THE AUCTION

SOMETHING DIFFERENT

This is a Bosman Auction (name of player must start BOS space) then the player name by the way

You are bidding for the contract of the player x 16 sessions

i.e. I might bid 20K for a player and name him BOS CRANFIELD - if I won the player he would join my side for 20K and arrive on a contract of 20K for nine sessions

Be careful though!!! if you offer 500K you will have to pay wages of 500K for Sixteen sessions So be careful you could bankrupt yourself

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

NEW WEB-SITE

THE PUNDIT RETURNS

Well it looks like quite a season ahead. last seasons's top tow, **Real Ayell & Radford Semele**, might be up there again, but I think both have to loosen off the purse strings and buy if they are to be right at the top of the pack. So whose going to finish above them. Well **Techno Terriers** have a strong squad but might need to increase it a bit as an injury or two could hit them hard. **Globe Trotters** will be up there again, while Seamy's power lads at **Dal Riada** might be threat. Could this be the seaosn **Les Ferdinand** finally make a proper challenge. We shall see but it bodes well for an exciting title battle

Whose going down. Well can't look much further than the Sutton duo of **Mistique & Utopia** boing boing as they go up and down season after season.

In the second I can see **Sporting Spuds** reclaiming their top flight place as the get a second consecutive promotion season. **Wessex Rangers** look as if they might bounce straight back up. Can they stay there is the question. **The Greeks** missed it by one point last time I see nor reason why they can't make it one better and get promotion this time. **Vipperood** dominated division three last time out. Can't see it happening this time, BUT the Jens has money to burn which could change an average season into the a goodly one. Relegation? Well **Bermondsey** look as if they are going straight through as manager Smitty attempts to get them organised while **Newton Heath** look likely to be struggling against the drop again. More cup success?

Divvie three, well Kev to get the **Welsh Wizards** back on an upwards path again, while his sojourn in the hot spots of Athens seems to have helped Laurits get **Sysiden** back on an even keel. Baby-sitting manager Nob the Lewis has plenty to play with as **Brecon Rangers** are going to scare a few people.

Bringing up the rear well we have three teams in rebuilding stages. Golden Boot to come from div three this season? **The Levellers, Primrose Hill & Rosario** look cannon fodder. However, all three have massive warchests which if they choose to and spend wisely could change their fortunes, while ill have a very young squad to build upon. We shall see. Good luck yea all.
