The world turns, the wind blow from the north, and Sutton returns to the top of a league. Skank Town sit prettily(!) atop division one No Hope & The Migs, but the Copenhagen. Thrashes former champs **Sportsmen**, I think that Bo is going to have to give best and accept relegation and rebuilding to be quite honest. been hanging on by his fingertips for too long now. Alongside the Skankers are one of the top teams. **Cruzeiro** and Svengali MCAULEY will be planning to win their title back and have started strongly as **Swan Hill** found out today. **Mailers** also moving upwards as they overturned leaders **Trento** but narrowly

Wow what a session only team to win were lowly **Thermidor Ath** their first of the seaso as they downed second placed **Clapham Common**. A surprise result for sure. Apart form that there were FIVE away wins and some of them by massive scores. **Taitung** hit none at downwardly mobile **Gidea Park** while we are still awaiting a resolution of the **Etal** saga as Fingers wins the battle of the crutches in fine style. Some pointers to who is going to lift the golden boot here already.

Twenty-six goals already for the **Masters**. Put your money on that fingery Fella unless he bankrupts the club first!

Newark set the pace as their three early season rivals fail to win. Draws allow the old KP to clear some space between him and the rest. Three wins this session for **Ajax Tavern** and Lozza moves into second above **Lassen Utd.** Battling performance from **RPF** as the **Foxes** go to early seasn favourites Johnson Fold and hold them goalless. All that possession accounts to little does it if you can't test the keeper Dave. Is home ground becoming a bit of a problem?

THE MUSINGS AND MEANDERINGS OF THE KA MIND

- A Sweeper is basically a defender with additional responsibilities. Adopted from the continental game, the Sweeper tends to play behind the men at the back, forming a mobile, roving line of defence that can move to lend aid where needed, and to make timely interceptions in attacks that might otherwise result in a goal scoring opportunity. The use of Sweepers reduces the tactics available to your side, as they will be unable to play an Offside game, due to the Sweeper's position throughout the match.

When played in the Sweeper's role, this player has one major benefit and one major drawback. The benefit is that if the opposing side is fielding a FWT in their team, the SW automatically "man-marks" him for the duration of the game, ensuring that the FWT is unable to play his normal game. The drawback is that if your side chooses to push too many players forward, the SW is forced to move into a solely defensive position, playing as a DF only.

FORTHCOMING KA WEEKENDS

And Bo has offered to host us all at his place in Odense during the spring of 2026

Bo, Rob, Tim, Dennis & Jens are first men in
Craig, Gareth, Nigel, Cranners, Seamus, Gerard, Wadders, Nick Wilson, Adrian,
Pete Jorgie, Danny Brez & Morten have all said they will be there

*(looks like it could be a twenty player weekend at this rate. Tickle Jens
tummy folks and make it so)*

October 2026 will be in the lovely city of Sheffield. Pete Condon has promised
to make an appearance as, I am told, will Danny Smith

First men in are Gerard, Seamus, Jens & Wadders

Kickabout will be forty years old in 2027, so perhaps somewhere special could
be planned for then?

KA becomes 40 years old in 2027, perhaps something special to be arranged?

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

The latest version now available at

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

[FACEBOOK - kickabout online](#)

[and Twitter](#)

[Online Kickabout](#)

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb
