AUCTION FOR SESSION SEVEN

SOMETHING DIFFERENT

This is a Bosman Auction (name of player must start BOS then the player name by the way

You are bidding for the contract of the player x 10 sessions

i.e. I might bid 20K for a player and name him BOS CRANFIELD - if I won the player he would join my side for 20K and arrive on a contract of 20K for ten sessions

Be careful though!!! if you offer 500K you will have to pay wages of 500K for nine sessions So be careful you could bankrupt yourself

Players bought in this auction CANNOT be transferred to other teams this season, though you CAN sell them to the non-league

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MIUTTERINGS AND MEANDERINGS OF THE KICKABOUT MIND

Every now and again a manger comes begging, silly me, I've fooked up something in a deal, can you action it. Answer always is NO, tough shit fella, be more careful, and got other things to do. Only way we'll do this is - action the deal, but you can't use the player in the next session. moral, check your turns

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Because of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!

MY TEAMS

This is a new section where managers get to write something about their teams. A team you love, a team you have had success with, a team that frustrates you, anything, even a team you had in the past. We don't want a novel just a few lines or so about that team. Have asked the newsletter-writers to start the ball rolling, but open to all of you?

My Most Frustrating Team (by Dave Hails)

I have many teams across the leagues. Some of them I am really happy with, some are really frustrating, and some I just don't understand what is going on! Some are challenging for honours, others are in various stages of rebuild. But the team I am currently most frustrated with is AFC Europa in the Raleigh league. Tipped to do well this season, they are currently bottom of division 3 with no wins in the league yet. The start of the season was OK, dominating matches, but struggling to get shots on target. Then the injuries kicked in! 7 injuries so far, in 6 session. 7 injuries, and none of them training injuries. They were all incurred in matches - so all involved lost levels and players unavailable. Time and again, I have been unable to field my best team, because of injuries. Aargh! Oh well, I think I have them all back fit again now - at least I will do once I've dealt with the potentially career threatening injury to my SBY! Now all I have to do is train them to actually get shots on target. It's a bit like watching Brighton play! Lots of possession, but no end product.

GM - another Brighton supporter, nuff said, keep on trucking Mr Hails

The Rise and Fall and Fall of Cinema FC (Montgomery)

I started playing this game in 1995 when I met a guy called Graham Steadman in a new job. His brown envelope got me curious and as we both loved football, I was hooked. I'd read the Montgomery newsletter from back to front on the train to Brighton, I knew who managed every club and knew all the players in the Internationals! My team was Cinema FC, and as I gradually learned the game, they got better, went fully P/S and within a couple of seasons I won the UEFA Cup with them (edging out Tommo at Thomoslavia in the Ramsey). They didn't win the league but we went close. Then, we spiralled downwards to Division Three. They really are my worst non-star team, about 3 or 4 stars only since about 1998 - crazy. I've tried to turn them around but season after season, we've not got any better. We had a crowd walkout one year which damaged the finances further and without cash the squad is looking more desperate than Colly after finding out last orders had already been called 20 minutes ago. They are my first team so will never be dropped but I'm still looking for something magical to happen for us to start making the long road back to Div One seem possible.

GM - One of the iconic KA chants comes from Cranners, 'I ain't got no stars'!!

MY TEAMS CONTINUED

Don't cry for me Argentina

This is a thank you script and not a pity blurb and I want you to know help is available.

For those who don't know I got attacked by travellers when I had just joined a new job and was still in probation. They shattered my leg which took three years of operations as it was completely smashed to smithereens. The surgeon did well.

With no income for ages and my flat to maintain I went on a very bad downward spiral and was found by my parents as a dripping wet ten stone shell of myself. They sold my flat which just about paid for the debts and took me in and nurtured me back. Therapy and my favourite drug Citalopram helped me.

To cut the sob story short I missed 15 years of Kickabout. You have all welcomed me back with open arms which I was nervous of before I sent an email to Chris. You have all been fucking amazing and I half wuv you all even Morten and Jens.

You lot are seriously amazing and don't even know it. I am now in a very happy place and all you guys helped massively.. Thank you all of you cunts..

On a side note I am now retired so if anyone is feeling bad they can call me on 07510 260566 or call the Samaritans on 116 123.

Cheers Wadders (I am in all of your debts and half wuv you)

GM - See you can recover from adversity and be a Wadders!!!

My Favourite Team - Purple Hearts (Livingstone)

Although I've had Brutal Maniacs since 1987, I never really had many teams in the 1990's. I had The Psychedics in the Churchill for a while and a team in the Mountbatten briefly but by the early 2000's, I was down to just the Maniacs again. In 2003, I finally bought a PC and discovered the joys of sending and receiving turns by email, a real time saver. I decided to take on some more teams, the first of these being Purple Hearts, a dreadful team, rock bottom of division 4 in the now defunct Palmerston. I've taken on some pretty ropey challenge teams in later years but trust me, Purple Hearts were a disaster zone. After a couple of seasons of clearing the decks, they were ready to begin their rise. Three straight promotions followed, with goals galore flying in, with one highlight being beating the then invincible Martino 3-1 in a cup, in a season where they didn't concede a league goal all season. Everything was set for a division one title challenge but then the Palmerston merged with the Livingstone I was placed in division 3 in the newly merged league. Two further promotions immediately followed, meaning Purple Hearts had enjoyed five successive promotions _ that has got to be a record surely! Unfortunately, starring and ageing did not go well in recent times and after a few seasons they were relegated back to division two. To my surprise, they bounced straight back and to even greater surprise, they are currently top of division one, despite being one of my weaker teams. It won't last I am sure but they have given me a lot of fun over the years.

GM - in the pantheon of top managers Neil must be up there with Cranners and Wadders for this effort with the Hearts

Cliftonville 'til I die. A Ka anecdote.

In Clifton we trust and today lads we talk about my first KA love and Seamy's favourite team Clifton Reds.
My first team in the early 90s, they go hand in hand with Aero not so force and will always be my favourite team.

This goes back to the Wath glory years, when Gerrard didn't look like a bin dipping tramp and Brutus was still wearing denim shorts. Won a few things over the years but never quite reached the heights after that bar steward Molloy ripped me off for my 18 year old mfad.

I shit you not, he was spawned from the devil even then, and like Jens and Biteswell I'm taking the credit for building the mighty Lutterworth empire. To paint the picture, Seamy and I will never forget the headline '**Ace in the hole**' as I purchased said young all purpose to glorious fanfare. I think it was session 2, first season. Correct me if I'm wrong Shampbap.

This was when KA was fun before Cranners came along and ruined everything. I also remember Seamy and I playing agg each other that same session in a friendly which I won 3-1. Suck it Seamy - we'll not mention you beat me in the league.

Andropov was his name and naïve Colly didn't quite understand what an all purpose was and what a predator looked like. Enter Darth Molloy whispering sweet promises and great treasures, as I foolishly swapped my ace in the hole for a couple of 19-10s. To this day the worst deal I ever done in KA and a sliding doors moment for both clubs. I take no credit nor pleasure in creating such a monster. I could go on for hours about my beloved Clifton Reds but hopefully this gave you a smile, I still run them and will never give them up, especially after Chris gifted them a lifetime membership.

This is an ode to KA and the many memorable moments it's given me over the years. Long may it continue and bring back Tommy Thomas. Mon Reds!
