the spark to make it a great one?\*\*\*Leather trouser lover Scottie also spends in excess of £2m for star keeper Mikalyev\*\*\*Barney, Fingers and yours truly look to the future bringing in teenage prospects.

In private deals the dismantling of last seasons title winning side continues at **Rhuddlan**. At least they are

now one of the richest sides in the league even if relegation could be on the cards\*\*\*John Pritchard is a happy man picking up striker Andone for 1.2m in a move he will be hoping will help his side gain promotion to the top flight.

**DIVISION THREE:** goes to manager SIMON PRITCHARD at **Dickhead**, maybe the turnaround in the clubs fortunes has finally started?

### ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

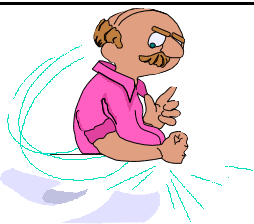

| <u>SESSIONS</u> | <u>MIN LEVEL</u> |
|-----------------|------------------|
| 1 to 3          | 5                |
| 4 to 5          | 6                |
| 6 to 8          | 7                |
| 9 to 10         | 8                |
| 11+             | 9                |

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

## MARKING

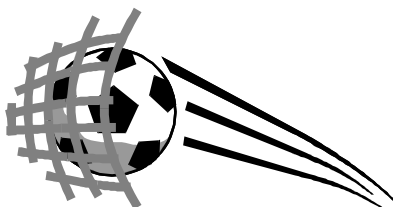

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

**MARKING INFO** - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO  
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE  
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/  
SHOMATCH SUBSCRIBERS

# KICKABOUT BITS

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** -. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io).

For others you do the same except put the league, name with Ka- in front of +subscribe.

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

## THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**BULK PAYMENT OF TURN FEES** - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

### INTERNATIONAL ROUND-UP

#### Group 1

**South America** continued their perfect start to the competition with another narrow 1-0 away against **Belgium**. Quizcrans Hoopla with a cool head on 20 minutes to finish calmly into the bottom corner for what proved to be the winner\*\*\*Great game between the **Yanks** and the **Krauts** as the home side battle back from 1-0 and 3-1 down to level the game through Pence with 8 minutes to go\*\*\*T'Chala scored the only game in a game for the 2<sup>nd</sup> match running to make it two wins from two for the **Africans**.

#### Group 2

**England** secure what could be a vital victory away in Rome. Dragon with the only goal on 14 minutes\*\*\*No goals between **Romania** and **Asia** and both managers have to settle for a draw\*\*\***Ireland** get their campaign back on track with a 2-0 away win at Hampden much to the disappointment of the vocal home crowd. Two games in and the **Scots** already look to be doomed (again).

# CONTRACTS UPDATE

---

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

---

## NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an \* by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an \* by his name, you add something extra to the

# MANAGER'S NEEDED

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend. **COME ON LADS SHOW CRANSTUFF HOW TO DO IT!!!**

there is a team free in the MESSI Quick league. **Brecon Rangers** are on the slide and wnera the bottom of divison three . Bit of a challenge side really. Free season for the new manager

**THE MOORE LEAGUE**

We have a number of fre etams in this league so would obviously like to fill it up

**Coatbrig Celts.** A team who have been tipped to get promotion to the first divison this season and have started
