Sutton the Svengali

Never one to take a reverse in his stride manager LAWTON must have been incandescent as his team threw away points during their visit to bottom side **Terroirs** today. They gave away a goal in the first minute and after that despite losing possession in midfield to the visitors Terroirs suddenly came alive and to be honest gave as good as they got looking particularly dangerous in the goal box. It looked as if it were going to be even worse when the home side took the lead in the 88th minute, but a scrambled goal in their next attack salvaged a point and **Salvation**.

This defeat gave **Bitteswell** the chance to pull clear at the top. What a thrashing they handed out on their visit to Candlestick Park. The **Wickersley** were missing their general DE KUYPER and were taken apart by the champions. Six goal BRUNDLE just about putting his name on the Golden Boot after this. fingers Oh fingers wrong tactics.

At the bottom there are five teams within a point of one another. This week it was **Nationalistas** who took the chance to shine. Tight match in terms of possession at home to fellow strugglers **Forest Reds** but for a team who have found it hard to score this season they were lethal in front of goal tacking away four goals with aplomb. First win of the season in front of their own fans and Bally becomes a God for the fans. For one week at least.

Toronto no Stormers

Poor results really for league leaders **Toronto Storm** as they were held goalless at **Cheam Chargers**. The lowly Chargers though, are unbeaten in their five home games this season so far, so perhaps this wasn't as bad a result as it looks on paper. Both teams fought each other to a standstill really in a game where both keepers were mere bystanders for ninety tense minutes.

Home wins for both **Los Chilenos & Grays Inn** allowed them to close up on Toronto as a result of this. The top three have a small gap between them and the chasers but all three of the teams below the top three won this week. An ANATRA hat-trick helped **O'Donovan Rossa** to see off struggling **Norfolkinchance**, while **North Yard** were impressive in their victory at **Karakals**. Long way to go in the promotion fight I would suggest.

No change at the bottom though the trio in the last places are five points from safety and with poor defences and few goals to their names they look in deep trouble already. **Bracknell** did finally end their run of home defeats with a goalless draw against **Oakley Rios** but the performance was really nowt to write home about. Tough days ahead for the bottom three metinks.

Oren falters at home again

Unbeaten away from home this season with five straight wins, **Lionhearts** can't do the same at home for some reason A second home defeat at the hands of rising **Castle Park**, was a bit of a Bummer for manager MINZER today which allowed **Taifa Stars** to move above them with an easy victory away to struggling **Sons of anarchy**. The Stars continue unbeaten having conceded just one league goal all season. Second division bound Craigins, good rebuild going on here.

Tight behind them though as **Leeds Uni** move up seeing off - just - a **Smith Athletic** side who just can't get it together away from home. Four points cover five sides in the promotion race now.

Debut win for returning manager CRAVEN . A single goal from the old stager FLEE ZIMBABWE earns him a win on his first game in charge of **FC Genua**. you can't say better than that can you

MIUTTERINGS AND MEANDERINGS OF THE KICKABOUT MIND

Remember that a decent reserve keeper can cost peanuts but might be the difference between success and failure if your first choice is unavailable.

Better to have a level seven than a level 2?

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure I haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league matches should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with two season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!

MESSI QUICK LEAGUE - **HAVERING TOWN**

- Poor season for them this campaign, dropped by Bertie Barrett and mishandled by the Breznitz. Might be going down from the first but I think they will come straight back up.

SHAKESPEARE LEAGUE - **WHISTON ROVERS**

- Top of division four. This is a divvie full of 36-1 teams being developed and thus protected from the rest of the league. Great start but need a guiding hand for the future

VETERANS LEAGUE - just about to start season seventeen. Challenging league different to the others. Great fun . just twelve sessions per season and some different rules

I'M STILL GOING TO WHUPP YOUR
